Our Relational God Danny Kershen,2021-03-09 For millions of people God is little more than a concept or such a distant figure that they question whether he exists at all Many Christians struggle with making God real in their lives complaining that God seems silent when they reach out to him Could God really love us and want a relationship with us It is a struggle to believe this when he also gives the impression of being hidden But what if we are seeing this all wrong What if God is right there waiting for us to discover and all we need to do is dim the florescent lights of this world so we can see Come along as we look at how relational God is through his creation and what he tells us about himself through his own words Let him wrap his arms around you and show you just how relational he is
