

Sophie and Luke had a productive (and fun!) day with Professor Flukelar at his estate. Being polite children, they decide to write him a thank-you note.

## The task

- Decide if the letter is from Luke, Sophie or both the children.
- Make a list of things that the children enjoyed at the estate.
- Write a note to the professor, thanking him for his time, his ideas and his hospitality.
- Make a point of mentioning how his ideas were used to make the homework assignment toys.
- Include all three sections of a thank-you note (see below).
- Use the back of the sheet if you need more space.

[illegible]

## The thank-you letter genre

Thank-you notes are a polite way to show that you appreciate a person and what they have done for you.

Like all letters, they need your **address**, the **date** and a **salutation** (greeting) at the start. Begin the main letter by saying **thank you**, and make it **personal** by describing exactly what it is you're thanking them for.

Next write about why you appreciated the event or gift and say thank you once more.

**Close** the letter with an appropriate ending such as "Yours sincerely".

### More ideas

- **Work with a partner.** One of you is Professor Flukelar, the other is Luke or Sophie. Imagine the children are helping the professor with the new line of Cosmic Creatures. Write a series of short letters or emails between you as the creatures go from idea to prototyping to manufacturing and sale.
