Carmen Balcells fue mucho más que una agente fue un mito. Una combinación afortunada de talento, inteligencia y ambición la convirtió en un referente internacional de la literatura en lengua española. Para escribir su biografía Carme Riera, que la trató durante casi cuarenta años, ha tenido acceso al archivo de la agencia y ha entrevistado a familiares, amigos, autores, editores y agentes. El resultado es el brillante retrato de una figura querida y temida, poderosa y polimica, que reunió un catálogo asombroso de autores y ocupa un lugar esencial en la cultura hispánica de los últimos setenta años. Reseñas. El legado de Balcells no es menos importante que el que deja un gran escritor, pintor o músico. Mario Vargas Llosa: Carmen Balcells es un emperador romano. Gonzalo Suárez: Tener a Balcells era viajar siempre en primera. Eduardo Mendoza: Con Balcells gané siempre la literatura. Miquel de Palol.

Cultural Calendar of the 20th Century Edward Lucie-Smith, 1979 The extraordinary pace of events in the twentieth century has been confusing as well as exciting This is particularly so in the arts where even the accepted definition of a work of art has often broken down completely while the numerous styles and isms in literature drama music the visual arts cinema and other disciplines have been invented and discarded in quick succession This book is a chronology of change it sets the immense variety of twentieth century cultural activity year by year against the background of world events It does so not only through a succinct and authoritative narrative but also by taking each year in turn and presenting a list of the major works in each art form created during that year This is set against a concurrent general events of political social or cultural significance Each year is also individually illustrated the pictures having been carefully selected so that they evoke the styles and contrasts of the time book jacket El derecho penal en la obra de Gabriel García Márquez Antonio J.
