Stelzer,2020-08-04 Despite the persistence and popularity of addressing the theme of eating in Paradise Lost the tradition of Adam and Eve s sin as one of gluttony and the evidence for Milton s adaptation of this tradition has been either unnoticed or suppressed Emily Stelzer provides the first book length work on the philosophical significance of gluttony in this poem arguing that a complex understanding of gluttony and of ideal grateful and gracious eating informs the content of Milton s writing Working with contextual material in the fields of physiology philosophy theology and literature and building on recent scholarship on Milton s experience of and knowledge about matter and the body Stelzer draws connections between Milton s work and both underexamined textual influences including for example Gower s Confessio Amantis and well recognized ones such as Augustine s City of God and Galen s On the Natural Faculties *The Necessity of Nature* Mónica García-Salmones Rovira,2023-02-23 A study of the natural law ideas of the seventeenth century Scientific Revolution and their impact on the philosophy of law **The Path to Salvation in Luke's Gospel** MiJa Wi,2019-05-23 This book investigates Luke s message of salvation in relation to socio economic issues and thus concerns salvation of the rich as well as the poor With a narrative reading of Luke s Gospel built on careful examination of its socio economic context it demonstrates that Luke s message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke s question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above all clarifies Luke s notion of salvation of the rich which will happen as participation in the salvation of the poor Wi s

conclusion challenges its readers by asking the question along with Luke's audience: What must we do? **Critical**
