Education Is Broken But I Will Help You Fix It:

The Education System is Broken Cathy S. Tooley, 2016-04-05 The intent of this book is to look at our educational system as it currently works and to evaluate not only why this system is broken but also how we might move forward together to fix it So how do we fix our failing schools We begin by finally taking the educator out from behind the desk and bring them to the table to share in the decisions and solutions regarding what is happening in our schools It is time to part the curtains on our public school system and show you the villains the heroes the talented and the not so talented It is time to give you a behind the scenes view of our educational stage

Broken but Beautiful Joseph P. Conway, 2020-11-06 American church participation has plummeted in recent decades Abuse scandals and hypocrisy hang in the air Weekly I talk to friends and neighbors who have left church even as many still identify as Christians I get what they re saying When I consider the pain that so many have experienced in church life the body of Christ sure seems broken It s no wonder many don t find church to be worth it But maybe there s more to the story As a child my family experienced deep crisis I felt alone and vulnerable Into that void the church stepped in I discovered a family a people that have my back and forever changed my life Even now I see tangible ways the church works for the common good The church possesses a resilient beauty that continually pushes through the brokenness If we love Jesus we have to eventually ask what Jesus loves Surprising to me at times Jesus loves the church despite her brokenness If we learn to see what Jesus sees we ll discover a powerful often untapped means towards human flourishing No other social group offers what the church offers Yes the church is broken but there s more She s beautiful
