G Washington Bear:

G. Washington Bear Rachel N. Pittman,1984-12-01 This is a story about a special little bear whose desire to see more of the world led him to a new land and to adventures beyond his fondest dreams He was rescued by a young man who later became Father of Little Bear s new homeland The two became fast friends and shared many happenings in their country s history Word from the Author George Washington's Surprise Attack Phillip Thomas Tucker,2016-08-23 Extensively researched and superbly argued in Tucker s compelling narrative this in depth examination of George Washington s military miracle at the Battle of Trenton unquestionably confirms the vital importance of that stunning victory Jerry D Morelock PhD editor in chief at Armchair General Like many historical events the American Revolution is sometimes overlooked ignored or minimized by historians because of common shrouding in romantic myth or interference from stubborn stereotypes Here historian Phillip Thomas Tucker provides an in depth look at the events of the Battle of Trenton weeding out fiction and legend and presenting new insights and analysis Stories from many forgotten individuals of the war including officers and soldiers from both sides bring to life the Continental Army s desperate circumstances and shocking victory Myths that Tucker debunks include the Hessians slovenly drunkenness Washington acting alone in creating the attack strategy and Rall s incompetence as a leader largely contributing to his troops defeat By exploring the forgotten aspects of one of America s most famous battles revealing Trenton s story proves to be even more fascinating In the end America s founding was nothing short of miraculous and no chapter of America s story was more miraculous than Washington s improbable success at the battle of Trenton where America s fate was decided to almost everyone s amazement on a dark snowy morning Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **The Wedding of G. Washington Bear** Rachel N. Pittman,1986-10-01 This is the story of a spirited little female bear whose transplantation to the United States is recounted as well as her eventual move from Pennsylvania to Mount Vernon The narrative culminates in her marriage to another unusual bruin who was already living with the Washingtons Word from the Author *Childhood Days in Washington's Time* Florence Cornelia Fox,1931 The Curse of Satan's Collar John W. Miller,2008-04-29 He was big the biggest of the litter big enough to wrestle bears and he did two maybe more but he killed many When he woke up in that black inky night he couldn t see thought he was blind and had a massive hangover from his Daddy s Cherry Jump moonshine A buzzard had died in his mouth and with it came rotten dog breath A headache like someone had hit him with a pole axe made him feel like he was dead dead as four o clock And did he smell Wow His torn bib overalls were soaked in sour mash

Other than not knowing where he was he still thought he was alright and that too was a problem Was there any hope or any salvation Luckily he had been weather hardened by war He stood up and he tired to walk but ran into something It knocked him down When he fell he heard something rattle It was a trace chain attached to a leather dog collar around his neck But in the inky dark he couldn t see his hand in front of him He got up again and found the trace chain wrapped around a tree and locked Shocked he screamed out Goddamn I m chained to a tree then screamed louder They have chained me to a tree like a wild cur dog Now mad as hornet with his stinger busted he felt around and found something else about the tree This time he screamed even louder Son of a bitch It s my goddamn tree Who in the hell would chain me to my own tree He sat back down against the family tree stunned and then realized It s got to be my family Chained me like a goddamn cur dog to a tree But which one of them would have the nerve to do this to ME Then he realized it could be only one person He stood up and screamed Mama Then he fell down again pounded the ground cried like his heart tore out He got up off the ground went into a wild man s rage then fainted with exhaustion Then he got sick tried to walk but threw up all over himself And the chain snatched him back and down into his vomit it was all over him like those bugs He pounded the ground with his fist wondering how in the world he had gotten here and where he was Again and again he got up Each time he tried to walk in another direction but the chain snatched him off his feet and back down on the ground and into his rotten vomit It didn t matter what direction he walked Finally exhausted he couldn t get back on his feet Still he kept asking himself Where in the hell am I and who in the hell put this collar on me All night he shouted and wallowed in his vomit like an itchy old fat hog taking a bath in new mud He heard no one come in the dark silent black night Thank God His vomit smell finally ran the goddamn bugs off his body and away

AUTHOR REVIEWS Another one of the best of the best has an eye for writing more good novels Just Great What can a person do when they read a story like this one You have the knack for telling stories from the Blue Ridge Mountains Just keep it up and I ll keep looking for another book Hyway94 Everywhere USA I like the back story flash back that leads in Very well written and has great flow about something I know nothing about Isle of Travey Auckland 1172 New Zealand Another highly written book written in your unique style and I loved the antics in this one You are so gifted to have such a unique spelling ability rivki1111 USA This is the very best chapter 54 of your novel Of course I am so glad the villain got his come up ins Dredd reminded me of one of my ex husbands You ve got a great book here Oatmeal Camille Whitman USA You have a talent for realistic character engaging dialogs

FERC. ,1980 *George Washington's Military Genius* Dave Richard Palmer,2012-05-28 Discusses George Washington s military strategies during the American Revolution and how his particular tactics aided in defeating the British army including his utilization of European training techniques and his moral leadership

George Washington's False Teeth Robert Darnton,2003 A collection of articles concentrated on the Enlightenment in France argues for a scaled down interpretation of the significance of the movement

USDA Forest Service ,1994 *History of the George Washington Bicentennial Celebration* United States George Washington

Bicentennial Commission,1932 *George Washington's Mount Vernon* Robert F. Dalzell Jr.,Lee Baldwin Dalzell,2000-02-24

George Washington's Mount Vernon brings together for the first time the details of Washington's 45 year endeavor to build and perfect Mount Vernon. In doing so it introduces us to a Washington few of his contemporaries knew and one little noticed by historians since. Here we meet the planter patriot who also genuinely loved building a man passionately human in his desire to impress on his physical surroundings the stamp of his character and personal beliefs. As chief architect and planner of the countless changes made at Mount Vernon over the years Washington began by imitating accepted models of fashionable taste but as time passed he increasingly followed his own ideas. Hence architecturally as the authors show Mount Vernon blends the orthodox and the innovative in surprising ways just as the new American nation would. Equally interesting is the light the book sheds on the process of building at Mount Vernon and on the people slave and free who did the work. Washington was a demanding master and in their determination to preserve their own independence his workers often clashed with him. Yet as the Dalzells argue that experience played a vital role in shaping his hopes for the future of American society, hope that embraced in full measure the promise of the revolution in which he had led his fellow citizens, George Washington's Mount Vernon thus compellingly combines the two sides of Washington's life: the public and the private and uses the combination to enrich our understanding of both. Gracefully written with more than 80 photographs, maps and engravings, the book tells a fascinating story with memorable insight.

George Washington's Enforcers Harry M. Ward,2009-10-08

A well disciplined army was vital to win American independence but policing soldiers during the Revolution presented challenges. George Washington's Enforcers: Policing the Continental Army examines how justice was left to the overlapping duties of special army personnel and how an improvised police force imposed rules and regulations on the common soldier. Historian Harry M. Ward describes these methods of police enforcement emphasizing the brutality experienced by the enlisted men who were punished severely for even light transgressions. This volume explores the influences that shaped army practice and the quality of the soldiery: the enforcement of military justice, the use of guards as military police and the application of punishment. Washington's army, which adopted the organization and justice code of the British army, labored under the direction of ill trained and arrogant officers. Ward relates how the enlisted men, who had a propensity for troublemaking and desertion, not only were victims of the double standard that existed between officers and regular troops but also lacked legal protection in the army. The enforcement of military justice afforded the accused with little due process support. Ward discusses the duties of the various personnel responsible for training and enforcing the standards of behavior, including duty officers, adjutants, brigade majors, inspectors and sergeant majors. He includes the roles of life guards, camp guards, quarter guards, picket men and safe guards whose responsibilities ranged from escorting the commander in chief, intercepting spies and stragglers and protecting farmers from marauding soldiers to searching for deserters, rounding up unauthorized personnel and looking for delinquents in local towns and taverns. George Washington's

Enforcers which includes sixteen illustrations also addresses the executions of the period as both ritual and spectacle and the deterrent value of capital punishment Ward explains how Washington himself mixed clemency with severity and examines how army policies tested the mettle of this chief disciplinarian who operated by the dictates of military necessity as perceived at the time **Railway Age** ,1932 Victory in 2024 George Washington's Last War MMXXIV Don Ray Hope,2014-10-29 Don Ray Hope has unlocked how similar events repeat with mathematical precision throughout history God designed His perfect universe this way Thus with mathematics you can predict the future The forecasts of Washington Daniel Ezekiel Jesus and other prophets are arranged in a specifically dated timeline and the future of America is laid out in stunning detail America is at a turning point Most Americans will not live to see 2024 will you The guideposts are contained herein The families that own the Federal Reserve are the same families that nearly one hundred years ago inflated the German mark to worthlessness The result was WWII and the destruction of Germany The USA shall suffer the same fate The dollar will collapse WWIII will break out and the US government will collapse and be destroyed The truth God told George Washington via an Angel at Valley Forge was that later America will rise from the ashes of this war and that America s Victory is guaranteed The Great Dismal Swamp in Myth and Legend , **New York Teachers' Monographs** ,1916 **Staff Report on Retired Hydropower Plants in the United States** United States. Office of Electric Power Regulation,1980 Field & Stream ,1971-08 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations George Washington's Smallest Army Grandpa Dennis,2009-02-04 George Washington s Smallest Army is a fanciful feel good tale of three critters who live around Miller s Pond in Pennsylvania and how they help George Washington at a critical time in the Revolutionary War Before they help him a wise owl teaches a young frog to speak other critter languages and they later recruit a third critter a white mouse to help them civilize the critters around the pond They save the life of a large wolf and later meet George Washington who has just been chased out of New Jersey by the Redcoats At this point they create a clever plan that helps George build confidence to later cross the Delaware River and defeat the Redcoats at Trenton and Princeton The story is consistent with historic accounts of the Revolutionary War and one must wonder did it really happen this way It s possible maybe **Coins and Coinage** Andrew Madsen Smith,1881

Unveiling the Magic of Words: A Overview of "**G Washington Bear**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**G Washington Bear**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve to the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.
