Gangs On The Move:

Street Gangs Throughout the World Herbert Covey, 2021-07-01 This new third edition provides an update on what is known about street gangs throughout the world and summarizes some of the major works on street gang phenomena. It focuses on those countries that have a greater presence in the literature. Chapter 1 introduces the reader to the topic of street gangs throughout the world. Chapter 2 identifies some of the challenges faced by scholars when studying gangs in different countries. Chapter 3 reviews some of the basic research on street gangs in the United States and Canada. Chapter 4 covers what is known about street gangs in Europe and Russia. Chapter 5 reviews the literature on street gangs in one of the hottest areas of the world for gangs: Central America. In addition, this chapter examines South American and Caribbean gangs. Street gangs in Brazil, El Salvador, Guatemala, Jamaica, Brazil, Mexico, Nicaragua, Trinidad, and other countries are covered. The presence of street gangs and gang violence in these and other countries has been identified as a major factor in the mass migration of refugees to the United States. Chapter 6 reports on the street gangs of Africa. Research on gangs in South Africa goes back decades, and the country has a unique history on how gangs evolved. Other countries such as Egypt, Nigeria, and Kenya are developing a body of literature that highlights the distinctive nature of gangs and gang members in these countries. Chapter 7 addresses street gangs in Asia, including China, India, Hong Kong post reunification, Japan, and other countries. This chapter provides rare glimpses of gangs in China, a relatively secretive country. Although different in many ways from gangs in Asia, information is also included here about gangs in Australia and New Zealand. Practitioners in the criminal justice and juvenile justice fields will find this book to be a valuable resource. *Gangs* Amanda Hiber, 2013-05-21 More than eighty percent of American cities with a population of 100,000 or more report gang activity. Most of these gangs are made up of members who are eight to twenty-two years old. These statistics point to a larger, unfortunate truth: at some point, our youth will have an encounter or an experience with gangs. It is important that they understand this world and how it operates. This collection of essays helps readers navigate the issues. Readers will analyze whether gangs are a growing suburban problem, if gang activity is increasing among girls, the role of immigration and gang activity, and measures that reduce gang involvement. Colorful photographs, charts, graphs, and images reinforce the text and present essential data.

On Gangs Scott H. Decker, David C. Pyrooz, James A. Densley, 2022-01-21 A comprehensive review of what is known about gangs from their origins through their evolution and outcomes. Gangs Anna Collins, 2019-07-15 Gangs have both worried and fascinated Americans for many years, but gangs are not a uniquely American problem; they can be found all over the world, from Sweden to Japan. Most of what people learn about gangs through movies and television does not reflect the reality researchers have discovered through firsthand studies of gang life. The detailed main text, informative charts, annotated quotes from experts, and full-color photographs explore this reality and various social factors that allow gangs to arise. With this knowledge, young adults can identify areas where they can make a difference in their own communities.

Gangs Noah Berlatsky, 2015-01-06 The primary source writings in this anthology have been selected to provide your readers with a broad spectrum of viewpoints on gangs and gang violence Readers will evaluate the causes of gang formation and gang violence and whether the number of gangs and gang violence is increasing in the United States An important question about the topic is presented in each chapter and viewpoints are organized based on their response Fact boxes summarize important information for researchers and an extensive bibliography is included **Gangs** Tony

Thompson, 2009-06-08 From the bestselling author of *GANGLAND BRITAIN* and *REEFER MEN* Organised crime is one of Britain's biggest industries The number of gangland murders shootings and kidnappings along with the levels of drug trafficking people smuggling and money laundering have all experienced phenomenal growth Multi million pound drug deals and vicious turf wars have spread out from the inner cities and now affect even the most rural communities The day to day impact of organised crime on our lives has never been greater In *GANGS* award winning author Tony Thompson takes us on a gripping journey into the criminal underworld From Triad human traffickers in Dover and ecstasy factory owners in Liverpool to Albanian vice barons in London and gun toting teenage crack dealers in Birmingham *GANGS* reveals the inside story of contemporary organised crime **Handbook of Youth and Justice** Susan O. White, 2013-11-11 When approached by

Plenum to put together a volume of social science research on the topic of youth and justice I found the interdisciplinary challenge of such a project intriguing Having spent 2 years as Director of the Law and Social Science Program at the National Science Foundation I was well aware of the rich diversity of research that could fit within that topic I also knew that excellent research on youth and justice was coming from different communities of researchers who often were isolated from each other in their respective disciplines as psychologists sociologists criminologists or policy analysts I saw this project as an opportunity to break down some of this isolation by introducing these researchers and their work to each other and to the broader community of social scientists interested in law and justice There was another gap or set of gaps to be bridged as well The juvenile justice system and the criminal justice system differ in significant ways and the civil justice system which is a major venue for issues of youth and justice is yet another separate world Few researchers are likely to know the whole picture For example a focus on juvenile justice often ignores the extent to which civil justice proceedings shape the lives of young people through divorce custody adoption family preservation policies and other actions and vice versa **Crime and**

Policing in Rural and Small-town America Ralph A. Weisheit, 1995 *Gangs* Scott Cummings, Daniel J. Monti, 1993-03-03 This book is an examination of contemporary gangs in American cities Gangs have proliferated over the past ten years and pose a new set of challenges to public officials law enforcement agencies and urban educators Most major cities are now confronted with serious problems derived from gang violence drug traffic and disruption of the public educational system In the face of deindustrialization and deepening recession many minority youngsters view gangs as attractive alternatives to a futile search for employment in a deteriorating urban economy Perhaps most significant gangs are now beginning to emerge

in small and medium sized cities Some of the nation s leading scientists and scholars have been brought together in this book to examine the contemporary contours of America s gang problem including Daniel J Monti Joan Moore Scott Cummings Howard Pinderhughes Diego Vigil Ray Hutchison Felix Padilla Jerome H Skolnick Pat Jackson and Robert A Destro New material dealing with wilding gangs migration and drug trafficking and public educational disruption appear in this volume Other topics covered include how gangs are organized what social function they serve their relation to conventional society and the social and psychological factors that contribute to their rise The relationship of the contemporary gang problem to past research is explored and a rich variety of case histories and comparative analysis is presented The book also includes a section on public policy

Moving Target Ross Kemp,2012-06-07 Former Special Reconnaissance Regiment Sergeant Nick Kane always stands by his friends So when an old comrade is leaned on by gangsters Nick s only too happy to help But Nick quickly finds himself cast headlong into a spiral of violence that will take him all the way to Mexico searching for justice on the mean streets of Juarez the most violent city on Earth His mission Kidnap the head of the vicious La Frontera drugs cartel and get him back to the UK to face trial for murder All that s standing in his way is the cartel s four thousand trained soldiers a corrupt army and police force and a former South African special forces colonel who has been paid to track him down It will take all Nick s skill and courage to bring his man in *Moving Target* is the gripping new thriller from Ross Kemp

Gangs On The Move Introduction

In today's digital age, the availability of Gangs On The Move books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gangs On The Move books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gangs On The Move books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gangs On The Move versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gangs On The Move books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gangs On The Move books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gangs On The Move books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Gangs On The Move books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gangs On The Move books and manuals for download and embark on your journey of knowledge?
