Cunliffe North,2008-03-24 Gambling like any other addiction is overpowering it can and will drive you to insanity If you have not succumbed to insanity it just might cause you to consider

committing a crime to obtain finances so you may continue with your addiction to gamble thus leading you closer to the gates of prison or worse yet death I came much too close to getting arrested for a felony like a few of my sisters I have tried and failed at committing suicide on three different occasions There are those brothers and sisters in the fellowship who have succeeded at suicide You just might go so far as to embezzle funds from your employer There are those sisters who have spent time incarcerated for their crimes and yet others are still in prison A quote taken from my Gamblers Anonymous handbook states The persistence of this illusion is astonishing Many pursue it into the gates of prison insanity or death My choice was life over death sanity over insanity and the thought of prison scares me My life free from gambling the love of God and family is far more important to me to ignore After seven plus years of frenzied uncontrollable insanity I have turned my life over to my Higher Power my God Jesus Christ He has helped me through all my adversity above all else He has restored my love for Him and family Gambling is described as one of the most baffling and insidious addictions that can never be cured but it can most definitely be arrested through diligent hard work in the Gamblers Anonymous Program Two words in my vocabulary baffling and insidious remind me what gambling will do to you The word baffle in my dictionary is described as frustrate thwart foil and perplex The meaning of the word insidious enralls me the most ambush sly treacherous seductive and the meaning that tears at my heart the most is having a gradual and cumulative effect subtle As the snake slithers through the grass seeking its prey for food so does gambler seek funds to feed their addiction to gamble Unfortunately the gamblers addiction is a slow subtle and treacherous deterioration unbeknownst especially to the gambler herself Gambling will perplex you it will frustrate you and above all it will thwart every emotion you possess It will turn you into that slithering snake You will become enthralled by anger greed and hatred You will destroy everything good in you If you are suffering from a gambling addiction reach out for help through Gamblers Anonymous grasp the program with all your might and take it to heart for it may just save your life Billy Martin George,2016-12-14 Billy is the true story of a compulsive gambler who went to the depths of depravity to feed his gambling addiction stealing from those who loved him and from people who trusted him His story depicts a seven year period where the only thing he cared about was getting enough money to gamble Gambling was first last and everything Yet with help and a stubborn determination he slowly turned his life around to become a well respected business man able to hold his head up high after years of skulking in the shadows

**Gambler** Tallulah Sharpe,1996 When Sam Winterton loses her job and her lover she cannot imagine what the future will hold for her Then a former client millionaire Marcus McCloud proposes that she becomes his gambling partner If she bets correctly she keeps the money but if she loses she has to pay an exciting forfeit **The Watch That Healed Waterloo (A Gnostic Romance)** John Patrick Acevedo,2019-05-10 If you want to be the man of your good old days your life can't ease in haste or love dancing back in time forever though Because a rabbit is not Easter there are no politics to John Patrick's poetry except the misconception that weakness draws pathos or even dogmatic logos instead of ethos Because autonomous strength

almost always ends with someone having to say no hard feelings instead of placing more value on the fact that meaningful talk is often pathos and hence logos or politically derived conversation Acevedo wants his readers to feel his joys and sorrows not to simply translate them into pity or envy John Patrick Acevedo Hampton Virginia East Side Stories Sidney Weissman,2000-12-07 There was a time gone by yet not known to many of us which is dredged up and recovered in East Side Stories this was the time of the Great Depression In this fictional account twenty stories in all we delve into the lives of immigrants and their families who lived in the tenements of the Lower East Side of New York City There is the aged actor who sings and speaks in many voices there is Orchard Street with its pushcarts there is the story of a young woman faced with the dilemma of whether or not to agree to a marriage with a much older man one who has a good steady job We meet a woman deserted by her husband who lives with a gambler who promises to marry her There is a story of two boys one Jewish the other Italian whose algebra teacher s moods fluctuate up and down And there is a woman ostracized by her neighbors There is the story of the girl who hates herself and what she is We meet an entrepreneur who plays every angle to keep his business afloat Then there is the cross eyed boy who feels cursed and the gangsters from Murder Inc who shoot dice on the street There is the boy who pines for a girl who lives nearby There are stories of events at a junior high school another of a college student and his black friend Earl and their adventure in a Spanish class There is more And all in all they are a mosaic of those times and that place *Whitaker's Books in Print* ,1998 **The Iron Maiden** Piers Anthony,2014-07-01 From a New York Times bestselling author The revealing final book in this sci fi epic tracks the rise and fall of Jupiter s tyrant from the perspective of his sister The final installment of the Bio of a Space Tyrant series covers the same period as the first five books but with a twist The Iron Maiden is told from the point of view of Hope s sister Spirit This book fills in the gaps when the two siblings were apart and perfectly wraps up this scintillating series *Zen and the Successful Horseplayer* Frederic Donner,2012-11 Zen and the Successful Horseplayer will provide the beginner the advanced and even the professional horse gambler with specific resources to become a winning player This book will also demonstrate the applicability of Zen and Eastern philosophy to handicapping betting and winning Learn the basic handicapping skills Learn to be centered in your wagering Learn when you must trust your instincts Learn how to break out of a losing cycle Learn that losing is okay losses can lead to winning on future days Learn how Zen philosophy can make you a WINNER
