Jackrabbit Messiah Geoph Essex,2014-01-20 Madmen and messiahs are often mistaken for one another But when a lunatic claims to be a deity there s always a third option Maybe he s crazy and a god It doesn t take long for NYPD psychiatrist Amity Sheridan to diagnose her new patient as a schizophrenic with delusions of godhood but that doesn t explain how he survived a twenty storey fall onto Eighth Avenue without a scratch When Jackrabbit escapes as he always does Amity tumbles into a wider woolier world of gods legends and heroes recruited to perform an age old ritual that keeps a terrible evil in check The key to defeating a villain that gobbles up minds and souls is Jackrabbit s unique knack for being supremely perhaps even divinely elusive Unfortunately his talent for escaping even the gods themselves makes it that much harder for the good guys to track him down for the job and their soul swallowing foe is already laying out the good silverware for a world sized meal Jackrabbit Messiah is the second novel set in the Silhouette Universe a wild fast and loose tale of modern day gods and the heroes who have to put up with them The Pet Thief Kassten Alonso,2013-03-11 The Pet Thief is a dystopian fable of science rebellion humankind s inhumanity and the struggle for identity and survival in a post human world Drunken Space Pirates! Phoenix Freebird A.,2009-06-30 Running from a mutinous crew sucked through a wormhole like in a bad sci fi movie and slowly running out of booze and that s just the beginning of this non traditional story that starts off as a simple captain s log book and evolves into something more like a really warped and twisted TV show in text Follow the Captain and crew on a series of seemingly random adventures where it s obvious it s not just the Captain who s been drinking At some point you may ask yourself is all this just coincidence or is there something dark and annoying on

the horizon The Captain seems to have a drinking problem the problem being he never has enough to drink and people from his past keep showing up and ruining his buzz Akki a corrupted artificial intelligence who occasionally takes over the Captain's log has his own plans mostly self serving ones because he has nothing better to do The rest of the crew pirates hot chicks robots and a foul beaked little space penguin round out the Drunken Space Pirates and with all the wise cracks and shots aimed at everyone and everything its clear the alcohol flows rather freely within the D S P Many of the off the wall characters of the D S P are walking guilty pleasures who say what they feel do what they want and just generally give it to life pop culture and the universe in general with both barrels and occasionally fish *Eggnog Murder* Leslie Meier, Lee
