Hurry Walter, There Is a Possum in the Hen House Cricket Webb, 2020-03-13 The book was created over the years of true stories of what happened to a family that some will say no way could happen I promise you there is no way this stuff could ever be made up One person in the family loved the stories and could always tell them as they happened and pretend to be each person in every occurrence The family had encouraged this person for years to write the stories into a book so others could laugh as well It seemed all stories you could buy in this day and time were criminal fast pace stories sad stories love stories murders trials well you get the idea It was time for a humorous book that was about real people and real stories that were honestly true You will notice the family has a huge heart for animals and people in need and sometimes their huge heart for animals could cause them lack of sleep but they never seemed to mind to help with some of God s chores They were laboring working class people who were as honest as the day is long They kept their nose in their own business even though they may not understand some of the stuff that was going on with their neighbors It still was none of their business What was their business however was taking care of grandkids great grandkids and all the animals that made up the zoo there on the farm and all the fun stuff that came along with it They were not ashamed to tell their stories It happens to everyone some people want to act like it never happens to them I promise you at some time in your life you will step into some dog poop
