Gaining Favor with God and Man William M. Thayer, 1893 Developing Life-Changing Faith Carole

Haygood, 2018-01-04 Developing Life Changing Faith contains the spiritual teachings from a 7 year journey to developing the faith that changed my life This journey started when I accidentally used faith to be healed from an infirmity that plagued me for many years Questioning how this miracle happened in this age I turned to the unused pages of my Bible to find my answer I saw what I had accidentally done that spurred the miracle and the simple requirement hidden in plain sight in its pages Over the following year the Spirit showed me misconceptions that blocked my ability to develop and use faith and showed me the common things I did that made it impossible for God to answer my prayers essentially tying Gods hands against me Then I was taught what the foundation of faith really is the key or seed of faith explaining why knowing this key is vitally important to develop the kind of faith illustrated in Bible stories Through the subsequent years I was taught about the things for which we could pray and the things for which we should not pray and why the truth about tests of our faith why they are necessary why we should watch for them and how to pass them every time and how to use faith correctly highlighting biblical keys to give a complete understanding about faith Developing Life Changing Faith will give the readers the same teachings understandings tools keys and corrections to develop the faith that will change their lives It will lead them from feeling that their faith is not working to fully understanding how to develop and correctly use faith which will truly change their lives

The Joy of Faithful and Cheerful Giving: Wonderful Principles to Embrace VINCENT

ONYEBUCHI NWANKPA PH. D., 2022-03-22 That money talks I ll not deny I heard it once it said goodbye I grew up hearing this saying and it often made me chuckle Maybe that s because on our farm we had plenty of land and livestock but little cash Once I began pastoring a church however the humor in that little jingle began to fade There is little doubt that one of the great challenges for Christian leaders today is the task of securing adequate funding and other resources for ministry There are numerous reasons for this and Brother Vincent Nwankpa does a tremendous job uncovering these and other issues in his new book The Joy of Faithful and Cheerful Giving Wonderful Principles to Embrace Enjoying the read I found his research to be biblically solid up to date and relevant to today s realities The people in our pastorate were generous Even though our salary was low they gave affection time energy food and faithful support to my wife and me as we began our ministry life together But along the road our years in ministry have been a financial struggle and for most pastors and missionaries today the difficulties are a real and present danger to their health wealth and mission Kudos to Dr Nwankpa for taking the time and energy to share biblical wisdom and a lifetime of experience to encourage and teach all of us in Christian service You are correct Brother Vincent when you assert that too little instruction about giving is being given in churches today It is time for a renewed focus on the basic principles of giving and the joy that comes from giving generously in the body of Christ Mick Boersma PhD Professor Emeritus of Christian Ministry and Leadership Talbot School of Theology Biola University January 17

Atonement for Whom? Moreno Dal Bello, 2015-08-13 Most people today are taught that Christ Jesus died for every single individual ever born Sadly this teaching may be found just as surely in a Protestant assembly as in a gathering of Roman Catholics Teachings such as these primarily show an incredible amount of ignorance of what the True Gospel is and show a distinct lack of understanding by those who profess to be believers in churches today which claim to be preaching salvation about atonement what it is and who it was made for What people are being taught about Jesus Christ and His atoning death upon the cross is a lie The gravity of the situation cannot be emphasized too highly To deny or to be ignorant of what Christ has done is to deny Christ Himself The True Redemptive Character of God and the True Atoning work of Christ have been and continue to be grossly misrepresented in churches today They are not preaching God's Gospel but a counterfeit in which there is no salvation
