George G. Hunter III,2013-04-01 Many of the most effective churches consist of some sort of combination of traditional and contemporary However they are not simply blended In fact much of what they do is beyond mere categorization of traditional and contemporary Instead they are missional and strategic in their approach Using sports metaphor author George Hunter lays the groundwork for a new line of thinking a new identity in order to incite a quiet revolution *The Nuts & Bolts of Christian Education* Delia Halverson,2010-10-01 Can you give me the book that will tell me how to DO Christian education The Nuts Bolts of Christian Education is designed to answer the most frequently asked questions by new as well as veteran teachers and leaders Even though most churches provide teacher and leader training at least once a year generally these one or two day sessions are unable to answer every question that arises during the year The Nuts Bolts of Christian Education is a practical guidebook that leads new and experienced teachers through the challenging and sometimes confounding

landscape of the education ministry of a congregation This is not a collection of lesson plans it is a chock full survey of nearly every aspect of Christian education one could imagine DOING Christian Education starts here *Christian Education* Robert E. Clark, Lin Johnson, Allyn K. Sloat, 1991-10-22 Whether in the home or in the church or in a Christian school the challenge of contemporary Christian educators is to meet the academic needs of students while remaining unswerving in adherence to biblical principles Christian Education Foundations for the Future introduces you to the basics of a healthy Christian education program then takes you beyond showing you how to develop a fresh innovative Christian education program that will revitalize your church home or school *Inside America's Christian Schools* Paul F. Parsons, 1988-06

The Blind Side: Evolution of a Game Michael Lewis, 2007-08-28 It s not a jock book It s not a sociology book It s a storybook about modern society ancient virtues and the power of love money and talent to do a little good Jay Hancock Baltimore Sun One day Michael Oher will be among the most highly paid athletes in the National Football League When we first meet him he is one of thirteen children by a mother addicted to crack he does not know his real name his father his birthday or how to read or write He takes up football and school after a rich white evangelical family plucks him from the streets Then two great forces alter Oher the family s love and the evolution of professional football itself into a game in which the quarterback must be protected at any cost Our protagonist becomes the priceless package of size speed and agility necessary to guard the quarterback s greatest vulnerability his blind side This paperback edition contains a brand new 2007 afterword **Muslim Educators in American Communities** Charles L. Glenn, 2018-08-01 Political rhetoric and popular concern about the presence in the United States Canada and Western Europe of immigrants from predominantly Muslim societies has remained largely detached from the actual reality of the lives and the contributions of these immigrants and their children The studies presented here seek to correct this ignorant reaction by presenting objective information from schools that such immigrants have created and sustained The first looked at seven explicitly Islamic secondary schools focusing on the formation of character and American citizenship while the other studied public charter schools established by immigrants from Turkey focusing on academic outcomes Do faith based schools cause social divisions Do their students fail to become good citizens who can cooperate with those of other faiths This familiar accusation against Catholic and more recently against Evangelical schools is now directed against Islamic schools in Western societies The studies presented here offer objective information from schools established by Muslim immigrants across the United States with reassuring results Praise for Muslim Educators in American Communities Dr Charles Glenn takes us inside US Islamic schools and offers a rare insight into the thoughts and emotions of young American Muslims A must read for Non Muslims as well as Muslims his book provides a taste for those curious about what goes on in Islamic schools as well as evidence of the results of an Islamic School education Sufia Azmat Executive Director Council of Islamic Schools in North America Every wave of immigration throughout American history has brought with it an undertow of fear often centered on the religious schools new immigrants

form In every instance those fears have proven unfounded and so they are today Through careful on the ground research Charles Glenn and colleagues take us into new Islamic secondary schools and discover the important role these faith based schools are playing in forming virtuous citizens capable and committed to being a positive influence within American civic life This book is a valuable and timely contribution James Davison Hunter Institute for Advanced Studies in Culture University of Virginia

The Christian School and Philanthropy Simon Jaynes, 2024-12-09 Christian schools only have two major sources of revenues tuition and philanthropy The Christian School and Philanthropy delves deeply into how school leaders can raise transformational philanthropic dollars At times story telling at times grittily detailed at times reflective we challenge secular assumptions about donor motivation the nature of the donor and typical fund raising scenarios In its place we provide a deeply Biblical narrative pulling from the examples of Jesus own fund raising committee the travels of Paul and the extraordinary fund raising achievements of the Hebrew Scriptures Backed by the latest research from multiple sources and proven in the experience of our Christian schools we offer you practical pathways irrespective of the size of your school Professionals and volunteers alike will find helpful strategies and tactics to take your school to the next level Children's Books in Print, 2007 ,2006

The Case for Classical Christian Education Douglas Wilson, 2002-11-12 Newspapers are filled with stories about poorly educated children ineffective teachers and cash strapped school districts In this greatly expanded treatment of a topic he first dealt with in Rediscovering the Lost Tools of Learning Douglas Wilson proposes an alternative to government operated school by advocating a return to classical Christian education with its discipline hard work and learning geared to child development stages As an educator Wilson is well equipped to diagnose the cause of America s deteriorating school system and to propose remedies for those committed to their children s best interests in education He maintains that education is essentially religious because it deals with the basic questions about life that require spiritual answers reading and writing are simply the tools Offering a review of classical education and the history of this movement Wilson also reflects on his own involvement in the process of creating educational institutions that embrace that style of learning He details elements needed in a useful curriculum including a list of literary classics Readers will see that classical education offers the best opportunity for academic achievement character growth and spiritual education and that such quality cannot be duplicated in a religiously neutral environment
