Moldea's view of the Hoffa wars which reached its greatest intensity when Robert Kennedy was Attorney General may explain not only Mr Hoffa's disappearance but the assassination of John Kennedy as well. The Wall Street Journal Dark Victory: A smoldering indictment of the corrupt influences that rescued Ronald Reagan's acting career made him millions resulting in a federal grand jury hearing backed his political career and shaped his presidency. Library Journal: Moldea has through sheer tenacity amassed an avalanche of ominous and unnerving facts. Dark Victory is a book about power ego and the American way. Los Angeles Times [Interference](#) Dan E. Moldea, 2014-06-10 A shocking exposé of widespread corruption and mob influence throughout the National Football League on the field in the owners' boxes and in the corporate suites. According to investigative journalist Dan E. Moldea for decades the National Football League has had a strong and unspoken understanding with a dangerous institution organized crime. In his classic exposé Interference Moldea bares the dark sordid underbelly of America's favorite professional team sport revealing a nest of corruption that the league has largely ignored since its inception. Based on intensive research and in-depth interviews with coaches players mobsters bookies gamblers referees and league officials including some of the sport's all-time greats the author's shocking allegations suggest that the betting line is firmly in the hands of the mob who occasionally manipulate the on-field action for maximum profit. Interference chronicles a long-standing history of gambling drugs and extortion of point shaving and game fixing and reveals the eye-opening truth about numerous gridiron contests where the final results were determined even before the kickoff. Moldea exposes the mob connections of many of the team owners and their startling complicity in illegal gambling operations while showing how NFL internal security has managed to quash nearly every investigation into illegality and corruption within the professional football world before it could get off the ground. Provocative disturbing and controversial Interference is a must-read for football fans and detractors alike offering indisputable proof that what's really happening on the field in the locker room and behind the scenes is a whole different ball game.
