Gaming The Fine Art Of Creating Simulation Learning Games For Religious Education:

Gaming Dennis C. Benson, 1971 Q What s fun and exciting and provides entertaining ways to learn about other people and yourself A Simulation learning games which you design Simulation learning games are becoming quite popular but many folks rely on boxed games which are not only expensive but often ill suited to their individual situations Dennis Benson a remarkably creative fellow himself believes that the best games are those which are designed by an individual or a group to meet their own needs Consequently he has created this unique album which incorporates two 33 1 3 LPs as part of the text The album describes eleven games seven in full detail and four with less elaborate explanations but with enough facts to be played Using these eleven as illustrations Benson shows the potential gamesman how to design the games which will suit his particular needs how to organize the games for maximum fun and effect and how to evaluate the results of the games after they are over If you are looking for a bright lively and fascinating package of sport and creativity for any learning situation look no further
