When Women Stood Alexandra Allred, 2023-02-08 An unapologetically candid and illuminating history of women and their fight for equality told through the influential world of sports From early Amazons to modern day athletes women have been fighting for their rightful place in the world The history of these female athletes whether warriors on the battlefield or competitors in the sports arena has often been neglected yet it is through sports that women have changed society gaining entry into education travel politics and more When Women Stood is an eye opening chronicle of the amazing women who refused to accept the status quo and fought for something better for themselves and for those who would follow Featuring exclusive insight from athletes such as Jackie Joyner Kersee Kathrine Switzer Nancy Lieberman Briana Scurry and Nancy Hogshead Maker this book includes the stories of female football players Olympic athletes powerlifters and soccer stars of historians archeologists crusaders and scientists Women's sports history cannot be told without also telling the story of the fight for gender and racial equality economics medical biases gay and transgender history violence religion media abuse and activism When Women Stood is the first to go beyond the record books and gold medal counts to truly dig into the vital role women and sports have played in instigating change in society as a whole And it shows that despite seemingly unsurmountable odds the true spirit of the female athlete can never be restrained

*Built to Win* Leslie Heywood, Shari L. Dworkin, Annotation The sculpted speed of Marion Jones The grit and agility of Mia Hamm The slam dunk style of Lisa Leslie The skill and finesse of these sports figures are widely admired no longer causing the puzzlement and discomfort directed toward earlier generations of athletic women Built to Win explores this relatively recent phenomenon the confident empowered female athletes found everywhere in American popular culture Leslie Heywood and Shari L Dworkin examine the role of female athletes through interviews with elementary and high school age girls and boys careful readings of ad campaigns by Nike Reebok and others discussions of movies like Fight Club and Girlfight and explorations of their own sports experiences They ask what if any dissonance is there between popular images and the actual experiences of these athletes Do these images really redefine femininity and contribute to a greater inclusion of all women in sport Are sexualized images of these women damaging their quest to be taken seriously Do they inspire young boys to respect and admire female athletes and will this ultimately make a difference in the ways gender and power are constructed and perceived Proposing a paradigm shift from second to third wave feminism Heywood and Dworkin argue that in the years since the passage of Title IX gender stereotypes have been destabilized in profound ways and they assert that female athletes and their imagery are doing important cultural work to that end Important refreshing and engrossing Built to Win examines sport in all its complexity

*Rescuing Virgins: A Guide To Virgin Islands Sports Collectibles* Enrique Corneiro, 2018-02-02 Rescuing Virgins A Guide to Virgin Islands Sports Collectibles tells the stories of 100 Virgin Islands athletes that have gone on to play

professional sports at the highest levels Sports categories include baseball basketball football boxing horse racing volleyball mixed martial arts sailing skiing motor sports and Olympics

**Erotic Revolutionaries** Shayne Lee,2010-08-04 Why is there no pro sex contingency in black feminist scholarship Why do so few African American scholars expound on issues celebrating female sexual pleasure Perhaps the answers to these questions reside within a discursive matrix of sexual repression commonly referred to as the politics of respectability and its rein on black sexual politics In *Erotic Revolutionaries Black Women Sexuality and Popular Culture* sociologist Shayne Lee steers black sexual politics toward a more sex positive trajectory Introducing feminist analysis to a conceptual ménage à trois of scripting theory media representation and black sexual politics Lee considers the ways in which the feminist quest for social and sexual equality can delve into popular culture to see the production of subversive scripts for female sexuality and erotic agency Whereas most feminist scholarship underscores how sexual representations of black women in media are exploitative and problematic Lee portrays black female celebrities like Janet Jackson Beyoncé Karrine Steffans Zane Tyra Banks Juanita Bynum Sheryl Underwood and many more as feminists of sorts who afford women access to cultural tools to renegotiate sexual identity and celebrate sexual agency and empowerment *Erotic Revolutionaries* navigates the uncharted spaces where social constructionism third wave feminism and black popular culture collide to locate a new site for sexuality studies that is theoretically innovative politically subversive and stylistically chic

Catfight Leora Tanenbaum,2011-01-04 *Catfight Women and Competition* is Leora Tanenbaum's dissection of the gender war waged among women Tanenbaum meticulously analyzes the roots of destructive competitiveness among women asserting that catfights thrive because despite women's many gains American women are conditioned to regard each other as adversaries rather than allies She investigates the arenas from diets to dating from the boardroom to the delivery room in which American women are apt to compare their lives with the lives of others in a tacit contest over who is the better woman a contest in which no one wins Throughout *Catfight* Leora Tanenbaum puts her own life experiences under the lens of scrutiny As a writer a friend a mother a wife and a daughter she analyzes her own insecurities and background and how these influence her relations with other women With the sociologist's perspective of a Barbara Ehrenreich and the feminist outrage of a Gloria Steinem Tanenbaum demythologizes the age old catfight

*Skimpy Coverage* Bonnie M. Hagerman,2023-05-15 *Skimpy Coverage* explores *Sports Illustrated's* treatment of female athletes since the iconic magazine's founding in 1954 The first book length study of its kind this accessible account charts the ways in which *Sports Illustrated* arguably the leading sports publication in postwar America engaged with the social and cultural changes affecting women's athletics and the conversations about gender and identity they spawned Bonnie Hagerman examines the emergence of the magazine's archetypal female athlete good looking straight and white and argues that such qualities were the same ones the magazine prized in the women who appeared in its wildly successful Swimsuit Issue As Hagerman shows the female athlete and the swimsuit model at least for the magazine were essentially one and the same

Despite this conflation and the challenges it poses Hagerman also tracks the distance that sportswomen including Wilma Rudolph Billie Jean King Serena Williams and Megan Rapinoe have traveled both within Sports Illustrated's pages and without Blending sports with gender history Skimpy Coverage profiles numerous sportswomen who have used athletics and the platform sport offers to push for empowerment freedom equality and acceptance in ways that have complemented and inspired broader feminist agendas *Fitness as Cultural Phenomenon* Karin A. E. Volkwein-Caplan, Karin A. E. Volkwein,

More Than Just Food Garrett Broad, 2016-02-09 The industrial food system has created a crisis in the United States that is characterized by abundant food for privileged citizens and food deserts for the historically marginalized In response food justice activists based in low income communities of color have developed community based solutions arguing that activities like urban agriculture nutrition education and food related social enterprises can drive systemic social change Focusing on the work of several food justice groups including Community Services Unlimited a South Los Angeles organization founded as the nonprofit arm of the Southern California Black Panther Party *More Than Just Food* explores the possibilities and limitations of the community based approach offering a networked examination of the food justice movement in the age of the nonprofit industrial complex

Level Playing Field for All? Leanne Doherty, 2011-07-16 What makes a candidate viable in the eyes of the voters What makes someone qualified to run for office Why do voters tend to opt for certain types of people and not others How much are such tendencies rooted in broad characteristics racial or ethnic group gender etc versus more idiosyncratic traits those tied to respective candidates presentation of self Whatever the broader issues it is clear that to date women when compared to men have faced greater obstacles to being seen as viable candidates for elected office *A Level Playing Field for All* examines candidates use of sports in election campaigns as a way to understand broader issues of candidate viability and in particular the hurdles that women must overcome to achieve political office This book reveals the extent to which athletic participation has become a social eligibility factor in the success of candidates for elected office Doherty examines the role participation in athletics played for women looking to run for office She goes on to appraises the ways in which potential cutbacks and already limited opportunities for women in sports might further affect their opportunities to attain viable candidate status
