Galilee Jesus The Gospels Literary Approaches Historical Investigation S:

Galilee, Jesus and the Gospels Seán Freyne, 1988 Provides a detailed picture of Galilean life in the period prior to and spanning the genesis of Christianity Freyne offers a comprehensive treatment of geographical and historical social and cultural and religious aspects of Galilean life *The Book of Acts in Its Ancient Literary Setting* Bruce W. Winter, Andrew D. Clarke, 1993-11-18 Volume 5 in a series which strives to place the Book of Acts within its first century setting Irina Levinskaya employs impressive archaeological research to throw light on the relation of Jews to the societies in which they lived during the period of dispersion She surveys commonly held views and challenges current views regarding the true nature of Jewish missionary activity *Archaeology and the Galilean Jesus* Jonathan L. Reed, 2002-05-01 Drawing on his years of field experience in Galilee the author illustrates how the archaeological record has been misused by New Testament scholars and how synthesis of the material culture is foundational for understanding Christian origins in Galilee and the Jewish culture out of which they arose **The Pharisees** Kent L. Yinger, 2022-05-19 A struggle is currently underway to figure out one of the central groups in the gospel story the Pharisees Were they hypocrites or heroes Or as one recent writer put it maybe they were just good guys with bad press Scholars of Judaism and of the NT have been painstakingly correcting even rehabilitating the image of the first century Pharisees but this seems not yet to have affected most readers of Scripture Here at last is a book that lays out for the non specialist the evidence for the origin and true nature of the Pharisees and challenges them to re read the gospel stories with real Pharisees in mind rather than caricatures **Have Mercy on Me** Glenna Jackson, 2002-12-15 Matthew s gospel begins and ends with the Jewish Gentile debate and at the heart of both the issue and the gospel is the story of the Canaanite woman It is a story that reveals tension between Jews and proselytes in Matthew s community and responds to the question What must one do to be a member of the community This study focuses on the stereotype of the woman as a Canaanite as well as Matthew s sources and the form of the story The conclusion is that the story reflects a reinforcement of Jewish law that allows gentiles to attain membership in the Matthean community thus continuing the Jewish tradition that allows gentiles into the faith Communal Holiness in the Gospel of John Musa Victor Mdabuleni Kunene, 2012-06-14 In this book the author contends that communal holiness is the central theme of the vine metaphor in John 15 1 17 Illumination of the Johannine vine metaphor is illustrated by drawing on background information on the vine and its metaphorical usage in the Ancient Near East Old Testament and Second Temple Period and to suggest understanding in light of the communal holiness of the covenant people of God Comparing the themes of holiness and corporateness pertinent to the covenant the book also reflects the covenant with Israel in relation to John s understanding of the people of God The notion of covenant which embraces reference to the people of God as vine vineyard in the Old Testament and Second Temple Period underlies John s vine metaphor The book focuses research on ANE viticulture to determine the context s of when the vine was used to refer to Israel in a covenant relationship with God In this historical

context the Johannine vine metaphor receive fresh meaning and relevance for the people of God *Fountains of Wisdom* Gerbern S. Oegema, Loren T. Stuckenbruck, Henry W. Morisada Rietz, 2022-01-27 Leading international contributors on biblical texts including the New Testament and the Dead Sea Scrolls intersect with the work of James H Charlesworth and examine Charlesworth's vast contribution to the field of biblical studies honoring the work of one of the most significant biblical scholars of his generation Divided into five sections this volume begins with a section on the Hebrew Bible and the New Testament texts with particular focus on the Gospel of John and Jesus studies The contexts of these texts are considered with a focus on the Greco Roman and Jewish worlds and the varying intersections between texts and the worlds that created them The contributors then focus on the most significant body of Charlesworth's work the apocrypha pseudepigrapha and the Dead Sea Scrolls and the journey concludes with an assessment of the history of scholarship on the core areas addressed across the book

The First Jewish Revolt Andrea M. Berlin, J. Andrew Overman, 2003-09-02 The First Jewish Revolt against Rome is arguably the most decisive event in the history of Judaism and Christianity The destruction of the Temple in Jerusalem in 70 CE by the Roman General Titus forced a transformation in structure and form for both of these fraternal religions Yet despite its importance little has been written on the First Revolt its causes implications and the facts surrounding it In this volume Andrea M Berlin and J Andrew Overman have gathered the foremost scholars on the period to discuss and debate this pivotal historical event The contributions explore both Roman and Jewish perspectives on the Revolt looking at its history and archaeology and finally examining the ideology and interpretation of the revolt in subsequent history and myth

The Origins of Mark Dwight Peterson, 2021-10-11 The book observes and calls into question the scholarly practice of constructing a community behind the Gospel of Mark and by implication other Gospels as well and using that community to control appropriate interpretation of Mark It presents and critiques particular exemplars of this practice and briefly suggests other ways to ground the interpretation of Mark After an introduction chapters are devoted to the work of Werner Kelber Howard Clark Kee and Ched Myers Critical conclusions are then drawn after which the recent work of Joel

Marcus is discussed A final chapter briefly suggests ways forward Constructing communities behind Gospels and using those communities as interpretive keys in Gospel interpretation is a widespread scholarly practice To date no full length critique of the practice has been published This book fills that lacuna

Matthew Jack Dean Kingsbury, 1989-04-01 This book attempts a solution to the problems of the structure christology and Kingdom theology of the Gospel according to St Matthew The author contends that the broad structure of the Gospel consists of three main parts the person of Jesus Messiah the proclamation of Jesus Messiah and the suffering death and resurrection of Jesus Messiah This understanding of the broad structure of Matthew's Gospel opens the way to a proper understanding of his christology That is for Matthew Jesus is first and foremost the Messiah the Son of God Kingsbury's analysis of the texts in which Son of God appears and of the numerous other christological terms Matthew employs confirms this conclusion Professor Kingsbury demonstrates how Matthew develops both the structure and the primary theological concept of his Gospel The Kingdom of Heaven around the christological category of the Son of God A rigorous conclusion reached is that the focus of the Gospel of Matthew is revealed more in his christology than in his ecclesiology

Redefining Ancient Borders Aaron M. Gale, 2005-07-26 Matthew's community contrary to what many scholars believe was a cosmopolitan wealthy Jewish Christian community located in Galilee Gale concludes that Matthew's community was a conservative Christian community located in Galilee that still believed the laws of the Torah were valid and required strict adherence Gale's argument contrasts with many scholars who argue that the Matthean church was in the process of or had already abolished the Torah Gale uses material evidence to indicate that Matthew's community was cosmopolitan and wealthy and he argues that the community was also highly learned comprised of many scribes Gale concludes that the Matthean church was located near Sepphoris and was a wealthy urban and learned community

Modelling Early Christianity Philip Esler, 2002-11-01 Modelling Early Christianity explores the intriguing foreign social context of first century Palestine and the Greco Roman East in which the Christian faith was first proclaimed and the New Testament documents were written It demonstrates that a sophisticated analysis of the context is essential in order to understand the original meaning of the texts The contributors examine social themes such as early Christian group formation the centrality of kinship and honour and the economic setting They offer a wealth of novel and socially realistic interpretations which make sense of the texts At the same time Modelling Early Christianity contains significant new ideas on the relationship between social scientific and literary critical analysis the theoretical justification for model use and the way these new approaches can fertilise contemporary Christian theology

Royal Messianism and the Jerusalem Priesthood in the Gospel of Mark Bernardo Cho, 2019-04-18 Bernardo K Cho investigates how Jewish messianism from the mid second century BCE to the late first century CE envisaged the proper relation between the Israelite king and the Jerusalem priests in the ideal future and then proceeds to describe how the Gospel of Mark addresses this issue in depicting Jesus Cho responds to claims that the Markan Jesus regards the kingdom of God as fundamentally opposed to the ancient Levitical system and argues that just as with most of its related Jewish literature the earliest Gospel assumes the expectation that the royal messiah would bring the Jerusalem institution to its eschatological climax But Mark also depicts Jesus's stance towards the priests in terms of a call to allegiance and warning of judgement Cho concludes that the Markan Jesus anticipates the destruction of the Jerusalem temple because the priests have rejected Israel's end time ruler and thus placed themselves outside the messianic kingdom
