Gambling Mike Atherton, 2007-09-06 Gambling is a fascinating account of gambling through history from Greek mythology and the ancient role of lots dice and cards to the high profile cricket and football match throwing and super casinos of today Mike Atherton explores this controversial and captivating phenomenon and the way that many present day sports provide the most popular focus for gambling why so many of today's sportsmen become fervent gamblers and how in some cases this has led to corruption addiction and ruined reputations With recent high profile incidents involving the likes of Mohammad Amir and Joey Barton gambling in sport is a topic that remains at the top of the sporting agenda Scandalous cases such as the Cronje and Grobbelar incidents are analysed in detail as well as an investigation into why such a high proportion of the world's population have always sought out risk and how this trend has encompassed all social classes and cultures

The Culture of Sentiment Shirley Samuels, 1992 In this important new collection leading scholars in nineteenth century American culture re-examine the vexed subject of sentimentality These essays draw upon a range of interdisciplinary approaches to situate sentimentality in terms of women's culture and issues of race before and after the Civil War Moving beyond the canonical debates about sentimentality the collection makes visible the particular racial and gendered forms that define the aesthetics and politics of the American culture of sentiment The contributors use evidence from American cultural history American studies and literary criticism to examine the process by which nineteenth century American culture was both produced and contested They present incisive readings of scenes like an antebellum murder trial the erotic attention audiences paid to the statues of Hiram Powers and the engravings of Godey's Ladies Book In addition they use the writings of Harriet Jacobs Mark Twain James Fenimore Cooper Pauline Hopkins W E B DuBois and Harriet Beecher Stowe to question the political fables immanent in this literature More generally they portray nineteenth century American sentimentality as a national project a project about imagining the nation's bodies and the national body With essays by Lauren Berlant Ann Fabian Susan Gillman Karen Halttunen Carolyn L Karcher Joy Kasson Amy Schragger Lang Isabelle Lehuu Harryette Mullen Dana Nelson Lora Romero Shirley Samuels Karen Sanchez Eppler Lynn Wardley and Laura Wexler *The Culture of Sentiment* significantly reorients the field of nineteenth century American literature art culture and history It will be of keen interest to those concerned with women's studies American studies cultural studies African American studies and American history and literature

Women Overpowered by Compulsive Gambling Rosemary A. Cunliffe North,2008-03-24 Gambling like any other addiction is overpowering it can and will drive you to insanity If you have not succumbed to insanity it just might cause you to consider committing a crime to obtain finances so you may continue with your addiction to gamble thus leading you closer to the gates of prison or worse yet death I came much to close to getting arrested for a felony like a few of my sisters I have tried and failed at committing suicide on three different occasions There are those brothers and sisters in the fellowship who have succeeded at suicide You just might go so far as to embezzle funds from your employer There are those sisters who have spent time incarcerated for their crimes and yet others are still in prison A quote taken from my Gamblers Anonymous handbook states The persistence of this illusion is astonishing Many pursue it into the gates of prison insanity or death My choice was life over death sanity over insanity and the thought of prison scares me My life free from gambling the love of God and family is far more important to me to ignore After seven plus years of frenzied uncontrollable insanity I have turned my life over to my Higher Power my God Jesus Christ He has helped me through all my adversity above all else He has restored my love for Him and family Gambling is described as one of the most baffling and insidious addictions that can never be cured but it can most definitely be arrested through diligent hard work in the Gamblers Anonymous Program Two words in my vocabulary baffling and insidious remind me what gambling will do to you The word baffle in my dictionary is described as frustrate thwart foil and perplex The meaning of the word insidious enralls me the most ambush sly treacherous seductive and the meaning that tears at my heart the most is having a gradual and cumulative effect subtle As the snake slithers through the grass seeking its prey for food so does gambler seek funds to feed their addiction to gamble Unfortunately the gamblers addiction is a slow subtle and treacherous deterioration unbeknownst especially to the gambler herself Gambling will perplex you it will frustrate you and above all it will thwart every emotion you possess It will turn you into that slithering snake You will become enthralled by anger greed and hatred You will destroy everything good in you If you are suffering from a gambling addiction reach out for help through Gamblers Anonymous grasp the program with all your might and take it to heart for it may just save your life
