and settle down to marriage but artists with real genius are too consumed by their work to fit that pattern The dominant
figure in the novel is Owen Jack a musical genius somewhat mad and quite bereft of social graces From an abysmal
beginning he rises to great fame and is lionized by socialites despite his unremitting crudity George Bernard Shaw 1856

Morgan,2025-10-03 In *The Shavian Playground* originally published in 1972 Shaw's plays are examined as self-contained imaginative structures intended for theatrical performance Beginning with a consideration of his novels the book covers the whole span of Shaw's career as a dramatist paying special attention to critically and theatrically neglected plays and offering fresh interpretations of others Bernard Shaw, Playwright Bernard F. Dukore,2025-10-03 Bernard's Shaw's plays have delighted and stimulated audiences since their first appearances Their author's satiric view of conventions institutions and behavior continues unfailingly to amuse while it provokes doubts about the honesty of the social and political attitudes that underlie them Originally published in 1973 Dukore discusses the theory of drama that is the basis of Shaw's comedies which present his views of mores and follies That Shaw's theory was coherent and comprehensive Dukore shows in Part One of this book with supportive references to Shaw's critical works letters speeches and plays In Part Two using such familiar works as *Candida* *Pygmalion* and *Back to Methuselah* as well as less known plays like *In Good King Charles's Golden Days* to reinforce his points Dukore analyses the discussion play according to Shaw the watershed of the new drama *Androcles and the Lion* and *Saint Joan* along with other plays illustrate Shaw's use of the prologue or prologuelike first act to create the play's social and psychological foundations *Man and Superman* and *The Apple Cart* are among those which exemplify the play whose frame is both detachable from its centerpiece and also functionally integrated with it Dukore also considers at length Shaw's reworking of other men's plays Shakespeare's *Cymbeline* and Trebitsch's *Frau Gittas Shne* as well as his own *Major Barbara* These revisions bring into sharp focus Shaw's perception of human nature and his principles of dramaturgy Among others of Shaw's plays Dukore presents *Too True To Be Good* and *Heartbreak House* as examples of his protoexistentialism his apprehension of the absurd and the existential as forces in life Throughout Shaw's plays major and minor Dukore sees the influence of the playwright's socialism and supports this observation with precise examples from the works In sum Dukore proposes fresh perspectives from which to regard Shaw's works for the theatre works that were arrestingly relevant and immediate to the time *Bernard Shaw* Daniel Dervin,1975 Brings literary criticism into better alignment with modern psychology particularly psychoanalysis in order to advance a truly integral view of the author his work and the creative process *The Late Victorian Folksong Revival* E. David Gregory,2010-04-13 In *The Late Victorian Folksong Revival* The Persistence of English Melody 1878-1903 E. David Gregory provides a reliable and comprehensive history of the birth and early development of the first English folksong revival Continuing where Victorian Songhunters his first book left off Gregory systematically explores what the Late Victorian folksong collectors discovered in the field and what they published for posterity identifying differences between the songs

noted from oral tradition and those published in print In doing so he determines the extent to which the collectors distorted what they found when publishing the results of their research in an era when some folksong texts were deemed unsuitable for polite ears The book provides a reliable overall survey of the birth of a movement tracing the genesis and development of the first English folksong revival It discusses the work of more than a dozen song collectors focusing in particular on three key figures the pioneer folklorist in the English west country Reverend Sabine Baring Gould Frank Kidson who greatly increased the known corpus of Yorkshire song and Lucy Broadwood who collected mainly in the counties of Sussex and Surrey and with Kidson and others was instrumental in founding the Folk Song Society in the late 1890s The book includes copious examples of the song tunes and texts collected including transcriptions of nearly 300 traditional ballads broadside ballads folk lyrics occupational songs carols shanties and national songs demonstrating the abundance and high quality of the songs recovered by these early collectors

Modern Literature and the Tragic K. M. Newton, 2008-06-20 This book explores modern literature's responses to the tragic It examines writers from the latter half of the nineteenth century through to the later twentieth century who respond to ideas about tragedy Although Ibsen has been accused of being responsible for the death of tragedy Ken Newton argues that Ibsen instead generates an anti tragic perspective that had a major influence on dramatists such as Shaw and Brecht By contrast writers such as Hardy and Conrad influenced by Schopenhauerean pessimism and Darwinism attempt to modernise the concept of the tragic Nietzsche's revisionist interpretation of the tragic influenced writers who either take pessimism or the Dionysian commitment to life to an extreme as in Strindberg and D H Lawrence Different views emerge in the period following the second world war with the Theatre of the Absurd and postmodern anti foundationalism
