poetry lovers everywhere From the spirituality important My Holy Bible to the light and airy Gettin Froggy the humor the best of both worlds Carmina Sacerdotis John Henry Dooley,1899 **Legends of the Patriarchs and Prophets and othtacters from Various Sources** S. Baring-Gould,2016-09-09 An incredible number of legends exists connected with the personages whose history is given in the Old Testament The collection now presented to the public must by no means be considered as exhaustive The compiler has been obliged to limit himself as to the number it being quite impossible to insert all He trusts that few of peculiar interest have been omitted The Mussulman traditions are nearly all derived from the Talmudic writers just as the history of Christ in the Koran is taken from the Apocryphal Gospels The Koran follows the Sepher Hajaschar Book of the Just far more closely than the canonical Scriptures and the Sepher Hajaschar is a storehouse of the Rabbinic tradition on the subject of the Patriarchs from Adam to Joshua The Jewish traditions are of various value Some can be traced to their origin without fail One class is derived from Persia as for instance those of Asmodeus the name of the demon being taken along with his story from Iranian sources Another class springs from the Cabbalists who by permutation of the letters of avi name formed the nuclei so to speak from which legends spread Another class again is due to the Rabbinic commentators who unable to allow for poetical periphrasis insisted on literal interpretations and then coined fables to explain them Thus the saying of David Thou hast heard me from among the horns of the unicorns which signified that David was assisted by God in trouble was taken quite literally by the Rabbis and a story was invented to explain it Another class again is no doubt due to the exaggeration of Oriental imagery just as that previously mentioned is due to the deficiency of the poetic fancy in certain Rabbis Thus imagination and defect of imagination each contributed to add to the store But when we have swept all these classes aside there remains a residuum small no doubt of genuine tradition

Legends of Old Testament characters, from the Talmud and other sources S. Baring-Gould,2025-03-02 In Legends of Old Testament Characters from the Talmud and Other Sources S Baring Gould crafts a captivating narrative that delves into the rich tapestry of Jewish folklore surrounding biblical figures Employing a scholarly tone intertwined with a narrative style Baring Gould draws upon diverse sources notably the Talmud and Midrash to present layered interpretations of iconic Old Testament characters His meticulous research not only illuminates the historical and cultural context of these figures but also enriches our understanding of the moral and spiritual lessons inherent in their stories Through this work Baring Gould not only retells these legends but also engages with the theological implications they hold for both Jewish and Christian traditions S Baring Gould was a man of many talents an English hagiographer antiquarian and folklorist whose passion for folklore and religious studies deeply influenced his writing His extensive travels and academic pursuits allowed him to gather a wealth of tales and insights combining them within the framework of a cohesive narrative Baring Gould s dedication to bridging Eastern and Western religious thought is evident in this collection which reflects his desire to uncover deeper meanings and connections among ancient texts For those intrigued by the intersections of faith culture and storytelling

Baring Gould's *Legends of Old Testament Characters* is an invaluable resource. It enriches the reader's appreciation of biblical narratives while providing a fresh perspective on traditional interpretations.
