encounters happened in my own family with healing messages for me and with my Sons angel appearing to him at the age of six I began sharing our story with others As they listened many then began sharing their own miraculous stories with me These are true stories about life changing divine interventions and angelic encounters When angels appeared many came with beautiful and inspirational messages full of loving guidance Some stories are about individuals who were saved by their guardian angel In some instances their divine intervention helped to change the course they were on in their lives through the messages given to them by their angel Many went on to complete their lifes destiny because of their blessed experience God has blessed us by providing each and every one of us guardian angels to guide and protect us throughout our lifetimes until the day an angel leads our soul back to Heaven with God As you read about these heavenly interventions you will be inspired by each one of these beautiful and amazing stories

From Gabriel to Lucifer Valery Rees,2012-12-04 Fiery the angels fell slow thunder rolled around their shores burning with the fires of Orc Whether in recent popular culture or back across countless centuries angels have perpetually enthralled mystified and even terrified us Every single angel is terrible wrote the German Romantic poet Rilke and so I hold myself back from the dark bird cry of my anguished sobbing For some in the sceptical post Enlightenment West angels may be no more than metaphors poetic devices to convey at least for those with a religious sensibility an active divine interest in creation But for others angels are absolutely real beings manifestations of cosmic power and energy with the capacity either to enlighten or annihilate those whose awestruck paths they cross Valery Rees here offers the first comprehensive history of these beautiful enigmatic and sometimes dangerous beings whose existence and actions have been charted across the eons of time and civilizations From the ancient Sumerian and Akkadian winged figures to Egyptian representations of Ma at Persian genii Arab djinn biblical cherubim daemons of Hermes Trismegistus and Milton s defiant fallen angels From Gabriel to Lucifer reveals a mesmerising trajectory of angelic belief Whether exploring the feverish visions of Ezekiel and biblical cherubim the Islamic archangels Jibra il Azra il Mika il and Israfil the austere and haunting icons of Andrei Rublev or Wim Wenders Wings of Desire and the more benign idea of the ever watchful guardian angel the author shows that the very ubiquity of these implacable celestial messengers reveal something fundamental if not about God and the devil then about ourselves our perennial preoccupation with how to depict the transcendent

Angels Peter Stanford,2020-12-03 An intriguing exploration of the many roles that angels have played in spiritual life The Sunday Times Nick Rennison In a 2016 poll one in 10 Britons claimed to have experienced the presence of an angel while one in three remain convinced that they have a guardian angel These are huge numbers and mean that on some counts angels are doing better than God In the secular sceptical post Christian world of the West continuing faith in angels is both anomaly and comfort But what exactly are angels and why have so many in different times and contexts around the globe believed in them What is their history and role in the great faiths and beyond their walls Are angels something real a manifestation of divine concern Or part of the poetry of religion And can they continue to illuminate a

deeper truth about human existence and the cosmos These are not new questions They have been asked over millennia right up to the present day as writer journalist and broadcaster Peter Stanford explores in *Angels* his latest investigation into the history theology and cultural significance of religious ideas There is no better navigator through the space in which art culture and spirituality meet than Peter Stanford Cole Moreton Independent on Sunday *A Book of Angels* Marigold Hunt, 2006-09 Angel stories from the Bible for kids Modern believers may be tempted to look upon angels as one of the more fanciful elements of Scripture but this illuminating and entertaining collection of angel stories from the Bible shows that there are just too many angels for them to be metaphorical allegorical or unimportant So that children will come to know and learn to revere angels Marigold Hunt explains what angels are and are not and gathers here in one volume most of the stories of angels in the Bible including exciting tales of The fallen angels beginning with the devil himself tempting Adam and Eve The angel who barred the gates of Eden so Adam and Eve could never enter again The angels who announced that Sara Abraham's aged wife would have a baby The angels who tried to save Lot from destruction with the city of Sodom The angel who stayed Abraham's hand as he was about to sacrifice his son Isaac The angels in Jacob's dream who climbed the stairway to Heaven The angels who saved Sidrach Misach and Abdenago from the fiery furnace The angel Raphael who shielded Tobias from death and protected his wife Sara The angels at the Ascension who chided the apostles for staring at the sky The angel Gabriel who foretold the birth of Jesus and John the Baptist The choirs of angels who sang above Bethlehem when Jesus was born The angel who carried food to Daniel when he was imprisoned in the lion's den The angel who freed Peter from prison and of course The countless angels who fill the marvelous pages of the Book of Revelation Children will be charmed by these exciting tales Read an excerpt
