Gambling And Survival In Native North America:

Gambling and Survival in Native North America Paul Pasquaretta, 2022-12-13 The cards are turned the chips are raked In casinos all over the country Native Americans are making money and reclaiming power But the games are by no means confined to the tables as the Mashantucket Pequots can attest Although Anglo Americans have attempted to undermine Pequot sovereignty for centuries these Native Americans have developed a strategy of survival in order to maintain their sense of peoplehood a resiliency that has vexed outsiders from English settlers to Donald Trump The Pequots have found success at their southeastern Connecticut casino in spite of the odds But in considering their story Paul Pasquaretta shifts the focus from casinos to the political struggles that have marked the long history of indigenous colonial relations Viewing the survival of Native communities in the face of genocide and forced assimilation as a high stakes game of chance he examines gambling metaphors in historical and literary contexts to reveal strategies employed by several tribes as they participate in various games with white society whether land re acquisition political positioning or resistance to outside dominance Through a comparative analysis of texts spanning four centuries colonial war narratives nineteenth century romance fiction tribal memorials Native American novels Pasquaretta provides a framework for understanding Indian white relations and the role of chance in the realm of colonialism He explores two intertwining themes the survival of indigenous peoples in the face of the European invasion of North America and the ongoing contest of Natives and newcomers that has transpired in the marketplace on the battlefield and in the courts In so doing he considers the impact of reservation gambling on the development of contemporary tribal communities and the role of traditional Indian gambling practices and stories in the survival of indigenous cultural traditions *Gambling and Survival in Native North America* is a wide ranging book that shows how Native Americans have become active participants in their own survival despite the popular belief that Indian tribes as conquered peoples have been rendered helpless for over a century Working within a system devised to confine and even destroy them they have found ways to remain in the game and against all odds have learned to play it well *Indian Gaming & Tribal Sovereignty* Steven Andrew Light, Kathryn R. L. Rand, 2005 Examines Indian gaming in detail what it is how it became one of the most politically charged phenomena for tribes and states today and the legal and political compromises that shape its present and will determine its future **The Extraordinary Book of Native American Lists** Arlene Hirschfelder, Paulette F. Molin, 2012-03-22 While Native Americans are perhaps the most studied people in our society they too often remain the least understood and visible Fictions and stereotypes predominate obscuring substantive and fascinating facts about Native societies The Extraordinary Book of Native American Lists works to remedy this problem by compiling fun unique and significant facts about Native groups into one volume complete with references to additional online and print resources In this volume readers can learn about Native figures from a diverse range of cultures and professions including award winning athletes authors filmmakers musicians and environmentalists Readers are introduced to Native U S

years In the Shadow of Kinzua Laurence M. Hauptman, 2014-01-22 The Kinzua Dam has cast a long shadow on Seneca life since World War II The project formally dedicated in 1966 broke the Treaty of Canandaigua of 1794 flooded approximately 10 000 acres of Seneca lands in New York and Pennsylvania and forced the relocation of hundreds of tribal members Hauptman offers both a policy study detailing how and why Washington Harrisburg and Albany came up with the idea to build the dam and a community study of the Seneca Nation in the postwar era Although the dam was presented to the Senecas as a flood control project Hauptman persuasively argues that the primary reasons were the push for private hydroelectric development in Pennsylvania and state transportation and park development in New York This important investigation based on forty years of archival research as well as on numerous interviews with Senecas shows that these historically resilient Native peoples adapted in the face of this disaster Unlike previous studies In the Shadow of Kinzua highlights the federated nature of Seneca Nation government one held together in spite of great diversity of opinions and intense politics In the Kinzua crisis and its aftermath several Senecas stood out for their heroism and devotion to rebuilding their nation for tribal survival They left legacies in many areas including two community centers a modern health delivery system two libraries and a museum Money allocated in a compensation bill passed by Congress in 1964 produced a generation of college educated Senecas some of whom now work in tribal government making major contributions to the Nation s present and future Facing impossible odds and hidden forces they motivated a cadre of volunteers to help rebuild devastated lands Although their strategies did not stop the dam s construction they laid the groundwork for a tribal governing structure and for managing other issues that followed from the 1980s to the present including land claims litigation and casinos

Decolonizing the Lens of Power Kerstin Knopf, 2008 This is the first book that comprehensively examines Indigenous filmmaking in North America as it analyzes in detail a variety of representative films by Canadian and US American Indigenous filmmakers two films that contextualize the oral tradition three short films and four dramatic films The book explores how members of colonized groups use the medium of film as a means for cultural and political expression and thus enter the dominant colonial film discourse and create an answering discourse The theoretical framework is developed as an interdisciplinary approach combining postcolonialism Indigenous studies and film studies As Indigenous people are gradually taking control over the imagemaking process in the area of film and video they cease being studied and described objects and become subjects who create self controlled images of Indigenous cultures The book explores the translatability of Indigenous oral tradition into film touching upon the changes the cultural knowledge is subject to in this process including statements of Indigenous filmmakers on this issue It also asks whether or not there is a definite Indigenous film practice and whether filmmakers tend to dissociate their work from dominant classical filmmaking adapt to it or create new film forms and styles through converging classical film conventions and their conscious violation This approach presupposes that Indigenous filmmakers are constantly in some state of reaction to Western ethnographic filmmaking and to

classical narrative filmmaking and its epitome the Hollywood narrative cinema The films analyzed are The Road Allowance People by Maria Campbell Itam Hakim Hopiit by Victor Masayesva Talker by Lloyd Martell Tenacity and Smoke Signals by Chris Eyre Overweight With Crooked Teeth and Honey Moccasin by Shelley Niro Big Bear by Gil Cardinal and Atanarjuat The Fast Runner by Zacharias Kunuk **Gaming, S.
