Go Girl! Hannah Storm, Mark Jenkins, 2011-03-01 Create the ultimate sports positive environment for your daughter There s no doubt that sports are good for girls but there is often a major lack of appreciation for just how critical participation in sports is for our daughters development Despite the numerous benefits that come from athletics adolescent girls are still not encouraged to participate in sports nearly as much as boys are So how can you motivate your daughter to stick with the sport she loves In *Go Girl* ESPN sportscaster and mother to three daughters Hannah Storm lays out a roadmap for parents who want to encourage their daughters continued participation in sports at an age where more and more girls pass athletics up Hannah helps you take an active role in fostering and supporting your daughter s athletic interests giving her the edge she needs to excel in life *Go Girl* is the ultimate guide to making sure that young girls take on life with confidence passion and a love of the game

What's the Score? Bonnie J. Morris, 2022-06-07 Who is the first female athlete you admired Were male and female athletes treated differently in your high school Is there a natural limit to women s athletic ability How has Title IX opened up opportunities for women athletes Every semester since 1996 Bonnie Morris has encouraged students to confront questions like these in one of the most provocative college courses in America *Athletics and Gender A History of Women s Sports* What s the Score Morris s energetic teaching memoir is a peek inside that class and features a decades long dialogue with student athletes about the greater opportunities for women on the playing field as coaches and in sports media From corsets to segregated schoolyards to the WNBA we find women athletes the world over conquering unique barriers to success What s the Score is not only an insider s look at sports education but also an engaging guide to turning points in women s sports history that everyone should know

Why There Are No Good Men Left Barbara Dafoe Whitehead, 2008-12-24 A hard hitting groundbreaking exploration of the new mating conditions that are changing the face of love commitment and marriage as we know it A double revolution is at work in modern American love A revolution in higher education has created the most professionally accomplished and independent generation of young women in history and a revolution in mating has created a prolonged and perplexing search for Mr Right Based on extensive research and interviews *Why There Are No Good Men Left* explores the romantic plight of this high status woman with

findings that are sure to rouse debate Cultural historian Barbara Dafoe Whitehead documents the new social climate in which the demands of work the epidemic of cohabitation the disappearance of courtship and the exacting standards of educated women are leading them to stay single longer and to find the search for a mate even harder when the time is right From the frontlines of college where dating is dead to the trenches of corporate solitude Whitehead reports on a wholesale shift that has stacked the marriage deck against the best and brightest women The thirty something perplexed single woman is today s new cultural icon Why There Are No Good Men Left is the first book to take a serious approach to analyzing where she came from and to ask how she can realize her dreams of lasting love

Changing Children's Behavior by Changing the People, Places, and Activities in Their Lives Richard Munger,2011-01-01 Without going through the experience no one can really know how it feels to have to look for a job The pain and uncertainty of putting yourself out there having to ask total strangers to take a chance on you and the crushing defeat one feels when that dreaded rejection letter or email shows up Even if you are completely qualified for the position the lack of certainty can wear on you like nothing else Hunting for a job simply isn t fun In this book you will learn nine powerful ways to find and get jobs even if your background includes some criminal activity You may think there s no hope but if you read and follow these secrets you will find that jobs are easier to find than you ever thought An incredibly powerful resource for finding a job especially if you have a felony I cannot recommend this book more highly I found a job in record time using just a couple of these secrets John Klien Former Inmate FCI Sheridan
