Wisdom Commentary: Romans Christian A. Eberhart, 2025-03-15 Can a feminist interpretation of Romans discover anything new In this volume Christian Eberhart pays special attention to the fact that Paul entrusted Phoebe a gentile woman with the task of delivering the letter to Rome There she would have been the person who recited it aloud and by heart in front of various audiences Yet as the leader of a congregation in Corinth Phoebe had likely also been involved in the process of composing the letter as some passages reveal This multifaceted engagement of a woman gives new meaning to the vision of human society in Romans that celebrates the full participation of women and men Jews and gentiles weak and strong and free and slave Commentaries on the Epistles of Paul the Apostle to the Philippians, Colossians, and Thessalonians. By John Calvin. Translated and edited ... by the Rev. John Pringle. [With the text in Latin and English.], 1851 *Wait and Hope* Jacob Tanner, 2024-07-02 Jacob Tanner encourages us to learn how the Puritans endured immense suffering in various aspects of the Christian life *The Rise of the Covenant of Redemption in the Theology of Samuel Rutherford* Sam Bostock, 2025-05-29 The Church of Scotland divine Samuel Rutherford 1600-61 was among the first theologians to say that Christ's saving work took place to fulfill an agreement between God and Christ that had been made in eternity By placing Rutherford's major statements of this new doctrine in their various social political polemical and pastoral contexts this book provides a fresh explanation for the dramatic rise of the eternal covenant of redemption to become the cornerstone of Reformed federal theology and offers a case study in the development of doctrine Minor Prophets in a Major Key Chris Woodall, 2018-01-24 All Scripture is God-breathed but not every portion of it is embraced by Christians with equal vigor Tribal lists specific sacrificial obligations seemingly endless genealogical records and apparently gratuitous acts of warfare are readily scanned over But could the minor prophets be added to that list Should they be They certainly seem more difficult to locate for many of us than say the books of Moses or the Psalms The writer is clear in his assessment from the start positing that our relative ignorance of these twelve books tucked away at the end of the Old Testament impinges negatively on the Christian believer's walk Covering a period of around four hundred years each book is revealed through two contextual settings the historical and that which was personal to the individual pensmith before a brief overview reveals the main points of that author's writing The bulk of each chapter is concerned with the Major Key of the title Taking a verse or two from each of the minor prophets Chris Woodall develops a theme to bring practical application with a potentially positive impact to life as a Christian in the twenty-first century from lessons over two and a half thousand years old Chris Woodall is

former Associate Professor of Dogmatics at North West University South Africa This is his fourth book for Wipf and Stock The first three Covenant the Basis of God's Self Disclosure 2011 Kingdom the Expression of God's Rule 2012 and Atonement God's Means of Effecting Man's Reconciliation 2015 are also available from this publisher and other outlets **Romans 9-16** Philip D. W. Krey, Peter D. S. Krey, 2016-10-19 In this volume of the Reformation Commentary on Scripture Philip Krey and Peter Krey offer a diversity of Reformation era biblical commentary on Romans 9-16 Drawing upon Lutheran Reformed Anglican Radical and Roman Catholic resources they reveal the breadth and depth of early modern biblical exegesis for the renewal of the church today **Catalogue of the Library of Rev. Thomas Prince** Thomas Prince, Old South Church (Boston, Mass.), 1846 *The Weakness of the Law* Jonathan F. Bayes, 2007-09-01 The Weakness of the Law aims to demonstrate that the five New Testament references to the weakness of the Law read in their respective contexts support those who advocate the third use of the Law in the debate with doctrinal antinomianism The study falls into two parts Part One sets the scene by means of a series of illustrations of the debate in approximate chronological order in which representatives of each of the two broad positions are set side by side In Part Two the four books in which the five key texts appear are studied in their entirety as they relate to the subject of the Law Commentaries on the epistles of Paul the apostle to the Philippians, Colossians, and Thessalonians, tr. and ed. by J. Pringle. [Followed by] Four sermons on important practical subjects, together with a dissertation and commentary on the eighty-seventh Psalm, tr. by H. Beveridge Jean [comms. on the Bible] Calvin, 1851 **Can We Zoom into God?** Andrew Hemingway, 2023-10-19 When Zoom worship emerged in Britain during the COVID lockdown of 2020 Christians quickly turned to an art form a form of theater to deliver their worship It was a quest for immanence the very thing the Reformation dealt with by the elevation of transcendence What an intriguing thought Could John Calvin with his dictum regarding piety have practiced Zoom worship Served as he was with the principle that the finite cannot contain the infinite we must admit it looks very unlikely At least in this Calvin saw eye to eye with Erasmus but what of Luther He may have been a comfortable Zoom worshiper with his views that Religious artworks are neither here nor there and We may have them or not as we please Little did the church realize that it would be a step back into the past because what you permit you promote The desire to use images was much more sinister than in Medieval times as these were now images of ourselves Regardless of the age the image reigns supreme What had caused the demise Was it bereavement It could not be bereavement of God rather it was the loss of the social the bereavement of one another The need for one another had forced the hand of Christians to turn to a practice completely untested Zoom worship was born the genie is out and will never go back in But in the face of the now acceptable force of contemporary narcissism who cares The Two Wills of God Dr. C. Matthew McMahon, 2005-07-05 Through the centuries hard questions have been deliberated concerning God's will Understanding God's will and how it theologically functions in relationship to man's salvation can be a daunting task Answering some of those questions from the Scriptures brings clarity and helps us

understand the glorious God that we serve Have you ever wondered Does God love only the elect If God does not desire the wicked to perish is God s will frustrated when the sinner goes his own way Why is God seen as repenting or sad and even changing His mind What is common grace and is it really found in the Bible Does God desire things He does not decree and does He decree things He does not desire How many wills does God have This book gives the Christian the proper hermeneutical tools to define God s will and how that will works in and through redemptive history It also aids the reader to distinguish between the two systems of Arminianism and Calvinism and demonstrates why Arminianism and Hyper Calvinism are biblically inconsistent
