Gabriels Lady:

"My World My Work My Woman All My Own" Reading Dante Gabriel Rossetti in His Visual and Textual Narratives Yildiz Kilic, 2014-08-18 Dante Gabriel Rossetti Pre Raphaelite extraordinaire is unique as Victorian proto expressionistic painter poet who relentlessly sought representation of a tormented personified self through the communicative relationship between image and word In this interdisciplinary study is considered the narrative interaction that unifies ideas and forms into a self expressive dialectical that informs of autonomous individualism and gender politics as a social problematic Rossetti known universally as a charismatic and vibrantly passionate man is tangibly revealed in the most tenderly transparent narratives to be a haunted and socially subjugated man who searched for self definition as a man and as an artist By an intricate analysis of key textual and visual narratives Yildiz Kilic provides an insightful and wholly original interpretation of Rossetti as Victorian victim and innovator *The Life of Blessed Gabriel of Our Lady of Sorrows* Hyacinth Hage, 1910 *Gabriel* Samuel Adamson, 2013-08-01 This is noisily Protestant England the England of William and Mary s Glorious Revolution at the end of a century of civil strife This is London in the 1690s the monster city tamed into awe by our only Orpheus Henry Purcell Monarchs princes prostitutes wigmakers composers tapsters musicians transvestites and watermen jostle for attention in the teeming unruly world of late seventeenth century London where enthralling stories both real and imagined merge and intersect Samuel Adamson s Gabriel premiered at Shakespeare s Globe London in July 2013 with Alison Balsom one of the world s finest trumpeters performing the music of Purcell and Handel Every day three trumpet calls from the theatres on the Bankside then songs would float over the thatch and roll across the water and make my work sweet *Reading Dante Gabriel Rossetti* Brian Donnelly, 2016-03-03 A revolutionary figure throughout his career Dante Gabriel Rossetti s work provides a distinctly revolutionary lens through which the Victorian period can be viewed Suggesting that Rossetti s work should be approached through his poetry Brian Donnelly argues that it is both inscribed by and inscribes the development of verbal as well as visual culture in the Victorian era In his discussions of modernity aestheticism and material culture he identifies Rossetti as a central figure who helped define the terms through which we approach the cultural productions of this period Donnelly begins by articulating a method for reading Rossetti s poetry that highlights the intertextual relations within and between the poetry and paintings His interpretations of such poems as the Mary s Girlhood sonnets the sonnet sequence *The House of Life* and *The Orchard Pit* in relationship to paintings such as *The Girlhood of Mary Virgin* and *Ecce Ancilla Domini* shed light on Victorian ideals of femininity on consumer culture and on the role of gender hierarchies in Victorian culture Situating Rossetti s poetry as the key to all of his work Donnelly also makes a case for its centrality in its representation of the dominant discourses of the late Victorian period faith sex consumption death and the nature of representation itself *Gabriel'S Extinguishing the Atomic Hell Series* Yousuf Gabriel, 2015-07-31 At a time unparalleled in history humanity faces a threat of universal nuclear doomsday with an end result of total annihilation of life on earth Being

an enthusiast for global peace with an extensive research background Yousuf Gabriel explores the root cause of the nuclear problem Probing deep into the realms of theology philosophy atomism nuclear science literature and history amid a mist of mystification regarding universal nuclear dilemma Gabriel has tried to resolve the issue in the light of the Scriptures He is a philanthropist who warns humanity about nuclear hell and wants to shun the two edged sword of nuclear energy either for war or so called peaceful purpose Gabriels Extinguishing the Atomic Hell Series serves as the key to the future destiny of this now doomed humankind It is a case of dwindled religion and diminished faith versus science It is based on a miraculous prophecy rather a warning about nuclear hell given by the Quran more than fourteen centuries ago The prophecy has described the characteristics of the age in which atomism was supposed to appear as well as of the people who would become the victims of nuclear fire It has also given the remedial measures and solutions to avoid this nuclear doomsday The whole nuclear phenomena with all its characteristic scientific features is described in its entirety by this prophecy of the Holy Quran The major focus of criticism is the philosophy of Francis Bacon who preferred natural philosophy over moral philosophy for mans right of dominion over nature for the material utility Educate yourself about the dreadful outcome of adopting nuclear energy whether for war or peaceful purposes Learn how after a prolonged use of nuclear energy human and animal species may be converted to abhorrent monsters and chimeras Enlighten yourself in the light of Scriptures how humanity can avoid this shameful and dreadful end KHALID MALIK
