**Introduction to Collective Behavior and Collective Action** David L.

Miller, 2013-08-06 David Millers expanded third edition makes it the definitive source on collective behavior and collective action Up to date and meticulously researched this popular volume continues to provide a systematic overview of theory and research Each topic is meaningfully linked to the appropriate theories of collective behavior mass hysteria emergent norm and value added perspectives and collective action social behavioral interactionist resource mobilization and value added perspectives Rumor mass hysteria fads and fashion UFOs sports migrations disasters riots protest and social movements are among the topics presented in a unique side by side presentation of the two disciplines In an engaging accessible style Miller offers detailed discussion of classic sociological studies interspersed with intriguing modern day examples that students will enjoy reading His thorough topical treatment effectively reduces the need for outside readings No Child Left Behind and

the Transformation of Federal Education Policy, 1965-2005 Patrick J. McGuinn, 2006 Education is intimately connected to many of the most important and contentious questions confronting American society from race to jobs to taxes and the competitive pressures of the global economy have only enhanced its significance Elementary and secondary schooling has long been the province of state and local governments but when George W Bush signed into law the No Child Left Behind Act in 2002 it signaled an unprecedented expansion of the federal role in public education This book provides the first balanced in depth analysis of how No Child Left Behind NCLB became law Patrick McGuinn a political scientist with hands on experience in secondary education explains how this happened despite the country s long history of decentralized school governance and the longstanding opposition of both liberals and conservatives to an active reform oriented federal role in schools His book provides the essential political context for understanding NCLB the controversies surrounding its implementation and forthcoming debates over its reauthorization how the struggle to define the federal role in school reform took center stage in debates over the appropriate role of the government in promoting opportunity and social welfare He places the evolution of the federal role in schools within the context of broader institutional ideological and political changes that have swept the nation since the 1965 Elementary and Secondary Education Act chronicles the concerns raised by the 1983 report A Nation at Risk and shows how education became a major campaign issue for both parties in the 1990s McGuinn argues that the emergence of swing issues such as education can facilitate major policy change even as they influence the direction of wider political debates and partisan conflict McGuinn traces the Republican shift from seeking to eliminate the U S Department of Education to embracing federal leadership in school reform then details the negotiations over NCLB the forces that shaped its final provisions and the ways in which the law constitutes a new federal education policy regime against which states have now begun to rebel and that only by understanding the unique dynamics of national education politics will reformers be able to craft a more effective national role in school reform **Facing Up to the**

**American Dream** Jennifer L. Hochschild, 1996-08-05 The ideology of the American dream the faith that an individual can attain success and virtue through strenuous effort is the very soul of the American nation According to Jennifer Hochschild we have failed to face up to what that dream requires of our society and yet we possess no other central belief that can save the United States from chaos In this compassionate but frightening book Hochschild attributes our national distress to the ways in which whites and African Americans have come to view their own and each other's opportunities By examining the hopes and fears of whites and especially of blacks of various social classes Hochschild demonstrates that America's only unifying vision may soon vanish in the face of racial conflict and discontent Hochschild combines survey data and vivid anecdote to clarify several paradoxes Since the 1960s white Americans have seen African Americans as having better and better chances to achieve the dream At the same time middle class blacks by now one third of the African American population have become increasingly frustrated personally and anxious about the progress of their race Most poor blacks however cling with astonishing strength to the notion that they and their families can succeed despite their terrible perhaps worsening living conditions Meanwhile a tiny number of the estranged poor who have completely given up on the American dream or any other faith threaten the social fabric of the black community and the very lives of their fellow blacks Hochschild probes these patterns and gives them historical depth by comparing the experience of today's African Americans to that of white ethnic immigrants at the turn of the century She concludes by claiming that America's only alternative to the social disaster of intensified racial conflict lies in the inclusiveness optimism discipline and high mindedness of the American dream at its best

Religion and the Demographic Revolution Callum G. Brown, 2012 In the 1960s Christian religious practice and identity declined rapidly and women's lives were transformed spawning a demographic revolution in sex family and work The argument of this book is that the two were intimately connected triggered by an historic confluence of factors

Market Education Andrew J. Coulson, In Market Education The Unknown History Andrew J Coulson explores the educational problems facing parents and shows how these problems can best be addressed He begins with a discussion of what people want from their school systems tracing their views of the kinds of knowledge skills and values education should impart and their concerns about discipline drugs and violence in schools Using this survey of goals and attitudes as a guide Coulson sets out to compare the school systems of civilizations both ancient and modern seeking to determine which systems achieved the aims of parents and the public at large and which did not Drawing on the historical evidence of how these various systems operated Coulson concludes that free educational markets have consistently done a better job of serving the public's needs than state run school systems have

**Recent Social Trends in the United States, 1960-1990** Theodore Caplow, Howard M. Bahr, John Modell, Bruce A. Chadwick, 1994-03-21 On Rachel Carson and her work and on current environmental challenges The four authors present information on various American trends demographic macroeconomic and macro technological Descriptions tables and graphs trace the dynamics of population specifically in relation to the expansion which

followed the 1982-83 recession and analyze achievements in intelligence genetic engineering and space travel Annotation copyrighted by Book News Inc Portland OR Sourcebook of Criminal Justice Statistics, 1988 *The American Midwest* Andrew R. L. Cayton, Susan E. Gray, 2001-09-28 *The American Midwest* Essays on Regional History Edited by Andrew R L Cayton and Susan E Gray Is there a Midwest regional identity Read this lively exploration of the Midwestern identity crisis and find out Many would say that ordinariness is the Midwest's historic burden A writer living in Dayton Ohio recently suggested that dullness is a Midwestern trait The Midwest lacks grand scenery Just cornfields silos prairies and the occasional hill Dull He tries to put a nice face on Midwestern dullness by saying that Midwesterners like Shaker furniture are plain in the best sense unadorned Others have found Midwestern ordinariness stultifying Neil LaBute who makes films about mean and nasty people said he was negative because he came from Indiana We're brutally honest in Indiana We realize we're in the middle of nowhere and we're very sore about it from Chapter Five Barbecued Kentuckians and Six Foot Texas Rangers by Nicole Etcheson In a series of often highly personal essays the authors of *The American Midwest* all of whom are experts on various aspects of Midwestern history consider the question of regional identity as a useful way of thinking about the history of the American Midwest They begin with the assumption that Midwesterners have never been as consciously regional as Western or Southern Americans They note the peculiar absence of the Midwest from the recent revival of interest in American regionalism among both scholars and journalists These lively and well written chapters draw on personal experiences as well as a wide variety of scholarship This book will stimulate readers into thinking more concretely about what it has meant to be from the Midwest and why Midwesterners have traditionally been less assertive about their regional identity than other Americans It suggests that the best place to find Midwesternness is in the stories the residents of the region have told about themselves and each other Being Midwestern is mostly a state of mind It is always fluid always contested always being renegotiated Even the most frequent objection to the existence of Midwestern identity the fact that no one can agree on its borders is part of a larger regional conversation about the ways in which Midwesterners imagine themselves and their relationships with other Americans Andrew R L Cayton Distinguished Professor of History at Miami University in Oxford Ohio is author of numerous books and articles dealing with the history of the Midwest including *Frontier Indiana* Indiana University Press and with Peter S Onuf *The Midwest and the Nation* Susan E Gray Associate Professor of History at Arizona State University is author of *Yankee West* *Community Life on the Michigan Frontier* as well as numerous articles about Midwest history *Midwestern History and Culture* James H Madison and Andrew R L Cayton editors July 2001 256 pages 6 1/8 x 9 1/4 index append cloth 0 253 33941 3 35 00 s 26 50 Contents The Story of the Midwest An Introduction Seeing the Midwest with Peripheral Vision Identities Narratives and Region Liberating Contrivances Narrative and Identity in Ohio Valley Histories Pigs in Space or What Shapes American Regional Cultures Barbecued Kentuckians and Six Foot Texas Rangers The Construction of Midwestern Identity Pinning the Type Jane Grey Swisshelm and the Contest of

Midwestern Regionality The Great Body of the Republic Abraham Lincoln and the Idea of a Middle West Stories Written in the Blood Race Identity and the Middle West The Anti region Place and Identity in the History of the American Middle West  
 Midwestern Distinctiveness Middleness and the Middle West *Education Indicators* ,1988 The Condition of Education ,  
**1988 Education Indicators** ,1988 Presidential Lightning Rods Richard J. Ellis,1994 Choice Outstanding Title H R  
 Haldeman President Nixon s former chief of staff is said to have boasted Every president needs a son of a bitch and I m Nixon  
 s I m his buffer and I m his bastard I get done what he wants done and I take the heat instead of him Richard Ellis explores  
 the widely discussed but poorly understood phenomenon of presidential lightning rods cabinet officials who take the heat  
 instead of their bosses Whether by intent or circumstance these officials divert criticism and blame away from their  
 presidents The phenomenon is so common that it s assumed to be an essential item in every president s managerial toolbox  
 But Ellis argues such assumptions can oversimplify our understanding of this tool Ellis advises against indiscriminate use of  
 the lightning rod metaphor Such labeling can hide as much as it reveals about presidential administration and policymaking  
 at the cabinet level The metaphor often misleads by suggesting strategic intent on the president s part while obscuring the  
 calculations and objectives of presidential adversaries and the lightning rods themselves Ellis also illuminates the  
 opportunities and difficulties that various presidential posts especially secretaries of state chiefs of staff and vice presidents  
 have offered for deflecting blame from our presidents His study offers numerous detailed and instructive examples from the  
 administrations of Truman Dean Acheson Eisenhower Richard Nixon John Foster Dulles Herbert Brownell and Ezra Taft  
 Benson LBJ Hubert Humphrey Ford Henry Kissinger and Reagan James Watt These examples Ellis suggests should guide our  
 understanding of the relationship between lightning rods and presidential leadership policymaking and ratings Blame  
 avoidance he warns does have its limitations and may even backfire at times Nevertheless President Clinton and his  
 successors may need to rely on such tools The presidency Ellis points out finds itself the object of increasingly intense  
 partisan debate and microscopic scrutiny by a wary press Lightning rods can deflect such heat and help the president test  
 policies gauge public opinion and protect his political power and public image Ellis s book is an essential primer for helping  
 us understand this process **EcoPopulism** Andrew Szasz, Moment by moment the evidence mounts that unchecked  
 modern industry is bringing us ever closer to environmental disaster How can we move away from the brink of extinction  
 toward a human society the earth can bear In the thriving popular politics of hazardous waste Andrew Szasz finds an answer  
 a scenario for taking the most pressing environmental issues out of the academy and the boardroom and turning them into  
 everyone s business This book reconstructs the growth of a powerful movement around the question of toxic waste Szasz  
 follows the issue as it moves from the world of official policymaking in Washington onto the nation s television screens and  
 into popular consciousness and then into America s neighborhoods spurring the formation of thousands of local community  
 based groups He shows how in less than a decade a rich infrastructure of more permanent social organizations emerged from

this movement expanding its focus to include issues like municipal waste military toxics and pesticides In the growth of this movement we witness the birth of a radical environmental populism Here Szasz identifies the force that pushed environmental policy away from the traditional approach pollution removal toward the superior logic of pollution prevention He discusses the conflicting official responses to the movement s evolution revealing that despite initial resistance lawmakers eventually sought to appease popular discontent by strengthening toxic waste laws In its success Szasz suggests this movement may even prove to be the vehicle for reinvigorating progressive politics in the United States     *Statistical Reference Index ... Annual* ,1990     **Statistical Reference Index ... Cumulative Index** ,1994 A selective guide to American statistical publications from private organizations and state government sources     *The Reagan Rhetoric* Toby Glenn Bates,2011-05-17 The Reagan Rhetoric examines the extraordinary connections between President Ronald Reagan s conversations with the American people and the profound changes that swept the nation under those conversations influence Through the lens of history rhetoric and memory Bates work draws connections between the style manner and consistency of Reagan s oratory and the social and cultural settings in which it played so vital a role Specifically focusing on the 1980 Neshoba County Mississippi Campaign visit the popular culture memory of the Vietnam War and the controversy of Iran Contra this book illustrates Reagan s sweeping ability to change how Americans thought about themselves their past and their politics By concluding with an examination of media coverage of Reagan s 2004 death Bates reveals that certain interpretations Reagan rhetorically offered during his presidency had become an accepted collective memory for millions of Americans In death as in life Reagan had the last word Through extensive archival research the careful examination of well known and obscure 1980s print media and popular culture as well as new interviews Bates challenges the prevailing Reagan historiography and provides a thoughtful reality check on some of the traditional views of his eight years in the Oval Office The Reagan Rhetoric offers new and important contributions to Reagan studies that will appeal to scholars of the 40th president This look at the 1980s will be of great interest to the growing number of historians studying that decade

Presidents and Prime Ministers Patricia Lee Sykes,2000 She reveals how conviction style politicians have appeared in the U S and U K at the same time individuals who articulated similar ideas that adapted liberal ideology to shifting circumstances and who achieved fundamental change at critical moments in their nations histories     **The Gallup Poll** George Gallup,1989-01-01 The Gallup Poll Annual Series makes available every significant public opinion poll conducted by the Gallup Organization arranged chronologically by year Every volume has a full name and subject index to simplify accessing data on particular topics Standing orders may begin with any volume and may be canceled at any time     **Sociology** Donald Light,Suzanne Infeld Keller,Craig J. Calhoun,1989

### **Gallup Poll Public Opinion 1987 Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Gallup Poll Public Opinion 1987 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Gallup Poll Public Opinion 1987 has opened up a world of possibilities. Downloading Gallup Poll Public Opinion 1987 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Gallup Poll Public Opinion 1987 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gallup Poll Public Opinion 1987. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Gallup Poll Public Opinion 1987. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Gallup Poll Public Opinion 1987, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gallup Poll Public Opinion 1987 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Gallup Poll Public Opinion 1987 Books**

1. Where can I buy Gallup Poll Public Opinion 1987 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
