Marauders of the Roswell Links Episode II Joshua K. Alam, 2010-02-25 Agent Mark Tracker Hunter and Russian agent Nitasha have joined forces at the advice of their governments. They enter the deep desert to find the damaged alien computer which has been buried for thousands of years as mapped on an ancient map. The ruthless billionaire Joseph Kavanaughs hired mercenaries lead by the internationally known notorious Bernard DeLoutch are trailing right behind them. DeLoutch is able to snatch the damaged alien computer. Those working for Kavanaugh fix the computer and use the alien technology to make his island impregnable to Earth weapons. Also through alien technology they are able to attack and destroy world governments. Kavanaugh continued to use the damaged communication panel which broadcasted his transmission on an open frequency through out the galaxy that any extraterrestrial entity could pickup. The evil alien Lord Haqoum Gurlock the supreme commander of the combined fleets and forces of the Intergalactic Ruling Council picks up the transmission. Planet Earth is placed under siege to strip it from its natural resources and then to test fire a doomsday weapon capable of shattering planets. If the people from Earth and the friendly aliens do not destroy the doomsday weapon in time Earth will be reduced to rubble. A vision has been foretold by a Sirvan Lord one of the Galactic Legends during his sleep regarding his own descendant from the future. Thousands of years later the descendant was born. He lived an unfair life. He started out as a Semanti and later fell to the dark side becoming a Sirvan as foretold in a vision dreamt by his ancestor. The descendant had been convinced to turn to the dark side making him give in. For revenge he gave the order to slaughter every last Semanti that rejected him no longer showing mercy on them. The only hope for the Semanti is for someone to bring balance to the Inertia and to the galaxy. In times past only a very few Semanti knights survived the attack of the Federal Order. One of them by the name of Jessica Stellox stood up to a Sirvan named Lord Corvus who possesses powerful abilities and had a mysterious past. Now she and the surviving Semanti form the Star

Squadron a band of little known heroes were to fight against the Federal Order Out of nowhere Jessika senses that an old friend is still alive and not dead like everyone thought Jessika hopes to find out who it is
