Gangs Life Issues:

Social Issues in Living Color Arthur W. Blume, 2017-02-16 Offering fresh and exciting approaches to solving global problems this book creatively views challenging social issues through the lens of racial and ethnic psychology As the demographic makeup of the American population continues to evolve understanding and addressing the psychological needs of ethnic minorities in the United States becomes more important to the overall health and well being of society This three volume set is the first publication to explicitly tackle social issues from the perspective of racial and ethnic psychology It uniquely presents racial and ethnic psychological perspectives on topics such as media criminal justice racism climate change gender bias and health and mental health disparities Volume one introduces readers to the basic scientific concepts of racial and ethnic minority psychology and then examines the intersectionality of race ethnicity gender and sexual orientation It also addresses how race and ethnicity affect communication styles leadership styles and media The second volume discusses the experiences of individuals within racial and ethnic minorities including overt racism covert racism and colonialism and addresses how ethnic minority psychology plays a role in our educational system poverty global climate change and sustainability The third volume covers ethics in health and research considers the causes of health and mental health disparities and identifies diversity initiatives that can improve the health and well being of all citizens not just racial and ethnic minority citizens

Issues in Corrections Carly M. Hilinski-Rosick, John P. Walsh, 2016-12-15 Since the 1970s the corrections system has experienced exponential growth Over the past four decades the number of inmates held in US prisons and jails has quadrupled This massive growth is associated with a number of different issues and challenges within prisons and jails including overcrowding gang activity and misconduct a shift away from rehabilitation and programming expanded use of solitary confinement inmates human rights criticisms of health care and massive publicly funded budgets Many states now spend more on corrections than on higher education This book explores these issues in depth It takes current topics in institutional corrections and explores the main issues surrounding each Themes include institutional corrections prison behavior including gangs and misconduct solitary confinement prison programming and rehabilitation

Gangs and Delinquency in Developmental Perspective Terence P. Thornberry, 2003 Gang membership has long been understood to have a disruptive influence on adolescent development and to contribute disproportionately to the rate of delinquent crime The nature of the impact and the long term effects on individuals have not been well understood This book uses longitudinal data to examine the developmental consequences of gang membership and its longer term influence on the life course This longitudinal approach is made possible by data from a study of antisocial behavior The Rochester Youth Development Study which followed one thousand adolescents through their early adult years The subjects include delinquents who were gang members and others who were not allowing the authors to compare motives patterns of behavior and recurring problems with caregivers and the law education peer relations and career paths The findings indicate that

multiple developmental deficits lead to gang membership and that membership leads to an increase in delinquency

schools to innocent bystanders caught in the crossfire of never ending gang wars Once considered an urban phenomenon gang violence is permeating American life spreading to the suburbs and bringing the problem closer to home for much of America The government schools social agencies and the justice system are conspicuous by their sporadic interest in the subject and have failed to develop effective policies and programs Existing social support mechanisms and strategies for suppressing violence have often been unsuccessful And state and federal policy is largely nonexistent In *The Youth Gang Problem A Community Approach* Irving Spergel provides a systematic analysis of youth gangs in the United States Based on research historical and comparative analysis and agency documents and the author s extensive first hand experience the work explores the gang problem from the perspective of community disorganization especially population movement and the plight of the underclass It examines the factors of gang member personality gang dynamics criminal organization and the influence of family school prisons and politics as well as the response of criminal justice agencies and community groups Spergel describes techniques used by social agencies schools employment programs criminal justice agencies and grass roots organizations for dealing with gangs and recommends strategies that emphasize the use of local resources planning and collaborative procedures There is no single strategy and no easy solution to the youth gang problem in the United States There are however substantial steps we can take and they must be honestly and systematically tested Offering a practical and alternative approach to a serious social problem *The Youth Gang Problem A Community Approach* is a major and long awaited contribution to this dilemma It is required reading for criminal justice personnel school staff social workers policy makers students and scholars of urban and organizational sociology and the general reader concerned with the youth gang problem and how to control intervene and prevent it

Youth Involvement in Street Gangs in California's Central Valley
Huan Gao, 2024-11-13

This timely insightful and data led book fills a gap in gang scholarship by examining gangs in rural areas specifically focusing on youth gang activity Incorporating information from interviews with 96 active youth gang members and associates in three of the rural counties of California s Central Valley this book provides an in depth look at youth involvement in gang life in rural settings and addresses the underlying factors leading to the socialization of rural youths into gang life The book documents the family and school life of youths living in rural communities and examines the process by which they are initiated into gang activity It discusses their roles in various street gang organizations and their gang related and non gang related illegal activities It traces their experiences within the criminal justice system from initial contacts with the police to juvenile court and juvenile corrections Besides extensive interviews with the youths and official records collected from local criminal justice agencies data from more than 300 surveys of community members accompanied by extensive field research in local communities provides groundbreaking insights into a wide spectrum of issues related to gangs in rural settings While the Central Valley of California serves as the research site for this extensive work its findings are equally relevant to other rural areas in the United States and in the larger global context This volume will be of pivotal
