Ganja Coast:

The Ganja Coast: George Sansi 2 Paul Mann, 2013-11-01 Where there s drugs there s violence A sleepy community on the Indian coast Goa is a paradise for the international hippie brigade drawn by the golden beaches and endless supply of cheap dope Goa is used to a certain manageable level of brutality used to mellowing its impact in a haze of pot smoke Lately though the ugliness has gotten worse Professionals have moved in on the drug trade and even the sweetest smoke can t cover the stink of corruption that s pouring from the highest levels of local government George Sansi the half Indian half English cop from Bombay who debuted in *Season of the Monsoon* thinks he s seen about the worst the world can offer But when he gets a call to help clean up Goa he finds himself unprepared for the grimly dark side of paradise **The Ganja Coast** Paul

Mann, 1996-10-21 *Gumshoes* Mitzi M. Brunsdale, 2006-04-30 The enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before This dictionary of fictional detectives helps readers learn about the series in which their favorite detectives are featured Included are alphabetically arranged entries on roughly 150 fictional detectives which provide information about the works in which the detective appears the locales in which the detective operates the detective s investigative methods and other important information Helpful bibliographical citations direct the reader to other interesting works The volume closes with a selected general bibliography various appendices and an extensive index The enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before Many of the most popular mystery books appear in series and these series feature carefully developed detectives **Report** Commonwealth Shipping Committee, 1911 **India Today**, 1995-04 **Parliamentary**

Papers Great Britain. Parliament. House of Commons, 1913 **Cannabis** Chris Duvall, 2014-11-15 Thanks to its best known use any mention of cannabis tends to bring up jokes about the munchies or debates about marijuana and legalized drug use But this not so innocent flowering plant was one of the first to be domesticated by humans and it has been used in spiritual therapeutic and even punitive applications ever since in addition to its more recreational purpose Despite all the hoopla surrounding cannabis however we actually understand relatively little about it in the human and ecological past In *Cannabis* Chris Duvall explores the botanical and cultural history of one of our most widely distributed crops presenting an even handed look at this heady little plant Providing a global historical geography of cannabis Duvall discusses the manufacture of hemp and its role in rope making clothing and paper as well as cannabis s use as oil and fuel His focus though is on its most prevalent use as a psychoactive drug Without advocating for either the prohibition or legalization of the drug Duvall analyzes a wide range of works to offer a better understanding of both stances and moreover the diversity of human cannabis relationships across the world In doing so he corrects the overly simplistic portrayals of cannabis that have dominated discourse on the subject arguing that we need to understand the big picture in order to improve how the plant is managed worldwide Richly illustrated and highly accessible *Cannabis* is an essential read to understand the rapidly evolving debate

Coastal Security- Policy Imperatives for India COMMANDER HIMADRI DAS ,2019-11-01 The heinous attack on Mumbai on 26 November 2008 26 11 brought to the fore the compelling need to strengthen mechanisms for maritime and coastal security in India This book ten years after the attack aims to advance the academic discourse on the subject The book traces the evolution of the coastal security construct in India and dwells extensively on the multifarious initiatives taken since 26 11 The book also undertakes a comprehensive examination of multiple elements of the coastal security construct and makes policy recommendations for further strengthening coastal security in India A useful updated and insightful resource for academics policymakers practitioners as also those interested in the subject Marijuana India. Hemp Drugs Commission, 1893-1894, 1969 Psychedelic White Arun Saldanha, Psychedelic White is one of the most innovative refreshingly different analyses of race I have read in the last decade Elizabeth Grosz author of The Nick of Time Politics Evolution and the Untimely The village of Anjuna located in the coastal Indian state of Goa has been one of the premier destinations on the global rave scene for nearly two decades The birthplace of Goa trance the most psychedelic variety of electronic dance music Anjuna first attracted adventurous Westerners in the 1970s who were drawn there by its tropical beaches tolerant locals and readily available drugs Today rave tourists travel to Goa to take part in round the clock dance parties and lose themselves in the crowds the music and the drugs But do they really escape where they come from and who they are A rich and theoretically sophisticated ethnography Psychedelic White explains how race plays out in Goa's white counterculture and grapples with how to make sense of racism when it is not supposed to be there Goa is a site of particularly revealing forms of interracial collision and contrary to author Arun Saldanha's expectations that the nature of rave would create an inclusive atmosphere he repeatedly witnessed stark segregation between white and Indian tourists He came to understand race in its creative dimension as a shifting and fuzzy assemblage of practices environments sounds and substances dance skills sunlight conversation cannabis and tea In doing so his work shows how the rave scene in Goa harbors conflicting tendencies regarding race The complicated intersection of cultures and phenotypes Saldanha asserts helps to consolidate whiteness Race emerges not through rigid boundaries but rather through what he terms viscosity the degree to

which bodies gather together for pleasure and self transformation Challenging the prevailing conception of racial difference as a purely social construction and offering building on the works of Gilles Deleuze and Flix Guattari Psychedelic White presents nothing less than a new materialist approach to race Arun Saldanha is assistant professor of geography at the University of Minnesota **The Burning Tide: George Sansi 3** Paul Mann,2013-11-01 There was another scream and another and then a terrible cry went up all along the ghats panic spread along the riverbank as people rushed to get out of the water A lethal chemical spill kills thousands of pilgrims worshipping at a sacred Indian river George Sansi is enticed by a dangerously seductive Government Minister to investigate the atrocity An unscrupulous industrial tycoon will stop at nothing to cover his tracks The enigmatic George Sansi returns in a spellbinding novel of political intrigue corporate greed and fierce passions **return of wrecks and casualties in indian waters for the year 1883** captain arthur w. stiffe,1884

Honour is in Contentment William Lancaster,Fidelity Lancaster,2011 Based on interviews and field research the authors explore the sets of ideas Arab tribespeople from Ras Al Khaimah had about tribe and community social and economic networks and jural contracts for livelihoods and profits their uses of their environments the moral relations of credit debt and labour ruling economic and political transformations and ideas of regional history where conflicts were regarded as disputes over sets of ideas and informal accounts of tribal and local histories Their lively descriptions and explanations of life before oil portrayed tribal societies whose relationships were moral rather than political and were between jurally equal persons All lived from their own resources wealth was material self sufficiency riches the richness of social relationships Political arenas were decentralised and underpinned by common cultural and moral values Published sources give a wider context to these ideas and events which show the great complexity and differing perspectives of life before oil in the Gulf **Justice**

Denoted Terry White,2003-09-30 White provides the most comprehensive scholarly compilation of fictional work of legal suspense in existence Primarily a bibliography of novels it also annotates plays scripts for film and television novelizations and short story collections about lawyers and the law The idea behind the principal of selection is to disdain labels that reduce the variety of the legal thriller to a subgenre of mystery fiction Novels that range from suspense thrillers through science fiction to the philosophical novel are included if justice is thematically important It is therefore an eclectic reference source beyond a compilation of books about lawyers as protagonists Its biographical and scholarly information about authors major and minor and their novels or works is traditionally encyclopedic and objective regardless of whether the work has been genre defined or worse deified as a classic or denigrated as a bestseller Many novels included are long out of print but historically interesting for their contribution to the lineage of the courtroom drama showing that the history of the legal thriller is one of the major branches of modern literature since the Age of Reason The criterion of justice denoted moves

beyond the fact of lawyers and courtrooms to select seminal novels like Robert Travers *Anatomy of a Murder* as well as the romantic potboiler *Among the more than 2 000 works* are the Perry Mason novels of Erle Stanley Gardner John Mortimer's Rumpole series along with a staple of fiction by major authors of the genre like John Lescroart Lisa Scottoline Margaret Maron Scott Turow and John Grisham There are also individual works by Shakespeare Goethe Kafka Camus and Twain delineating humanity's obsession with the law as its shining prop of civilization and alternative *be te noire* of the common individual caught up in its maw The appendices include comments by lawyer novelist Michael A Kahn a historical introduction to the legal thriller craft notes by writers and prominent trial lawyers responding to author and lawyer questionnaires bibliography of critical sources and articles series characters and the legal terminology found in courtroom dramas and novels An essential reference tool for scholars researchers as well as the occasional reader of legal thrillers

Drug Enforcement, 1974 **The Britannia Contract** Paul Mann, 2013-11-01 Great Britain does not negotiate with terrorists Shock waves are felt throughout the world when members of the IRA hijack the royal yacht Britannia with Queen Elizabeth and Prince Philip on board demanding the removal of British troops from Northern Ireland within seven days With the support of a Middle Eastern terrorist group and a British traitor the hijackers stand off against British and American naval forces while the British government agonises over the choice before them Time is running out fast and tensions in Belfast in the British government and among the hijackers quickly reach their limit As the pressure mounts British and American special forces come together to pull off a spectacular rescue attempt that has only one chance to succeed

Thai Stick Peter Maguire, Mike Ritter, 2013-11-12 The untold history of the underground marijuana trade in Thailand from surfers and sailors to pirates Located on the left bank of the Chao Phya River Thailand's capital Krungthep known as Bangkok to Westerners and the City of Angels to Thais has been home to smugglers and adventurers since the late eighteenth century During the 1970s it became a modern Casablanca to a new generation of treasure seekers from surfers looking to finance their endless summers to wide eyed hippie true believers and lethal marauders left over from the Vietnam War Moving a shipment of Thai sticks from northeast Thailand farms to American consumers meant navigating one of the most complex smuggling channels in the history of the drug trade Many forget that until the mid 1970s the vast majority of marijuana consumed in the United States was imported and there was little to no

domestic production Peter Maguire and Mike Ritter are the first historians to document this underground industry the only record of its existence rooted in the fading memories of its elusive participants Drawing on hundreds of interviews with smugglers and law enforcement agents the authors recount the buy delivery voyage home and product offload They capture the eccentric personalities of the men and women who transformed the Thai marijuana trade from a GI cottage industry into a professionalized business moving the world s most lucrative commodities unraveling a rare history from the smugglers perspective Highly recommended for anyone who loves adventure cannabis surfing or all of the above It s every single bit as heady energetic and captivating as the title implies Cannabis Now
