Gangster Chronicles:

The Gangster Chronicles Michael Lasker, Richard Alan Simmons, 1981 **Gangster Chronicles** Kareem, 2017-07-13

This is a story about a kid growing up during the turbulent times in the late fifties and the sixties. He had a good family and a chance to become whatever he wanted but he chose to want to be a gangster. This is about how his choices cost him a life of prison and a near death experience. He lived the life of a gangster his entire life until all the ones close to him began to die. Even his prized possessions began to fade and he was at his end. And just when he decided to change his ways his whole world caved in. **The Gangster Chronicles** ,2004 **The Gangster chronicles** ,1981 *Interrogating The Shield*

Nicholas Ray, 2012-09-27 When *The Shield* first appeared on US television in March 2002 it broke ratings records with the highest audience rated original series premiere in cable history. In the course of its subsequent seven season run the show went on to win international acclaim for its abrasive depiction of an urban American dystopia and the systemic political and juridical corruption feeding it. The first book dedicated to the analysis of this immensely successful series *Interrogating The Shield* brings together ten critical essays written from a variety of methodological and theoretical perspectives. Topics range from an exploration of the series derivation genre and production to expositions of the ethics aesthetics and politics of the show. As may be expected from a multiauthored collection this volume does not seek to present a homogenized account of *The Shield*. The show is variously applauded and critiqued. In their critical variety however the essays in this book are a testament to the cultural significance and creative complexity of the series. As such they are a reminder of the renewed power of quality television drama today. *Warren Oates* Susan Compo, 2009-04-17 Though he never reached the lead actor status he labored so relentlessly to achieve Warren Oates 1928-1982 is one of the most memorable and skilled character actors of the 1970s. With his rugged looks and measured demeanor Oates crafted complex characters who were at once brazen and thoughtful wild and subdued. Friends remember the hard living hard drinking actor as kind and caring but also sometimes as mean as a blue eyed devil. Married four times partial to road trips in his RV affectionately known as the Roach Coach and famous for performances for directors ranging from Sam Peckinpah to Steven Spielberg Warren Oates remained a Hollywood outsider perfectly suited to the 1960s and 1970s counterculture. Born in the small town of Depoy in rural western Kentucky and reared in Louisville Oates began his career in the late 1950s with bit parts in television westerns. Though hardly lucrative work it was during this time Oates met renegade director Sam Peckinpah establishing the creative relationship and destructive friendship that produced some of Oates's most unforgettable roles in *Ride the High Country* 1962 *Major Dundee* 1965 and *The Wild Bunch* 1969 as well as a leading part in *Bring Me the Head of Alfredo Garcia* 1974. Though Oates maintained a close association with Peckinpah he had a penchant for working with a variety of visionary directors who understood his approach and were eager to enlist the subtle talents of the consummate character actor. With supporting roles in *In the Heat of the Night* 1967 *The Hired Hand* 1971 *Badlands* 1973 *1941* 1979 and *Stripes* 1981 Oates

delivered solid performances for filmmakers as diverse and talented as Norman Jewison Peter Fonda Terrence Malick Steven Spielberg and Ivan Reitman Oates's offscreen personality was just as complex as his on screen persona Notorious for being a nightlife reveler he was as sensitive and introspective as he was outgoing and prone to periods of exuberant and at times illegal excess Though he never became a marquee name Warren Oates continues to influence actors like Billy Bob Thornton and Benicio Del Toro as well as directors such as Quentin Tarantino and Richard Linklater all of whom have cited Oates as a major inspiration In Warren Oates A Wild Life author Susan Compo skillfully captures the story of Oates's eventful life indulgent lifestyle and influential career
