The Power Struggles over the Post-neoliberal Social Security System Reforms in Venezuela and Ecuador Ezequiel Luis Bistoletti, 2018-08-25 This book carries out a comparative analysis of the power struggles over the post neoliberal social security reforms in Venezuela and Ecuador The research breaks down why the social security system reform initiated by Hugo Chavez government in Venezuela has come down since its passing in 2002 whereas the social security system reform initiated by Rafael Correa's government in Ecuador has come along in spite of the obstacles since 2007 All in all the analysis determined that the struggles over the social security system reforms in both countries remarkably corresponded to each other with regard to their structural conditions points of contention and contending actors In contrast the analysis established substantial divergences regarding the ways in which the struggles over both reforms came about due to the divergent development of the struggles for hegemony between government and opposition These divergences finally brought about the indefinite stagnation of the reform in Venezuela and the advancement of subsequent partial reforms aimed at the universalization of social security in Ecuador

Universos paralelos José Rodríguez-Quintero, 2019-04-18 Este libro da respuesta a una de las hipótesis más

sorprendentes de la ciencia actual la de que nuestro universo es solo uno de entre una infinidad de mundos posibles Si bien puede parecer una idea propia de la ciencia ficción del cómic o del cine vemos aquí que el concepto de multiverso tiene apoyo científico Desde la mecánica cuántica desde la teoría M veremos las probabilidades de su existencia **Dios y El ADN** Jorge Méndez Zayas,2025-01-24 Dios y el ADN es una actualización de toda una serie de investigaciones científicas que se han ido desarrollando a través del desarrollo del pensamiento científico del hombre A medida que el hombre ha ido profundizando en las leyes de la materia ha podido comprobar toda una serie de realidades existentes que tiempo atrás parecían imposibles de saber El ADN Energético o Cósmico es el que dispone manda escoge y ordena de la forma que hay que organizar el ADN Biológico al momento de la concepción codificando así las características físicas ideales y perfectas para la nueva experiencia de la vida En consecuencia tanto el ADN Biológico con el ADN Energético son en sí un identificador individual de todo el universo No existe un ADN Energético junto a un ADN Biológico igual en todo el Universo **Firmament12** King Ram,2019-02-25 This book is named from heavens to earth written directly from my hands of course in the explanation from the beginning how my life has been unfolded and conducted under the hardness of my creator and the discovery at the end of time that Mother Earth is the producer of all that we can observe and that Celestial King is created under this sanctity and is set to govern all that it creates In this way Craon God continues to create and at the same time Mother Earth also produces This is that we cannot understand the psychology to which we are placed but we must understand that we must kneel down to God and to Mother Earth because even God kneels down himself Celestially there is this high force that cannot be destroyed but we must obey him as we are taught by our only begotten God and do not doubt that our forces will not decay in silence but in a force that is not invented I am declaring it today and with the presence of my paintings in this second book called Firmament12 I will explain that everything has been studied by me since the beginning of my life focusing my studies on everything I have been able to observe and posing from time to time to let them know my face It is something I can leave to be recognized in time and that my presence is legitimate today and that my offspring is also presented in this book descendant Maya Of course this is the race that God has chosen from the beginning I know you cannot understand but I leave you with this thinking with my stay here on Earth I am the son of man from the land of the Holy Spirit Of course humanity does not understand why they say that God acts in a mysterious way It is clear that Mother Earth is in charge of creating everything that pleases her and she gives them to the only begotten saint to govern it It is that in this form they homosexuals and lesbians are created under this divine order For that reason the Holy begotten King has had to provide a perfect plan so that all the creations are modified with a holy and celestial order which is his last covenant and he declares it in Jeremiah 31 33 34 With this perfect plan it is pleasing to our Mother Earth Note that the heart has no gender
