Master of the Game Connie Bruck, 2020-02-04 From the bestselling author of *The Predators Ball* comes the story of the most flamboyant businessman and dealmaker of his generation Steve Ross When Steven Spielberg first heard Steve Ross tell his life story it was such a dramatic rags to riches narrative that he thought it was a movie In a career that started in Brooklyn and spanned Wall Street Hollywood and the Mafia Steve Ross took his father in law's funeral business and a parking lot company and grew them into the largest media and entertainment company in the world Time Warner In the upper strata of American business that Ross reached before his death he was an anomaly Outrageous glamorous charismatic he presided over an enterprise that was more medieval fiefdom than corporate bureaucracy He negotiated his enormous and complicated deals from movies and records to cable and publishing with shrewdness and brilliance He rewarded his favorite aides and sidekicks extravagantly he courted Hollywood stars like Barbra Streisand and Steven Spielberg with luxurious gifts

he charmed and out smarted his rivals Ross used whatever or whomever it took to romance someone into making a deal He saved himself and let his best friend Jay Emmett take the fall in the government s Westchester Premier Theatre investigation White Atari was hemorrhaging money in the early 80s Ross announced a stock buy in to boost the price and then sold off his own stock for a gross of more than 20 million before announcing the company s failure The principles upon which Ross built his domain would not be taught in any business school and many of his peers were convinced that Ross s ways would lead to his and his company s undoing But it was those very attributes combined with mathematical wizardry and vision or what one friend called the ability to see around corners that enabled Ross to best most adversaries outnegotiate every dealmaker confound his critics and ultimately create the Time Warner empire

The Hidden Game Revealed John Berling Hardy, 2010-06 You place your bets spin the wheel and take your chances What if this was true but with one important twist The wheel was rigged in such a way it was skewed towards the benefit of a few insiders the Players And then they were able to conceal this game in such a way that everybody thought they had an even chance in the Game In life there is a game however it is not the one we all think we re playing Beneath the surface there lies a secret Hidden Game Those people you read about in society columns the movers and shakers of our world all know this game and they go to great lengths to prevent you from catching on Learning about the Game how it is setup who the players are and how they play is your best bet to getting what you want out of life The only other option is to hope and pray that what I m saying is nonsense that there is no Game that all this is just another conspiracy theory Isn t it time you took hold of the reigns in your life took positive action to decide your own destiny became a co creator in your life and found out about the Hidden Game
