El Sida En Puerto Rico Acercamientos Multidisciplinarios:

The HIV/AIDS Epidemic in Puerto Rico United States. National Commission on Acquired Immune Deficiency Syndrome,1992 **La Epidemia Del VIH/SIDA en Puerto Rico** United States. National Commission on Acquired Immune Deficiency Syndrome,1992 *The Impact of AIDS: Psychological and Social Aspects of HIV Infection* Jose Catalan,Barbara Hedge,1997-05-22 This volume contains a selection of key contributions to the discussion on the psychological and social implications on HIV infection It contains up to date and authoritative papers by senior practitioners and researchers in the field of the psychological and social aspects of HIV infection The book will appeal to those involved in providing care *The Continuum Complete International Encyclopedia of Sexuality* Robert T. Francoeur,Raymond J. Noonan,2004-01-01 A completely updated one volume edition of the 4 volume International Encyclopedia of Sexuality Includes nearly 60 countries and places 12 not previously covered by more than 200 authorities It is the only reference work of its kind in any language

El SIDA en Puerto Rico ,1991 **The Impact of Aids** Jose Catalan,Barbara Hedge,Lorraine Sherr,2020-09-29 First Published in 1997 From the start of the HIV epidemic the psychological and social aspects of the AIDS infection have been recognized This volume contains a selection of key contributions to the discussion on the psychological and social implications of such infection **Island Paradox** Francisco Rivera-Batiz,Carlos E. Santiago,1996-11-21 One of the year s best books on Puerto Rico El Nuevo Dia San Juan The authors are highly regarded labor economists who have written extensively and intelligently in the past and again in this volume on Puerto Rican migration and labor markets There is abundant statistical data and careful analysis some of which challenges the conventional wisdom Highly recommended Choice Island Paradox is the first comprehensive census based portrait of social and economic life in Puerto Rico During its nearly fifty years as a U S commonwealth the relationship between Puerto Rico s small developing economy and the vastly larger more industrialized United States has triggered profound changes in the island s industry and labor force Puerto Rico has been deeply affected by the constant flow of its people to and from the mainland and by the influx of immigrant workers from other nations Distinguished economists Francisco Rivera Batiz and Carlos Santiago provide the latest data on the socioeconomic status of Puerto Rico today and examine current conditions within the context of the major trends of the past two decades Island Paradox describes many improvements in Puerto Rico s standard of living including rising per capita income longer life expectancies greater educational attainment and increased job prospects for women But it also discusses the devastating surge in unemployment Rapid urbanization and a vanishing agricultural sector have led to severe inequality as family income has become increasingly dependent on education and geographic location Although Puerto Rico s close ties to the United States were the major source of the island s economic growth prior to 1970 they have also been at the root of recent hardships Puerto Rico s trade and business transactions remain predominantly with the United States but changes in federal tax social and budgetary policies along with international agreements such as NAFTA now threaten to alter the

economic ties between the island and the mainland Island Paradox reveals the social and family changes that have occurred among Puerto Ricans on the island and the mainland The significant decline in the island's population growth is traced in part to women's increased pursuit of educational and employment opportunities before marrying More children are being raised by singleparents but this stems from a higher divorce rate and not a rise in teenage pregnancy The widespread circular migration to and from the United States has had strong repercussions for the island's labor markets and social balance leading to concerns about an island brain drain The Puerto Rican population in the United States has become increasingly diverse less regionally concentrated and not as some have claimed in danger of becoming an underclass Within a single generation Puerto Rico has experienced social and economic shifts of an unprecedented magnitude Island Paradox charts Puerto Rico's economic fortunes summarizes the major demographic trends and identifies the issues that will have the strongest bearings on Puerto Rico's prospects for a successful future A Volume in the Russell Sage Foundation Census Series

The COSSMHO Reporter, 1989 **Current Catalog** National Library of Medicine (U.S.), 1993-04 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.), 1993 *What it Means to be a Man* Rafael L. Ramírez, 1999 What It Means to Be a Man begins with a discussion of machismo set in the context of the social construction of masculinity Ram rez presents his interpretation of what it means to be a Puerto Rican man discussing the attributes and demands of masculinity and pointing out the ways in which strength competition and sexuality are joined with power and pleasure He examines the erotic relationships between men as part of the expressions of masculinity and analyzes how the homosexual experience reproduces the dominant masculine ideology **Centro de Estudios Puertorriqueños Bulletin**, 1992 *The International Encyclopedia of Sexuality: India to South Africa* Robert T. Francoeur, 1997 Recipient of the Citation of Excellence for an Outstanding Reference Work of Sexology awarded by the American Foundation for Gender and Genital Medicine and Science at the Thirteenth World Congress of Sexology Valencia Spain **Acercamiento multidisciplinario sobre la adolescencia en el Caribe** Ruth Nina Estrella, 2008 **Sexualidad y el VIH/SIDA**, 1999

Handbook of Latin American Studies Dolores Moyano Martin, P. Sue Mundell, 1997-12-01 Beginning with volume 41 1979 the University of Texas Press became the publisher of the Handbook of Latin American Studies the most comprehensive annual bibliography in the field Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 130 specialists in various disciplines the Handbook alternates from year to year between social sciences and humanities The Handbook annotates works on Mexico Central America the Caribbean and the Guianas Spanish South America and Brazil as well as materials covering Latin America as a whole Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research underway in specialized areas The Handbook of Latin American Studies is the oldest continuing reference work in the field Dolores Moyano Martin of the Library of Congress Hispanic Division has been the editor since 1977 and P Sue Mundell has been assistant editor since 1994

The subject categories for Volume 55 are as follows Anthropology including Archaeology and Ethnology Economics Electronic Resources for the Social Sciences Geography Government and Politics International Relations Sociology *AIDS Bibliography* ,1993 **Estado y criminalidad en Puerto Rico** Madeline Román,1993 *Latina Health in the United States* Marilyn Aguirre-Molina,2003-09-29 *Latina Health in the United States* identifies and offers an in depth examination of the most critical health issues that affect Latinas health and health care within the United States In this comprehensive resource the contributors examine a wide variety of topics that address Latina women s health concerns such as sexual and reproductive health issues chronic conditions such as heart disease cancer and diabetes the impact of alcohol tobacco and other drugs mental health issues adolescent health and rural and migrant occupational health *Latina Health in the United States* is a unique guide to the health and well being of the women in our country s fastest growing population This edited volume is a much needed and timely collection comprehensively mapping out the issues most central to Latina health today The collection raises not only issues central to research and scholarship on Latina health it also serves as a guide for future policy decisions in regard to Latina health *Latina Health in the United States* stands as a definitive collection for years to come Natalia Molina associate professor of ethnic studies University of California San Diego An extraordinarily valuable volume detailing and analyzing the complex realities of Latina health in the U S and the social cultural and economic factors that influence them Essential reading written by the best in the field for health workers public health professionals educators students and other caregivers Ruth Sidel professor of sociology Hunter College and author *Keeping Women and Children Last America s War on the Poor* *Centro Journal* ,1992
