Shifting Power in Asia-Pacific? Enrico Fels,2016-11-03 This book investigates whether a power shift has taken place in the Asia Pacific region since the end of the Cold War By systematically examining the development of power dynamics in Asia Pacific it challenges the notion that a wealthier and militarily more powerful China is automatically turning the regional tides in its favour With a special emphasis on Sino US competition the book explores the alleged linkage between the regional distribution of relevant material and immaterial capabilities national power and the much cited regional power shift The book presents a novel concept for measuring power in international relations by outlining a composite index on aggregated power CIAP that includes 55 variables for 44 regional countries and covers a period of twenty years Moreover it develops a middle power theory that outlines the significance of middle powers in times of major power shifts By addressing political military and economic cooperation via a structured focused comparison and by applying a comparative historical analysis the book analyses in depth the bilateral relations of six regional middle powers to Washington and Beijing

"Oil for the Lamps of China" Bernard D. Cole,2003 In 1933 Alice Tisdale Hobart wife of the Standard Oil Company of New Jersey manager in Nanking published Oil for the Lamps of China Hobart had traveled widely in China and proved to be a very observant imperialist Her fictional account of her experiences not surprisingly focused on the role played by Western businessmen especially those engaged in importing and selling petroleum products One thread that runs through her work is Chinese dependence on foreign sources of energy supplies which remains the case today This dependence on foreign controlled sources means that Beijing s efforts to ensure the availability of energy resources adequate to fuel the nation s economic growth have important national security implications

The Evolving Maritime Balance of Power in the Asia-Pacific Lawrence W. Prabhakar,Joshua Ho,Walter Samuel Grono Bateman,2006 The Asia Pacific region has emerged as the hub of global geo political geo economic and geo strategic significance in the post Cold War period The rise of China and the resurgence of India will be the hallmark for the next 50 years How this surge in power is accommodated by the incumbent powers like the United States and Japan and how the new regional powers like China and India manage the power politics that emerge will be the key determinants of regional stability This volume examines the national maritime doctrines as well as the nuclear weapons developments at sea of the four major powers in the Asia Pacific namely China India Japan and the United States to see if the evolving dynamic is a cooperative or a competitive one In particular the volume looks at the evolving paradigms of maritime transformation in strategy and technology the emergent new maritime doctrines and evolving force postures in the naval orders of battle the role and operations of nuclear navies in the Asia Pacific and the implications and impact of nuclear weapons ballistic missiles

and sea based missile defence responses in the region **Asia and Pacific Review 2003/04** Kogan Page,2003 Covering the whole of Asia and the Pacific region this text provides both an analytic overview and specific data for each of the 60 countries Introductory chapters cover regional issues including a regional review with the year s trends developments and key events analysis of the threat of terrorism in the region the effects of deflation on the economy the water crisis and its impact on the poor and the successes and failures of micro credit in the region political and economic surveys identifying the trends developments problems and solutions country profiles including information on economic sectors political parties and systems demographics and languages key facts and analysis of vital statistics business guide offering practical information for visitors to the country including local contact addresses key indicators setting out the country s key economic indicators between 1998 and 2003 *ASEAN and the Institutionalization of East Asia* Ralf Emmers,2011-09-28 This book examines the evolving multilateral security arrangements in East Asia with a focus on the role of the Association of Southeast Asian Nations ASEAN It explores the function and relevance of ASEAN in East Asia s emerging institutional security landscape These issues have direct implications for the future of the ASEAN Security Community the relevance of the ASEAN cooperative model to wider regional arrangements and finally for the further institutionalization of great power relations within these multilateral structures The book highlights ASEAN s successes and shortcomings It also considers ASEAN led institutions in the wider region and goes on to analyse alternative approaches to regionalism including the China Japan South Korea Trilateral Summit Overall it assesses how the various initiatives are likely to develop concluding that ASEAN despite its shortcomings is likely to continue to play a key role *Asia-Pacific Economic Update* ,2005 **Asia-Pacific Security Cooperation: National Interests and Regional Order** See Seng Tan,2014-12-18 New developments in the Asia Pacific are forcing regional officials to rethink the way they manage security issues The contributors to this work explore why some forms of security cooperation and institutionalisation in the region have proven more feasible than others This work describes the emergence of the professions in late tsarist Russia and their struggle for autonomy from the aristocratic state It also examines the ways in which the Russian professions both resembled and differed from their Western counterparts
