Gabriels Lament:

Gabriel's Lament Paul Bailey,1987 **The Long Life of Evangeline** Ron McFarland,2010-03-08 Ye who believe in affection that hopes and endures and is patient Ye who believe in the beauty and strength of woman s devotion List to the mournful tradition still sung by the pines of the forest List to a Tale of Love in Acadie home of the happy Generations of readers have now accepted the call of Henry Wadsworth Longfellow to join his heroine Evangeline in her search for Gabriel the lover she was separated from during the expulsion of the Acadians from Nova Scotia and New Brunswick This critical history of the book length poem describes its reception in the weeks and months that followed the 1847 release explains its continued popularity down through the years and offers insights on its interpretation and relevance today The Mobster's Lament Ray Celestin,2019-03-21 From the bestselling author of The Axeman s Jazz Ray Celestin s The Mobster s Lament is a gripping tale of crime and jazz music and the third entry in his City Blues Quartet A gangster is on his last chance to escape the clutches of New York s mafia families but as a blizzard descends on NYC a ruthless serial killer is tracking his every move New York 1947 Mob fixer Gabriel Leveson s plans to flee the city are put on hold when he is tasked with tracking down stolen mob money by the boss of all bosses Frank Costello But while he s busy looking he doesn t notice who is watching him Meanwhile Private Investigator Ida Young and her old partner Michael Talbot must prove the innocence of Talbot s son Tom who has been accused of the brutal murders of four people in a Harlem flophouse With all the evidence pointing towards him their only chance of exoneration is to find the killer themselves Whilst across town Ida s childhood friend Louis Armstrong is on the brink of bankruptcy when a promoter approaches him with a strange offer to reignite his career Both a gripping neo noir crime novel and a vivid panoramic portrait of New York The Mobster s Lament takes you to the heart of a city where the Mob has risen to the height of its powers Though they can be read individually the City Blues Quartet begins with The Axeman s Jazz and Dead Man s Blues Complete the series with Sunset Swing The End of Me Alfred Hayes,2020-06-09 A moving tale about middle age divorce modern love and returning home by one of the great American storytellers Asher s career as a Hollywood screenwriter has come to a humiliating end so has his latest marriage Returning to New York where he grew up he takes a room at a hotel and wonders what well into middle age as he is he should do next It s not a question of money it s a question of purpose maybe of pride In the company of the arch young poet Michael Asher revisits the streets and tenements of the Lower East Side where he spent his childhood though little remains of the past Michael introduces Asher to Aurora perhaps his girlfriend who to Asher s surprise seems bent on pursuing him too Soon the older man and his edgy young companions are caught up in a slow strange almost ritualized dance of deceit and desire The End of Me a successor to Hayes s In Love and My Face for the World to See can be seen as the final panel of a triptych in which Alfred Hayes anatomizes with a cool precision and laconic lyricism that are all his own the failure of modern love The last scene is the starkest of all *VESPERS* Vladimir Nikul'ski,2010-05-03 **Bible Tales for Ages 18 and Up** G. Bozarth,2014-09-01 In 1947 Dr Sebaeus Papias discovered the Terminally Ill Sea Scrolls in the same month the Dead Sea Scrolls were found The Dead Sea Scrolls became internationally famous but the Terminally Ill Sea Scrolls were consigned to obscurity along with their discoverer Dr Papias who endured decades of ego bruising neglect provides translations of well known Old Testament stories which he insists are the most authentic versions of the stories because the Jewish eschatological cult that created the Scrolls claimed that they were These stories are more fully developed than in the Old Testament and are humorous though some parts are appalling because Bible stories often are appalling **Self**
