The Caribbean Story Finder Sharon Barcan Elswit, 2017-09-11 The Caribbean islands have a vibrant oral folklore In Jamaica the clever spider Anansi who outsmarts stronger animals is a symbol of triumph by the weak over the powerful The fables of the foolish Juan Bobo who tries to bring milk home in a burlap bag illustrate facets of traditional Puerto Rican life Conflict over status identity and power is a recurring theme in a story from Trinidad a young bull raised by his mother in secret challenges his tyrannical father who has killed all the other males in the herd One in a series of folklore reference guides by the author this volume shares summaries of 438 tales some in danger of disappearing retold in English and Creole from West African European and slave indigenous cultures in 24 countries and territories Tales are grouped in themed sections with a detailed subject index and extensive links to online sources *Gabriel's Rebellion* Douglas R. Egerton, 2000-11-09 Gabriel's Rebellion tells the dramatic story of what was perhaps the most extensive slave conspiracy in the history of the American South Douglas Egerton illuminates the complex motivations that underlay two related Virginia slave revolts the first in 1800 led by the slave known as Gabriel and the second called the Easter Plot instigated in 1802 by one of his followers Although Gabriel has frequently been portrayed as a messianic Samson like figure Egerton shows that he was a literate and highly skilled blacksmith whose primary goal was to destroy the economic hegemony of the merchants the only whites he ever identified as his enemies According to Egerton the social political and economic disorder of the Revolutionary era weakened some of the harsh controls that held slavery in place during colonial times Emboldened by these conditions a small number of literate slaves most of them highly skilled artisans planned an armed insurrection aimed at destroying slavery in Virginia The intricate scheme failed as did the Easter Plot that stemmed from it and Gabriel and many of his followers were hanged By placing the revolts within the broader context of the volatile political currents of the day Egerton challenges the conventional understanding of race class and politics in the early days of the American republic

incluye mas de 400 titulos bilingues para ninos la mayoria de ellos libros de ilustraciones ademas de publicaciones relativas a las letras del alfabeto y el aprendizaje de los numeros Las notas que se incluyen en esta obra resumen los contenidos de cada libro junto a resenas y premios relativos a los mismos Collective Entrepreneurship in the Contemporary European Services Industries Paloma Fernández Pérez,Elena San Román,2023-07-11 Collective Entrepreneurship in the Contemporary European Services Industries provides a historical account and a managerial approach on how companies in the service industry have grown innovated and internationalised along the last centuries in Western Europe **Cuban Literature in the Age of Black Insurrection** Matthew Pettway,2019-12-30 Juan Francisco Manzano and Gabriel de la Concepci n Vald s Pl cido were perhaps the most important and innovative Cuban writers of African descent during the Spanish colonial era Both nineteenth century authors used Catholicism as a symbolic language for African inspired spirituality Likewise Pl cido and Manzano subverted the popular imagery of neoclassicism and Romanticism in order to envision black freedom in the tradition of the Haitian Revolution Pl cido and Manzano envisioned emancipation through the lens of African spirituality a transformative moment in the history of Cuban letters Matthew Pettway examines how the portrayal of African ideas of spirit and cosmos in otherwise conventional texts recur throughout early Cuban literature and became the basis for Manzano and Pl cido s antislavery philosophy The portrayal of African Atlantic religious ideas spurned the elite rationale that literature ought to be a barometer of highbrow cultural progress Cuban debates about freedom and selfhood were never the exclusive domain of the white Creole elite Pettway s emphasis on African inspired spirituality as a source of knowledge and a means to sacred authority for black Cuban writers deepens our understanding of Manzano and Pl cido not as mere imitators but as aesthetic and political pioneers As Pettway suggests black Latin American authors did not abandon their African religious heritage to assimilate wholesale to the Catholic Church By recognizing the wisdom of African ancestors they procured power in the struggle for black liberation Investigation of Minimum Wages and Education in Puerto Rico and the Virgin Islands. promoting America's broad postwar ambitions in the West Indies for Britain it was simply part of the price that had to be paid for American assistance in the war effort. Debates within the AACC over the future of West Indian sugar, the regulation of tariffs and trade, constitutional reform and the expansion of civil aviation mirrored wider British and American differences.

Scott, 2013-01-11 Between 1492 and 1820, about two thirds of the people who crossed the Atlantic to the Americas were Africans. With the exception of the Spanish, all the European empires settled more Africans in the New World than they did Europeans. The vast majority of these enslaved men and women worked on plantations, and their labor was the foundation for the expansion of the Atlantic economy during the seventeenth and eighteenth centuries. Until relatively recently, comparatively little attention was paid to the perspectives, daily experiences, hopes and especially the

political ideas of the enslaved who played such a central role in the making of the Atlantic world Over the past decades however huge strides have been made in the study of the history of slavery and emancipation in the Atlantic world This collection brings together some of the key contributions to this growing body of scholarship showing a range of methodological approaches that can be used to understand and reconstruct the lives of these enslaved people
