One Game at a Time Harnarayan

Singh,2020-09-22 INSTANT NATIONAL BESTSELLER From the distinct and vibrant voice behind Hockey Night in Canada Punjabi comes the story of pursuing a dream and defying the odds reminding us all of hockey's power to unite

BoninoBoninoBonino Ask a hockey fan if they have heard the wonderfully electric call of Nick Bonino's overtime winning goal from the 2016 Stanley Cup Final and they will almost surely answer with a resounding yes That's because video clips of the Hockey Night in Punjabi broadcast immediately went viral amplifying the profile of Harnarayan Singh the voice behind the call Growing up in small town Alberta Harnarayan was like many other kids who dreamed about a life within the sanctum of the game they idolized There was only one small difference he didn't look like any of the other kids And when he sat down on Saturday nights to tune in to Hockey Night in Canada with the rest of the nation he couldn't ignore the fact that the broadcasters or analysts didn't look like him either Undeterred Harnarayan worked his way from calling imaginary hockey games with his plastic toy microphone as a child to funding secret flights from Calgary to Toronto every weekend in the early days of Hockey Night in Punjabi to making history as the first Sikh to broadcast an NHL game in English Full of heart humour and bursting with personality and maybe a few family prayers for Wayne Gretzky One Game at a Time is the incredible and inspiring story of how Harnarayan Singh broke through the longstanding barriers and biases of the sport he

loves But more than that Harnarayan blends his unabashed love of hockey with a refreshing and necessary positive message about what it means to be a Canadian in the world making him one of the most influential ambassadors of the game today

The Girl and the Game Margaret Ann Hall,2002-01-01 The Girl and the Game traces the history of women s organized sport in Canada from its early informal roots in the late nineteenth century through the formation of amateur and professional teams to today s tendency to market women athletes especially Olympians as both athletic and sexual When women actively participate in the symbols practices and institutions of sport what they do is often not considered real sport nor in some cases are they viewed as real women What follows from this notion of sport as a site of cultural struggle is that the history of women in sport is also a history of cultural resistance
