Hell? Oh, No! God, Church! Gloria Smith,2021-11-12 I wrote this book because I love God Even when I did not know God I knew I was being watched over I had a hard upbringing yet a loving mother loving sister and brother twelve in all One day this pastor showed up with a limousine and he and his wife had church on the Sabbath day Saturday really He asked my mother if we could attend She agreed and that was where I really realized that there is a God We had gone to one church prior but my mother said that we were too young then to realize it there That was at Pastor Haynes s My book says that you go through a lot of everything but God is always there I found my life with ups and downs all the way but it was rewarding That is because God is real and He had to stabilize life for me ups downs twisted good straight upset whatever He made it

work So my reason is to believe in the only one real God when all else fails Then God will reassure you He is God He is real Things in life happen but He is the only one with the solution to every problem Life is real Life is not a quick fix and life is God given So I trust God to fix everything in life     Life Is Setting Me up for Success Victor Levy,2021-11-15 What is success What does it look like How does one achieve it In Life is Setting Me Up for Success author Victor Levy takes an in depth look at success discussing what it is and what it isn't Levy offers thirty three insights from day to day life relationships consciousness yogic philosophy society and modern science to shift your perspective from living a life of constraints to expand to full possibility He explores a variety of themes including goal setting love change fear and worry against the backdrop of success Life is Setting Me Up for Success shares a wealth of philosophy advice and tips to help you expand your awareness from subconscious limitations to accessing your full intelligence     **The Big Questions** Lou Marinoff,2009-09-07 Professor Lou Marinoff's first book drew on the wisdom of the great philosophers to solve our everyday problems launching a movement that restored philosophy to what it once was useful in all walks of life Now in The Big Questions he takes the concept to the next level applying centuries of philosophy and great literature to answer central questions of modern existence Urging us not to accept victimhood as the by product of modern life Professor Marinoff uses specific case studies from his counseling practice to show how wisdom from the great thinkers can help us define our own philosophy and thereby reclaim our sense of well being He asks and answers questions that go to the heart of the human condition How do we know what is right How can we cope with change Why can't we all get along And most centrally how can we use the centuries of wisdom that have come before us to help us answer these questions and feel at ease in the world Accessible entertaining and profoundly useful The Big Questions mixes wisdom from the great thinkers with specific case studies to illuminate how a shift in perspective can truly be life changing Lou Marinoff is the author of the international hit Plato Not Prozac which has been published in twenty languages A professor of philosophy at the City College of New York Marinoff is also the founding president of the American Philosophical Practitioners Association Praise for Plato Not Prozac What exactly is philosophical practice Marinoff calls it therapy for the sane In a nutshell it's using the 2 500 year old tradition of philosophy to solve everyday problems like work relationship and family issues It's a return to what philosophy was meant to be a guideline for a way of life Salon Com Plato Not Prozac looks to become the bible of the philosophical counseling movement Philadelphia Inquirer Magazine The ancient think     **The Intelligent Guide to Texas Hold'em Poker** Sam Braids,2010 This concise comprehensive guide on Texas Hold'em Poker is packed with tips and information that players need to know For beginners it explains the rules of Texas Hold'em basic strategy and how to play in a cardroom More advanced players benefit from statistical charts vignettes from actual poker games and detailed information on how the social and psychological aspects of the game determine strategy Readers also learn the unique view that an expert chess player brings to analyzing poker as author Sam Braids compares and contrasts the two games As a special bonus the book includes an analysis of online poker
