Galway Of The Races Selected Essays Edited And Introduced By Sean McMahon:

Protestant Nationalists in Ireland, 1900–1923 Conor Morrissey, 2019-10-10 An innovative and original analysis of Protestant advanced nationalists from the early twentieth century to the end of the Irish Civil War , **Irish Nationalists and the Making of the Irish Race** Bruce Nelson, 2013-12-26 This is a book about Irish nationalism and how Irish nationalists developed their own conception of the Irish race Bruce Nelson begins with an exploration of the discourse of race from the nineteenth century belief that race is everything to the more recent argument that there are no races He focuses on how English observers constructed the native and Catholic Irish as uncivilized and savage and on the racialization of the Irish in the nineteenth century especially in Britain and the United States where Irish immigrants were often portrayed in terms that had been applied mainly to enslaved Africans and their descendants Most of the book focuses on how the Irish created their own identity in the context of slavery and abolition empire and revolution Since the Irish were a dispersed people this process unfolded not only in Ireland but in the United States Britain Australia South Africa and other countries Many nationalists were determined to repudiate anything that could interfere with the goal of building a united movement aimed at achieving full independence for Ireland But others including men and women who are at the heart of this study believed that the Irish struggle must create a more inclusive sense of Irish nationhood and stand for freedom everywhere Nelson pays close attention to this argument within Irish nationalism and to the ways it resonated with nationalists worldwide from India to the Caribbean **The British National Bibliography** Arthur James Wells, 1992 *Irish Publishing Record* , 1992 **Books Ireland** , 2003 **Writings on Irish History** , 1991 *Yeats* , 1983 **The Letters of T. S. Eliot** T. S. Eliot, 2015-07-14 This fifth volume of the collected letters of poet playwright essayist and literary critic Thomas Stearns Eliot covers the years 1930 through 1931 It was during this period that the acclaimed American born writer earnestly embraced his newly avowed Anglo Catholic faith a decision that earned him the antagonism of friends like Virginia Woolf and Herbert Read Also evidenced in these correspondences is Eliot's growing estrangement from his wife Vivien with the writer's newfound dedication to the Anglican Church exacerbating the unhappiness of an already tormented union Yet despite his personal trials this period was one of great literary activity for Eliot In 1930 he composed the poems *Ash Wednesday* and *Marina* and published *Coriolan* and a translation of Saint John Perse's *Anabase* the following year As director at the British publishing house Faber Faber and editor of *The Criterion* he encouraged W H Auden Stephen Spender Louis MacNeice and Ralph Hodgson published James Joyce's *Haveth Childers Everywhere* and turned down a book proposal from Eric Blair better known by his pen name George Orwell Through Eliot's correspondences from this time the reader gets a full bodied view of a great artist at a personal professional and spiritual crossroads **Paddy and Mr. Punch** Robert Fitzroy Foster, 1995 Elizabeth Bowen one of the writers considered in this book described the relationship of Ireland and England as a mixture of showing off and suspicion nearly as bad as sex In these essays Roy Foster explores the patterns of resentment

exploitation dependence and rejection which were created by centuries of proximity colonization and emigration Often seen through the individual experiences of people caught between England and Ireland a varied gallery including Randolph Churchill Thackeray Trollope Yeats Parnell and the notorious Mrs O Shea these intersections also cut across subjects like the representation of the Irish in Victorian journalism and fiction the roots of constitutional nationalist agitation and the making of literary reputations The last essay *Marginal Men and Micks on the Make* is a wide ranging discussion of the uses of exile both to and from Ireland Against the cut and dried stereotypes of Anglo Irish relations an overall ambiguity is asserted here whether the topic examined is the flawed structure of the Act of Union the way words are used in Irish political rhetoric or the divided allegiances of Parnell Yeats and Bowen These closely linked essays stress assonances as well as dissonances and provide a commentary on neglected aspects of literary history and national identity *The Cumulative Book Index*, 1991 A world list of books in the English language **Paul Henry** S. B. Kennedy, Paul Henry, Síghle Bhreathnach-Lynch, 2003-01-01 This is a biography of Henry's life artistic achievements especially his idyllic landscape paintings of the west of Ireland

Arthur Griffith Owen McGee, 2015-09-14 As a working class Dubliner who played a crucial role in inspiring and leading D il ireann in its formative stages Arthur Griffith's life and world is one of the greatest windows into understanding the dynamics of the Irish revolution Owen McGee's authoritative biography is based on fascinating original research and presents a fresh analysis and interpretation of Griffith's life and the economic basis of the political history of the era Griffith has been typified as the last Young Irelander and Owen McGee's masterly account reflects on this by examining the very different conceptions of Irish nationalism that existed before and after the formation of the Irish state It also suggests that Griffith's belief in the importance of economic freedoms and the ability of an independent Ireland to provide for its own people was an ideal that inspired the subsequent evolution of the Irish state *Oxford Dictionary of National Biography: Liston-McAlpine* Henry Colin Gray Matthew, Brian Harrison, Brian Howard Harrison, 2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002 *Between Shadows* John Wilson Foster, 2009 *Between Shadows* is a sequel to John Wilson Foster's acclaimed *Colonial Consequences* 1991 and like its predecessor is a widely ranging encounter with modern Irish writers and modern Irish culture Among the writers are Wilde Yeats Joyce Trevor and Barry The wartime Ulster literary scene Bloomsday Irish nationalism and the Great War are among the cultural episodes and phenomena the author engages with in this varied set of critical engagements *Writers and Protestantism in the North of Ireland* Barry Sloan, 2000 Examining the relationship between literature and Protestantism in Northern Ireland the book begins by presenting the theological and historical contexts for the development of Protestantism in Ulster and considers its effect on the culture of the province Special attention is given to the influence of the Presbyterian Church and to the significance of its move away from radical dissent in the face of Home Rule politics The consequences of this move for 20th century Protestants is discussed with reference to literary political theological and critical sources
