John Edmond Gough

Gallant Pelham:

Gallant Pelham, American Extraordinary. [A Biography of Major John Pelham.]. Charles G. MILHAM, John PELHAM, 1959

The Perfect Lion Jerry H. Maxwell, 2011-04-28 This is a biography of John Pelham an Alabama native who left West Point for service in the Confederacy and distinguished himself as an artillery commander in Robert E Lee's Army of Northern Virginia. Blond blue eyed and handsome Pelham's modest demeanor charmed his contemporaries and he was famously attractive to women. He was killed in action at the battle of Kelly's Ford in March of 1863 at age twenty four and reportedly three young women of his acquaintance donned mourning at the loss of the South's beau ideal. **John Pelham** James Noles, 2020-08-15 He was baby faced and fair skinned. Some teased that he was too pretty to be a soldier. But before a Union shell cut him down at the age of 25 all of the confederacy knew him as The Gallant Pelham, one of the toughest, smartest, most daring and clever artillery officers in the Confederate army. *The Life of the Gallant Pelham* Philip Mercer, 1958 One of the bravest and most capable young officers in Lee's army. **Gallant Pelham, American Extraordinary** Charles G. Milham, 1987 *John Pelham of Alabama* H. Rondel Rumburg, 2005-01-01 John Pelham's life was packed into 24 short years. Born in Alabama he spent his last years of life fighting in the Confederate Army mostly in Virginia. His bravery and honor were legendary. He was highly extolled by R. E. Lee, Stonewall Jackson and JEB Stuart as well as many others. This West Point man was superior in fighting horse artillery and was a horseman par excellence. Lee called him the gallant Pelham. Don Troiani's Civil War Don Troiani, Brian Pohanka, 1999-07 AVAILABLE FOR THE FIRST TIME IN PAPERBACK with gatefold cover. Over 50,000 copies sold in hardcover. Don Troiani probably knows more about how Civil War soldiers looked and were equipped than anyone else since the veterans themselves. His paintings are unparalleled in evoking Civil War military culture both on the battlefield and in camp. Gary W. Gallagher, author of *The Confederate War*, Don Troiani is unsurpassed at recreating with absolute fidelity the decisive moments of great battles. Stephen W. Sears, author of *Chancellorsville*. In the world of historical painting, Don Troiani stands alone, universally acclaimed for the accuracy, drama, and sensitivity of his depictions of America's past. His Civil War paintings and limited edition prints hang in the finest collections in the country and are noted internationally as well. Don Troiani's Civil War, the first collection of his Civil War art to appear in book form, is a chronological depiction of every face of the war. His most famous and popular works, most of which are in private collections and unavailable for viewing, are all represented here, many rarer pieces which are not even available in print form are also included. *Glorious Courage* Sarah Kay Bierle, 2025-05-31 A look at Confederate hero John Pelham separating the real man from Lost Cause mythmaking. It is glorious to see such courage in one so young. So declared Confederate General Robert E. Lee on December 13, 1862 during the battle of Fredericksburg as he watched Major John Pelham fight at least five Union batteries with just one lone gun. The dashing and handsome 24 year old Alabama officer earned the compliments and admiration of his men, the war gods of Virginia, Lee, Jackson and Stuart, and Southern society all while helping transform the

concept of horse artillery on Civil War battlefields across Virginia and Maryland After Pelham's death in battle in 1863 his place as a beloved Southern hero soared and admirers firmly elevated him into the upper ranks of the Confederate pantheon His status as a Lost Cause martyr exacted a price though Admirers transformed Pelham's memory into the beau ideal of Confederate arms sometimes altering and clouding the realities of his life His memory has been trapped there ever since until now In *Glorious Courage* historian Sarah Kay Bierle reconsiders Pelham's extraordinary if short life by drawing on primary and secondary sources and her extensive knowledge of the battlefields Pelham's zest for living carried him from Alabama to the military academy at West Point while his zeal in command of the Stuart Horse Artillery earned him well deserved plaudits But like every other man who served the Confederate cause the remarkable young officer was a human being with flaws He deserves his place in history as he lived it not varnished with the perspectives shoved upon him by later generations

The Long Arm of Lee Jennings Cropper Wise, 1991-06-01 Originally published in 1915 when Jennings Cropper Wise was commandant of the Virginia Military Institute The Long Arm of Lee has never been surpassed as an authoritative study of the Confederate artillery in the Civil War Volume 1 described the organization and tactics of the field batteries of General Robert E Lee's Army of Northern Virginia from the time of the Battle of Bull Run through the Maryland invasion Volume 2 beginning with an account of the Chancellorsville campaign includes a close look at the Battle of Gettysburg in which tactical errors made by the Confederate side are reassessed There was heroism aplenty not only from generals like J E B Stuart and Stonewall Jackson but also from ordinary artillerymen who fought doggedly and resignedly until the end

Memoirs of the Stuart Horse Artillery Battalion Robert J. Trout, 2008

Until recently it has been difficult for anyone with an interest in the Army of Northern Virginia's horse artillery which served under legendary cavalry commander J E B Stuart to envision what the men of the battalion endured With the publication in 2002 of Robert Trout's seminal book *Galloping Thunder: The Stuart Horse Artillery Battalion* the endeavors of the unit were rescued from obscurity In *Memoirs of the Stuart Horse Artillery Battalion* Trout provides readers with complete versions of three important primary documents written by soldiers of the battalion Lt Lewis T Nunnelee's history of Moorman's Battery is based on a seven volume diary that Nunnelee kept during the war and features near daily entries of the battery's actions The History of Hart's Battery as told by Maj James F Hart Dr Levi C Stephens Louis Sherfese and Charles H Schwing is as Trout puts it a cannon of a different caliber It recounts in broader terms the battery's history from its inception before the war to its surrender as the last horse artillery in the field The authors offer rare glimpses into the development of tactics learned from the school of the battlefield Finally Louis Sherfese's *Reminiscences of A Color Bearer* fleshes out many of the stories in the history that he co wrote with Hart and his fellow soldiers Filled with short vignettes it offers a behind the

scenes look at the battery in action Together these rich documents provide welcome insights into the day to day experiences of the often overlooked Confederate horse artillery which played an important role in cementing Stuart s reputation as one of the most outstanding cavalry commanders in the Civil War Book Jacket Alabama and the Civil War Robert C. Jones,2017-06-12 An examination of the influence of the Heart of Dixie on the War Between the States the key players places and politics Alabama s role in the Civil War cannot be understated Union raids into northern Alabama the huge manufacturing infrastructure in central Alabama and the Battle of Mobile Bay all played significant parts A number of important Civil War figures also called Alabama home Maj General Joseph Wheeler was one of the most remarkable Confederate cavalry commanders in the west John the Gallant Pelham earned the nickname for his bravery during the Battle of Fredericksburg John Semmes commanded two of the most famous commerce raiders of the war the CSS Sumter and the CSS Alabama Author Robert C Jones examines the people and places in Alabama that shaped the Civil War Includes photos

Fredericksburg and Chancellorsville John Edmond Gough,1913 Jeb Stuart John William Thomason,1994-06-01 Hardly any biography could contain the robust and romantic Jeb Stuart but John W Thomason Jr goes as far as anyone ever has in pinning down the quality of the Confederate cavalry commander Virginia bred James Ewell Brown Stuart graduated from West Point where he was called Beauty and rode with the Mounted Rifles against the Apaches and Comanches on the western frontier When Virginia seceded from the Union Jeb Stuart joined the Confederate army His lightning like raids became legendary From Bull Run to Brandy Station he served as Robert E Lee s eyes and ears becoming a major general at the age of twenty eight Less than three years later Stuart s meteoric career ended with his death in a cavalry charge

Sacred Ties Tom Carhart,2010-05-04 The gripping story of six West Point graduates including George Armstrong Custer who fought each other in the Civil War With Civil War storm clouds darkening the horizon they were strangers from different states thrown together as West Point cadets George Armstrong Custer Stephen Dodson Ramseur Henry Algernon DuPont John Pelham Thomas Lafayette Rosser and Wesley Merritt Educated and trained there to be not only officers and gentlemen but also courageous battlefield leaders their shared experience at West Point forged bonds between them stronger than brotherhood Right after their graduations war erupted in 1861 They stayed blue or went gray and even faced each other in battle Acclaimed military historian Tom Carhart brings to life the human side of valiant victories and crushing defeats and most vividly of these young men of individual valor and personal honor Makers and Romance of Alabama History B. F. Riley,2019-12-04 In *Makers and Romance of Alabama History* B F Riley presents a compelling narrative that intricately weaves together the lives of notable figures and pivotal events that shaped the state of Alabama Through a blend of historical analysis and vivid storytelling Riley employs a meticulous literary style that emphasizes both the heroic and romantic elements of Alabama s history His exploration offers insight into the fabric of Southern identity capturing the complexities of its cultural heritage against the backdrop of significant social and political changes The book is not only a chronicle of

historical facts but also a homage to the spirit that defines the state's evolution B F Riley a scholar deeply rooted in Alabamian culture draws from his profound knowledge of the region and its history His academic background and passion for local narratives undoubtedly influenced his approach to documenting the intertwined lives of Alabama's prominent figures as well as the broader societal shifts they navigated As a devoted historian Riley seeks to highlight the narratives often overshadowed in the larger discourse of American history and shine a light on the stories that deserve recognition This book is highly recommended for readers interested in Southern history local narratives and the romance of individual contributions to the social fabric Riley's unique approach makes it accessible to both academic audiences and general readers inviting them to discover the rich tapestry of Alabama's past through the lives of its unforgettable makers
