apple pies After preaching there was going to be another dinner on the ground Everyone was excited Without a doubt those were the good years But all that changed Walk down the dismal road with the Burrell family as they helplessly watched the reckless Roaring Twenties and Great Depression bring a flourishing economy and their comfortable lifestyle to a grinding halt Feel Grandpa s pain and humiliation when the bank called in his Deed of Trust and he was forced to sell his last 640 acre farm and home for a few dollars Sit for awhile and listen to his grandson Cecil Allen Burrell The Man Himself as his thought provoking stories detail how they all survived those disastrous years With their eyes on the future John Harrison s children and grandchildren navigated their way back into prosperity and eventually reclaimed their part of the American dream the same dream brought to America by their Great3 Grandfather Dr Jean Baptiste Elzear Burel in 1778      **The Hungry Years**
