The Secret of Chimneys is a work of detective fiction by British writer Agatha Christie first published in the UK by The Bodley

Head in June 1925 and in the US by Dodd Mead and Company later in the same year It introduces the characters of

Superintendent Battle and Lady Eileen Bundle Brent At the request of George Lomax Lord Caterham reluctantly agrees to

host a weekend party at his home Chimneys A murder occurs in the house beginning a week of fast paced events with police

among the guests The novel was well received at first publication described as more than a murder mystery as it is a treasure

hunt Later reviews found it a first class romp and one of the author s best early thrillers The most recent review says the

novel requires a hefty suspension of disbelief The later reviewers note that descriptions of characters use the terminology of
