Education Feminism Reader Developments In A Field Of Study:

Black and Postcolonial Feminisms in New Times Heidi Mirza, Cynthia Joseph, 2013-10-18 This book is a compelling collection of essays on the intersection of race gender and class in education written by leading black and postcolonial feminists of colour from Asia Africa and the Caribbean living in Britain America Canada and Australia It addresses controversial issues such as racism in the media exclusion in higher education and critical multiculturalism in schools Introducing new debates on transglobal female identity and cultures of resistance the book asks How does black and postcolonial feminisms illuminate race and gender identity in new global times How are race gender and class inequalities reproduced and resisted in educational sites How do women of colour experience race and gender differences in schools and universities This book is a must for political and social commentators academic researchers and student audiences interested in new feminist visions for new global times This book was published as a special issue of Race Ethnicity and Education

Historical Dictionary of Feminism Janet K. Boles, Diane Long Hoeveler, 2004 This Second Edition is an essential resource for librarians scholars and students This succinct handbook includes more than 1 000 entries covering the persons organizations campaigns and court cases goals and achievements and current and future directions of the feminist movement 75 percent of which are new and revised from the first edition This second edition also features a more internationally focused introduction that provides an overview of the history and development of feminism as a movement and as a philosophy Rounding out this new edition are an expanded chronology and an updated bibliography that brings attention to many feminist online resources and periodicals and emphasizes global and third wave feminism both new developments in the field since the publication of the first edition Paying tribute to the struggles of the women and men who have worked to change and to improve the living conditions for women in the world this book promises a comprehensive historical overview for readers of all interest levels

Research in Education, 1974 **Resources in Education**, 1999 **Just Methods** Alison M. Jaggar, 2015-11-17 The supplemented edition of this important reader includes a substantive new introduction by the author on the changing nature of feminist methodology It takes into account the implications of a major new study included for the first time in this book on poverty and gender in equality and it includes an article discussing the ways in which this study was conducted using the research methods put forward by the first edition This article begins by explaining why a new and better poverty metric is needed and why developing such a metric requires an alternative methodological approach inspired by feminism Feminist research is a growing tradition of inquiry that aims to produce knowledge not biased by inequitable assumptions about gender and related categories such as class race religion sexuality and nationality Just Methods is designed for upper level undergraduate and graduate students in a range of disciplines Rather than being concerned with particular techniques of inquiry the interdisciplinary readings in this book address broad questions of research methodology They are designed to help researchers think critically and constructively about the epistemological

and ethical implications of various approaches to research selection and research design evidence gathering techniques and publication of results A key theme running through the readings is the complex interrelationship between social power and inequality on the one hand and the production of knowledge on the other A second and related theme is the inseparability of research projects and methodologies from ethical and political values **Feminist Bookstore News**, 1993 **Resources in Women's Educational Equity**, 1979 Literature cited in AGRICOLA Dissertations abstracts international ERIC ABI INFORM MEDLARS NTIS Psychological abstracts and Sociological abstracts Selection focuses on education legal aspects career aspects sex differences lifestyle and health Common format bibliographical information descriptors and abstracts and ERIC subject terms used throughout Contains order information Subject author indexes **Handbook of Reading Research** Michael L. Kamil, Peter B. Mosenthal, P. David Pearson, Rebecca Barr, 2014-04-08 In Volume III as in Volumes I and II the classic topics of reading are included from vocabulary and comprehension to reading instruction in the classroom and in addition each contributor was asked to include a brief history that chronicles the legacies within each of the volume's many topics However on the whole Volume III is not about tradition Rather it explores the verges of reading research between the time Volume II was published in 1991 and the research conducted after this date The editors identified two broad themes as representing the myriad of verges that have emerged since Volumes I and II were published 1 broadening the definition of reading and 2 broadening the reading research program The particulars of these new themes and topics are addressed Reader's Guide to American History Peter J.
