Motivation is referred to as an internal driving force that compels you to achieve your goal or follow your dreams in an effective manner. Motivation comes from within us and has a magical impact on one's life. It acts as a source of inspiration and encouragement for us. It is a state of mind or a feeling that encourages an individual to go ahead and realize his/her dreams despite facing difficulties. Motivation is a vital ingredient for the attainment of success. As any Teacher or Educator knows, sometimes the going gets tough. It can be a struggle to keep your spirits up while trying to balance classroom demands, student learning outcomes, shrinking resources, the endless hours of planning, dealing with disgruntled Parents, and addressing the personal and scholastic needs of each individual student. Every Educator has been there at some point in their career, and all the great passionately motivated educators learn to push through it and continue on the challenging path of inspiring future leaders today. This book is a Collection of 1 200 Motivational Quotations from famous and successful people from across the globe and throughout history. This report presents diversified viewpoints and beliefs as it encompasses the quotes of a broad range of people including business professionals, entrepreneurs, philanthropists, writers, academicians, and various educators. This Unique amenity gives the reader a remarkable medley of Motivation that stems from various walks of life. With Negative forces rearing their ugly head daily, educators need motivation and positive energy boost to balance out the effect and to push forward with gusto. One effective method of keeping spirits high is by reading about the life experiences, hardships, and triumphs of others, as it proves that successful is the one who overcomes the hardships and stays determined and optimistic throughout the process. This book is also an invaluable tool for your students as well. Imagine the effects of starting or ending each class period with an inspirational statement and words of encouragement. Especially on those days where test papers are being returned, this list of invigorating quotations will motivate both you and your students to practice the critical principles of goal setting, innovation, integrity, perseverance, hard work, and of course, optimism during times of trial by fire.
