Fonseca,2018-12-01 This set covers all aspects of international hip hop as expressed through music art fashion dance and political activity Hip hop music has gone from being a marginalized genre in the late 1980s to the predominant style of music in America the UK Nigeria South Africa and other countries around the world Hip Hop around the World includes more than 450 entries on global hip hop culture as it includes music art fashion dance social and cultural movements organizations and styles of hip hop Virtually every country is represented in the text Most of the entries focus on music styles and notable musicians and are unique in that they discuss the sound of various hip hop styles and musical artists lyrical content vocal delivery vocal ranges and more Many additional entries deal with dance styles such as breakdancing or b boying b girling popping locking clowning and krumping and cultural movements such as black nationalism Nation of Islam Five Percent Nation and Universal Zulu Nation Country entries take into account politics history language authenticity and personal and community identification Special care is taken to draw relationships between people and entities such as mentor apprentice producer musician and more *The Problem of the Color[blind]* Brandi Wilkins Catanese,2012-10-16 Catanese s beautifully written and cogently argued book addresses one of the most persistent sociopolitical questions in contemporary culture She suggests that it is performance and the difference it makes that complicates the terms by which we can even understand multicultural and colorblind concepts A tremendously illuminating study that promises to break new ground in the fields of theatre and performance studies African American studies feminist theory cultural studies and film and television studies Daphne Brooks Princeton University Adds immeasurably to the ways in which we can understand the contradictory aspects

of racial discourse and performance as they have emerged during the last two decades An ambitious smart and fascinating book Jennifer DeVere Brody Duke University Are we a multicultural nation or a colorblind one The Problem of the Color blind examines this vexed question in American culture by focusing on black performance in theater film and television The practice of colorblind casting choosing actors without regard to race assumes a performing body that is somehow race neutral But where exactly is race neutrality located in the eyes of the spectator in the body of the performer in the medium of the performance In analyzing and theorizing such questions Brandi Wilkins Catanese explores a range of engaging and provocative subjects including the infamous debate between playwright August Wilson and drama critic Robert Brustein the film career of Denzel Washington Suzan Lori Parks s play Venus the phenomenon of postblackness as represented in the Studio Museum in Harlem s Freestyle exhibition the performer Ice Cube s transformation from icon of gangsta rap to family movie star and the controversial reality television series Black White Concluding that ideologies of transcendence are ahistorical and therefore unenforceable Catanese advances the concept of racial transgression a process of acknowledging rather than ignoring the racialized histories of performance as her chapters move between readings of dramatic texts films popular culture and debates in critical race theory and the culture wars

Rap Music and Street Consciousness Cheryl Lynette Keyes, 2004 Traces the genre s history from its roots in West African bardic traditions the Jamaican dancehall tradition and African American vernacular expressions to its permeation of the cultural mainstream as a major tenet of the hip hop style Cover *Rapper, Writer, Pop-Cultural Player* Josephine Metcalf, Will Turner, 2016-04-08 This collection of essays critically engages with factors relating to black urban life and cultural representation in the post civil rights era using Ice T and his myriad roles as musician actor writer celebrity and industrialist as a vehicle through which to interpret and understand the African American experience Over the past three decades African Americans have faced a number of new challenges brought about by changes in the political economic and social structure of America Furthermore this vastly changed social landscape has produced a number of resonant pop cultural trends that have proved to be both innovative and admired on the one hand and contentious and divisive on the other Ice T s iconic and multifarious career maps these shifts This is the first book that taken as a whole looks at a black cultural icon s manipulation of or manipulation by so many different forms simultaneously The result is a fascinating series of tensions arising from Ice T s ability to inhabit conflicting pop cultural roles including hardcore gangsta rapper and dedicated philanthropist author of controversial song Cop Killer and network television cop self proclaimed pimp and reality television house husband As the essays in this collection detail Ice T s chameleonic public image consistently tests the accepted parameters of black cultural production and in doing so illuminates the contradictions of a society erroneously dubbed post racial

Girls of Color, Sexuality, and Sex Education Sharon Lamb, Tangelia Roberts, Aleksandra Plocha, 2016-10-20 This book takes a close look at how girls of color think talk and learn about sex and sexual ethics how they navigate their developing sexuality through cultural stereotypes about sex and

body image and how they negotiate their sexual learning within a co ed sex education classroom While girls of color are often pictured as at risk or engaged in risky behavior the analyses of focus groups and classroom discussions show not only girls vulnerabilities but their strengths as they work with integrating diverse identities media messages school policy and history into their understanding of the sexual world they are exposed to and a part of

Documenting the Black Experience

Novotny Lawrence,2014-11-19 History taught at the elementary middle high school and even college levels often excludes significant events from African American history such as the murder of Emmett Till or the murder of four black girls by the Ku Klux Klan in the Sixteenth Street Baptist Church bombing in Birmingham Such events are integral parts of history that continue to inform America s racial politics Their exclusion is a problem that this work addresses by bringing more visibility to documentary films focusing on the events Books treating the history of documentary films follow a similar pattern omitting the efforts of filmmakers who have continued to focus on African American history This book works to make documentary discourse more complete bringing attention to films that cover the African American experience in four areas civil rights sports electronic media and the contemporary black struggle demonstrating how the issues continue to inform America s racial politics
