Cruel but Not Unusual Ramona Alaggia, Cathy Vine, 2013-05-21 Violence in families and intimate relationships affects a significant proportion of the population from very young children to the elderly with far reaching and often devastating consequences Cruel but Not Unusual draws on the expertise of scholars and practitioners to present readers with the latest research and thinking about the history conditions and impact of violence in these contexts For this new edition chapters have been updated to reflect changes in data and legislation New chapters include an examination of trauma from a neurobiological perspective a critical analysis of the gender symmetry debate a debate that questions the gendered nature of intimate violence and an essay on the history and evolution of the women's movement dedicated to addressing violence against women which advances theoretical developments that remind readers of the breadth of inclusivity that should be at the heart of working in this field

Gerontological Social Work Practice Enid Opal Cox, Rosemary

Chapin, Elizabeth Kelchner, 2014-02-25 What are the challenges facing gerontological social workers today and in the near future This book gives you an essential overview of the role status and potential of gerontological social work in aging societies around the world Drawing on the expertise of leaders in the field it identifies key policy and practice issues and suggests directions for the future Here you ll find important perspectives on home health care mental health elder abuse older workers issues and death and dying as well as an examination of the policy and practice issues of utmost concern to social workers dealing with the elderly With *Gerontological Social Work Practice Issues Challenges and Potential* you ll explore the differences between real situations and what demographics lead one to expect the need for social workers to focus on economic political and social issues in order to promote positive change the long term care insurance issues facing elderly Japanese citizens a Canadian perspective on social work practice with aging people practice techniques to use with aging African Americans strengths based and empowerment oriented ways to work with frail elderly the impact of multiculturalism on social policy and much more ***Growing Old in America*** Beth Hess, 2020-03-02 Modern industrial societies are characterized by long term declines in fertility and steady increases in life expectancy Together these trends result in an aging population The United States is no exception since 1969 the median age has risen from 29 4 to a projected 36 4 in the year 2000 This fourth edition of the standard reader on the sociology of aging has been completely revised with 90 percent new material to reflect new information and new issues in this rapidly developing field Students and practicing professionals will find it a lively accessible overview **Professional Care for the Elderly Mentally Ill** Liz Matthew, 2013-11-11 Services to older people with mental health problems have gone through radical change in recent years Legislation has had a profound effect by dictating how care to older people is delivered both within hospital and within the community The recent government agenda emphasizes cost effectiveness value for money and accountability This too is an important driving force in re evaluating the service although not everyone would agree with many of the proposed strategies and there are clearly different views as to the appropriateness of many of the services One thing is certain however the move towards interdisciplinary working is here to stay Not all change has been led by legislation and many innovations have been founded in the day to day practices in the care of older people with mental health problems A service of course does not become integrated merely by imposing joint working on a number of professionally based disciplines and in many ways this may not be desirable At its worst it produces duplication where people from different background are all doing the same job This is not the intention of joint working instead it should attempt to improve the quality of service by a rich mix of skills and experience from a number of related disciplines **Aging** Harry R. Moody, 2006-01-13 Welcome to the world s most unique and dynamic textbook on aging Widely praised and adopted in previous editions the Fifth Edition of *Aging* once again presents key issues in an engaging and accessible fashion Organized unlike any other traditional textbook author Harry R. Moody presents basic concepts followed by controversies supported by carefully chosen adapted readings The result is the
