Roald Dahl

Roald Dahl was born in the United Kingdom, in 1916. His parents came from Norway and moved to Britain before Roald was born. At home he spoke Norwegian with his parents and his sisters, but at school he used only English.

He went to several different schools, but he was not a good student. He was afraid of older boys during this time and often felt scared. After leaving school he had many different jobs. During this time, he learned to fly an airplane. He got an award for bravery because he helped people in the war.

His most famous book, *Charlie and the Chocolate Factory*, was published in 1964. Chocolate was one of Roald's favourite foods and as a child he dreamt of being a chocolate producer. *Willy Wonka* is a famous character from this book. It is still a very popular book.
