Hawking,Jenna Wolfe,

Ph.D.,2025-09-04 Explore the Lost Knowledge of the Antediluvian Civilization of Ancient Egypt Thousands of years ago a small Neolithic community in the region of the lower Nile abruptly rose to create the most majestic and enduring civilization of history The rise of Ancient Egypt to a stunningly advanced state of culture demonstrates advancements that have long eluded explanation Ancient Egypt presents us with an impenetrable mystery How may we explain a Neolithic desert people spawning the most majestic civilization of history Their rapid ascension from a primitive state to a previously unapproached zenith of technology and culture demonstrates advancements that utterly elude explanation Many of their artistic and architectural productions are unequalled to this day What could possibly explain vast technical knowledge and sophistication appearing so fully formed so suddenly Legendary Egyptologist Flinders Petrie Archaeological Journal 1911 What long lost knowledge underlies the unprecedented technology artistic creations and cultural sophistication of Ancient Egypt The voluminous lore of ancient Egyptian tradition relates that in the antediluvian time of zp tpj generally transcribed as Zep Tepi the first occasion or first time mysterious highly enlightened gods appeared in Egypt bearing previously unknown technology and knowledge The texts inscribed on the walls of the Temple of Edfu in Upper Egypt contain explicit descriptions of the time of Zep Tepi and the coming of the bringers of knowledge said to have occurred the texts tell us circa 18 000 B C In the Sahara Desert of southern Egypt is an area known as Nabta Playa Here an ancient stone calendar circle along with 25 other megalithic structures was identified by archaeologist Fred Wendorf in 1998 According to an extensive analysis by NASA astrophysicist Thomas Brophy and his team three stones inside the Nabta calendar circle represent the belt of Orion just as

the three pyramids of Giza align to represent that same constellation The stones of the Nabta Playa s stone calendar circle and the corresponding stars in the sky aligned on summer solstice nights as they appeared circa 16 500 B C Brophy s team concluded that the ancient builders of Nabta Playa possessed highly sophisticated astronomical knowledge the type of knowledge we associate with advanced civilization Plato c 428 348 B C writes of Egyptian masters presenting him with historical records extending back some 18 000 years Egypt has recorded and kept eternally the wisdom of the ancient ages all coming from time immemorial when gods governed the earth in the dawn of civilization Herodotus tells us that when Hecataeus of Miletus 550 476 BC boasted to the Egyptian priests that he could trace his ancestry through fifteen centuries they quietly showed him in a hidden sanctuary deep under the sands the statutes of 345 high priests each the son of the preceding making 345 generations since their gods had appeared in the Nile valley and marking a timeline extending back one hundred eighty centuries This ancient evidence reveals that a sophisticated Egyptian civilization existed long prior to the last glacial period and most importantly prior to the Younger Dryas Boundary cataclysmic event as well The YDB event which occurred circa 10 770 B C is thought to have been caused by the impacts or air bursts of several comets resulting in massive shockwaves and firestorms sweeping across continents initiating a 1200 year long epoch of terminal environmental change and catastrophic faunal extinction effectively wiping all but traces of early civilizations from the historical record This book reveals and fully explores the forbidden secrets and profound lost knowledge of a magnificent civilization long concealed in myth and legend An important read for anyone seeking greater personal knowledge and power Estimated e reader page count 301 Thank you

Requiem Of Lost Tymes Thomas J. Wood,2014-12-08 Requiem Of Lost Tymes Chronicles I Roakan rose from his concealed cover raised his sword above his head as more human warriors ran down the ramp of the warship to refortify their depleting forces Roakan let out a mighty blood curdling battle cry and lowered his sword toward the human formation and as he did so he began jumping over the rubble that concealed him and led his warriors on a foot charge into the ranks of the human contingent As he reached the first line of the human enemies Obai zen and his warriors were on their enemies rear flank as both collided with the wall of the human warriors at the front and rear flanks at almost the same instant The humans by this time had drawn hand weapons and met the onslaught with as much fearlessness as the attacking Goathrunouk warriors The two lines of warriors entangled in a clash of bodies metal and bone In the morning sunrise there was the glitter of flashing swords shredded metal and the spray of blood as warriors screamed their last life s song Soon all that would be left would be the silent victors and the dying as the sun continued to rise as it had done so for millions of years before unaffected in its designed purpose by the happenings of mere mortals
