evangelical followers Dobson has garnered more and support than many ever thought possible and has harnessed this power to wage a crusade in support of strengthening abortion restrictions and establishing anti gay rights litigation The Jesus Machine is the first book to examine Focus on the Family as the cutting edge of the larger evangelical movement backing what many view to be goals in common with the current political agenda of the Bush administration as it works to become the voice of mainstream America Through exhaustive research Dan Gilgoff a Senior Reporter for US News World Report exposes the intricacies of the Focus on the Family s rallying cry and the drastic implications they hold for the future of America s political system
