**New-Dialect Formation in Canada** Stefan Dollinger, 2008-01-15 This book details the development of eleven modal auxiliaries in late 18th and 19th century Canadian English in a framework of new dialect formation The study assesses features of the modal auxiliaries tracing influences to British and American input varieties parallel developments or Canadian innovations The findings are based on the Corpus of Early Ontario English pre Confederation Section the first electronic corpus of early Canadian English The data which are drawn from newspapers diaries and letters include original transcriptions from manuscript sources and texts from semi literate writers While the overall results are generally coherent with new dialect formation theory the Ontarian context suggests a number of adaptations to the current model In addition to its general Late Modern English focus New Dialect Formation in Canada traces changes in epistemic modal functions up to the present day offering answers to the loss of root uses in the central modals By comparing Canadian with British and American data important theoretical insights on the origins of the variety are gained The study offers a sociohistorical perspective on a still understudied variety of North American English by combining language internal features with settlement history in this first monograph length diachronic treatment of Canadian English in real time **Indians,**

Alice Walker, 2012-09-11 Three novels by a New York Times bestselling author including the Pulitzer Prizewinner *The Color Purple* that speak to the African experience in America *The Color Purple* is Alice Walker's stunning Pulitzer Prize winning novel of courage in the face of oppression Celie grows up in rural Georgia navigating a childhood of ceaseless abuse Not only is she poor and despised by the society around her she's badly treated by her family As a teenager she begins writing letters directly to God in an attempt to transcend a life that often seems too much to bear Her letters span twenty years and record a journey of self discovery and empowerment through the guiding light of a few strong women and her own implacable will to find harmony with herself and her home In *The Temple of My Familiar* Celie and Shug from *The Color Purple* follow the lives of a brilliant cast of characters all dealing in some way with the legacy of the African experience in America From recent African immigrants to a woman who grew up in the mixed race rainforest communities of South America to Celie's own granddaughter living in modern day San Francisco all must come to understand the brutal stories of their ancestors to come to terms with their own troubled lives *Possessing the Secret of Joy* portrays Tashi's tribe the Olinka where young girls undergo genital mutilation as an initiation into the community Tashi manages to avoid this fate at first but when pressed by tribal leaders she submits Years later married and living in America as Evelyn Johnson Tashi's inner pain emerges As she questions why such a terrifying disfiguring sacrifice was required she sorts through the many levels of subjugation with which she's been burdened over the years Hailed by the *Washington Post* as one of the best American writers of today Alice Walker is a master storyteller and a major voice in modern literary fiction Includes a new letter written by the author on *The Temple of My Familiar*

Lesbian Modernism English Elizabeth English, 2014-11-11 The first book length study to explore the importance of genre fiction for the body of literature we call lesbian modernism Elizabeth English explores the aesthetic dilemma prompted by the censorship of Radclyffe Hall's novel *The Well of Loneliness* in 1928 Faced with legal and financial reprisals women writers were forced to question how they might represent lesbian identity and desire Modernist experimentation has often been seen as a response to this problem but English breaks new ground by arguing that popular genre fictions offered a creative strategy against the threat of detection and punishment Her study examines a range of responses to this dilemma by offering illuminating close readings of fantasy crime and historical fictions written by both mainstream and modernist authors English introduces hitherto neglected women writers from diverse backgrounds and draws on archival material examined here for the first time to remap the topography of 1920s 1940s lesbian literature and to reevaluate the definition of lesbian modernism Key Features Rethinks the lesbian modernist project to demonstrate that genre fiction not only influenced modernist writers such as Woolf and Stein but also found its way into their ostensibly highbrow work Brings to light hitherto neglected mainstream writers working in popular genres who contributed to the lesbian modernist aesthetic Situates Katharine Burdekin within the context of lesbian modernism for the first time employing

hitherto unseen archive material including letters and manuscripts Divided into three broad multi author genres fantasy historical and detective fictions the study covers popular fictions such as utopian writing the supernatural historical biography historical romance and the classic country house crime novel     The Changing Face of Corpus Linguistics Antoinette Renouf, Andrew Kehoe, 2016-08 Preliminary Material Antoinette Renouf and Andrew Kehoe The corpus user s chorus Based on The Major General s Song from Gilbert and Sullivan s The Pirates of Penzance Antoinette Renouf and Andrew Kehoe Introduction The changing face of corpus linguistics Antoinette Renouf and Andrew Kehoe Oh Canada Towards the Corpus of Early Ontario English Stefan Dollinger Favoring Americanisms vs before and in Early English in Australia A corpus based approach Clemens Fritz Computing the Lexicons of Early Modern English Ian Lancashire EFL dictionaries grammars and language guides from 1700 to 1850 testing a new corpus on points of spokenness Manfred Markus The Old English Apollonius of Tyre in the light of the Old English Concordancer Antonio Miranda Garc a Javier Calle Mart n David Moreno Olalla and Gustavo Mu oz Gonz lez Prediction with SHALL and WILL a diachronic perspective Maurizio Gotti Circumstantial adverbials in discourse a synchronic and a diachronic perspective Anneli Meurman Solin and P iivi Pahta Changes in textual structures of book advertisements in the ZEN Corpus Caren auf dem Keller Curtains like these are selling right in the city of Chicago for USD 1 50 The mediopassive in American 20th century advertising language Marianne Hundt Recent grammatical change in written English 1961 1992 some preliminary findings of a comparison of American with British English Geoffrey Leech and Nicholas Smith Social variation in the use of apology formulae in the British National Corpus Mats Deutschmann How recent is recent On overcoming interpretational difficulties G ran Kjellmer Looking at looking Functions and contexts of progressives in spoken English and school English Ute R mer Ditransitives the Given Before New principle and textual retrievability a corpus based study using ICECUP Gabriel Oz n The Spanish pragmatic marker pues and its English equivalents Anna Brita Stenstr m WebCorp A tool for online linguistic information retrieval and analysis Barry Morley Diachronic linguistic analysis on the web with WebCorp Andrew Kehoe New ways of analysing ESL on the WWW with WebCorp and WebPhraseCount Josef Schmied I m like Hey it works Using GlossaNet to find attestations of the quotative be like in English language newspapers C drick Fairon and John V Singler Corpus linguistics and English reference grammars Joybrato Mukherjee Tracking ongoing grammatical change and recent diversification in present day standard English the complementary role of small and large corpora Christian Mair but it will take time points of view on a lexical grammar of English Michaela Mahlberg Corpus linguistics grammar and theory Report on a panel discussion at the 24th ICAME conference Jan Aarts     *The Witches of Echo Park* Amber Benson, 2015-01-06 First in a spellbinding series about a coven of witches living in L A from Amber Benson author of the Calliope Reaper Jones novels Unbeknownst to most of humankind a powerful network of witches thrives within the shadows of society using magic to keep the world in balance But the witches are being eliminated and we will all pay if their power falls When Lyse MacAllister s great aunt Eleanora the
