Galilee Galloper:

Galilee Galloper Douglas Valder Duff, 1935 The Jewish Community of Acre in Mandatory Palestine Anat Kidron, Shuli Linder Yarkony, 2024-05-20 For a brief moment in the history of Acre there was a Hebrew community that linked old and new settlements It had a national Zionist orientation and consisted of Jews of local and Mizrahic origin This community is no longer visible in the cityscape and its history has disappeared from the collective Zionist memory but it played a role in building the Jewish national community in Palestine The unusual history of Acre shows how it succeeded in attracting new nationalist settlers The book seeks to illuminate the complexity and diversity of the Zionist enterprise in relation to the Arab and mixed towns of Mandatory Palestine by raising questions about the relationship between the history of a place and national history By describing the failure of the Hebrew settlement in the Mandate territory of Acre the book views the Zionist project as a fascinating intersection between the dreams of those who created the leading narratives and between local interests and the unique geographical conditions of the region Culture Change in a Bedouin Tribe Rohn Eloul, 2010-01-01 Against the historical dynamics of this complex region this richly documented volume reconstructs the growth of the Arab settlement of the Galilee from some five herding households at the end of the Ottoman eighteenth century into a thriving sedentary tribe of regional importance nearly 200 years later The Irish Imperial Service Seán William Gannon, 2018-09-24 This book explores Irish participation in the British imperial project after Southern Ireland's independence in 1922 Building on a detailed study of the Irish contribution to the policing of the Palestine Mandate it examines Irish imperial servants twentieth century transnational careers and assesses the influence of their Irish identities on their experience at the colonial interface The factors which informed Irish enlistment in Palestine's police forces are examined and the impact of Irishness on the personal perspectives and professional lives of Irish Palestine policemen is assessed Irish policing in Palestine is placed within the broader tradition of the Royal Irish Constabulary RIC conducted imperial police service inaugurated in the mid nineteenth century and the RIC's transnational influence on twentieth century British colonial policing is evaluated The wider tradition of Irish imperial service of which policing formed part is then explored with particular focus on British Colonial Service recruitment in post revolutionary Ireland and twentieth century Irish imperial identities Intoxicating Zion Haggai Ram, 2023-05-25 Masterfully illuminates the social and cultural fissures left by colonialism in the Levant as hashish trade transgressed new national borders Paul Gootenberg Stony Brook University author of *Andean Cocaine* The Making of a Global Drug When European powers carved political borders across the Middle East following World War I a curious event in the international drug trade occurred Palestine became the most important hashish waystation in the region and a thriving market for consumption British and French colonial authorities utterly failed to control the illicit trade raising questions about the legitimacy of their mandatory regimes The creation of the Israeli state too had little effect to curb illicit trade By the 1960s drug trade had become a major point of contention in the Arab Israeli

conflict and drug use widespread Intoxicating Zion is the first book to tell the story of hashish in Mandatory Palestine and Israel Trafficking use and regulation race gender and class colonialism and nation building all weave together in Haggai Ram s social history of the drug from the 1920s to the aftermath of the 1967 War The hashish trade encompassed smugglers international gangs residents law enforcers and political actors and Ram traces these flows through the interconnected realms of cross border politics economics and culture Hashish use was and is a marker of belonging and difference and its history offers readers a unique glimpse into how the modern Middle East was made A fascinating and revelatory tale Ted R Swedenburg University of Arkansas A singular original work of research Yossi Melman Haaretz Informative though pun intended sobering this book is suited for academic libraries Hallie Cantor Association of Jewish Libraries Reviews [The Letters of Martin Buber](#) Martin Buber,2013-09-04 Edited by Profesor Nahum N Glatzer and Paul Mendes Flohr No matter how brilliant it may be the human intellect that wishes to keep to a plane above the events of the day is not really alive wrote Martin Buber in 1932 The correspondence of Martin Buber reveals a personality passionately involved in all the cultural and political events of his day Drawn from the three volume German edition of his correspondence this collection includes letters both to and from the leading personalities of his day Albert Einstein and Albert Schweitzer Hemann Hesse Franz Kafka and Stefan Zweig Theodor Herzl Chaim Weizmann David Ben Gurion S Y Agnon Gershom Scholem and Franz Rosenzweig These exchanges capture the dynamics of seven decades of lived history reflected through the eyes of a man who was the conscience of his generation One of the leading spiritual thinkers of the twentieth century Buber is best known for his work of religious existentialism I and Thou A prime mover in the German Jewish renaissance of the 1920s he taught comparative religion and Jewish ethics at the University of Frankfurt Fleeing the Nazis in 1938 Buber made his home in Jerusalem where he taught social philosophy at the Hebrew University As resident sage of Jerusalem he developed an international reputation and following and carried on a vigorous correspondence on social political and religious issues until the end of his life Included in this collection are Buber s exchanges with many Americans in the latter part of his life Will Herberg Walter Kaufmann Maurice Friedman Malcolm Diamond and other individuals who sought his advice and guidance In the voices of these letters a full blooded portrait emerges of a towering intellect ever striving to live up to philosophy of social engagement [Crossroads to Israel](#) Christopher Sykes,2022-05-07 Christopher Sykes has written the authoritative work on the Palestine Mandate His account is almost unbearably fair to all concerned even to Britain a very excellent book Mr Sykes steers his way through the reigns of successive High Commissioners and through the maze of White Papers and Royal Commissions with amazing virtuosity We see the whole picture of the Mandate in a way which was impossible to those at the time International Affairs Mr Sykes son of Mark Sykes co author of the Sykes Picot Agreement has written an illuminating highly informed and balanced study of the development of the Zionist movement into the State of Israel By virtue of his acquaintance with many of the leading persons involved Mr Sykes has had access to a considerable amount of unpublished material upon which he

has drawn heavily to clarify much that was previously obscure about events in the unhappy Holy Land He also writes with an easy lucid style so that apart from the book's intrinsic merit it is immensely readable International Journal One of the many merits of Mr Sykes's wholly meritorious book is that he is not anchored in time or prejudice Middle Eastern Studies
